## 3GC Men Charged In Armed Robbery

Attendant at Clark's Service Station Held Up; 18 Thefts Noted

Three Granite Cityans were arrested on armed robbery charges Tuesday after an attendant at the Clark's service station, 20th street and Madison avenue, was held up for \$25 to \$40 in bills and \$10 to \$20 in coins at 5:15 a.m. that day.

Acting on a tip, Granite City police arrested George Warren Whitehead, 26, of 2117A Delmar avenue; Johnny Steven Long, 18, of 1704 State street; and John Robert Falciotti, 19, of 204 Washington avenue. All were taken into custody between 3:35 and 5:50 p.m. at their homes.

Jerry Webb, the attendant, told police that an auto with three men drove into the station, and the driver asked him to check the oil. Webb said he pulled the dip stick, which was dry, and showed it to the driver.

The driver told him to "forget it," that he did not want any oil. As Webb walked away, the driver called him back, and then without leaving the car, pulled a small gun, probably a .25 caliber automatic, and ordered Webb to give him the money. The car then headed north on Madison avenue.

The attendant provided descriptions of the two men in the front seat and said the third was asleep, lying on the rear seat. Police said the sleeper was Falciotti, owner of the car.

Whitehead was released last Friday from the Madison county jail in Edwardsville where he was being held in lieu of bond on an armed robbery charge at the Reese downtown drug store on Madison avenue.

Police said that Long admitted being one of two men who robbed Hulda Griffith, 2622 Iowa street, of a purse containing \$40 on Feb. 19 at 19th street and Cleveland blvd.

The three were taken into magistrate's court Wednesday morning when property bonds were set at \$25,000 for Whitehead, \$20,000 for Long and \$15,000 for Falciotti. Preliminary hearings were to be set in Edwardsville.

**Three Thefts Reported**  
Guarantee Electric Co. complained of three different thefts this week of equipment used on a project at American Steel Foundries.

Three half-inch drill motors valued at \$225 were stolen from a gang (top) box Monday while employees were on the job. A fourth drill motor was reported stolen at 2:15 p.m. Tuesday.

The firm also reported at 1:15 p.m. Monday that on Feb. 20 a half-inch drive socket set in a gang box and a metal set

(Continued on page 8, col. 6)

## ..BIRTHS..

Births recorded at St. Elizabeth Hospital:

### GIRLS

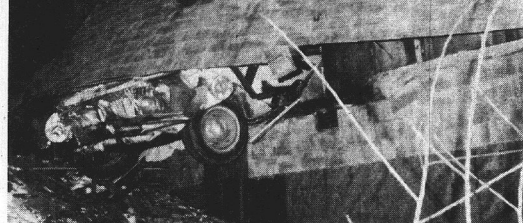

Mr. and Mrs. David Favier, 2729 Willow avenue, March 1, Stacey Jo, six pounds, two ounces.  
Mr. and Mrs. Fred Flaughner, 2130 Cleveland blvd., March 3, Rhonda Renee, six pounds, 14 ounces.  
Mr. and Mrs. John Davis, 104 Kirkpatrick Homes, March 3, April Joellen, seven pounds, two ounces.  
Mr. and Mrs. Raymond Lombardi, Army Depot, March 5, Melissa Rae, eight pounds, two ounces.  
Mr. and Mrs. Verlin Pulley, 2081 Fourteenth street, March 6, eight pounds, 11 ounces.  
Mr. and Mrs. Larry Hamilton, 4985 Hills avenue, March 5, Tracy Lynn, seven pounds, five ounces.

### BOYS

Mr. and Mrs. James McCusker, 2948 Homestead, March 3, David Miles, five pounds, 15 ounces.  
Mr. and Mrs. Robert Copeland, 104 Martin street, March 3, Robert Allan, eight pounds, 12 ounces.  
Mr. and Mrs. John Gill, 2707 West 22nd street, March 4, James Matthew eight pounds, five ounces.

## Ceremony Set Mar. 14 For Plant In Madison

Ground-breaking to be For Diamond Planting In Industrial Park

The Madison city council made plans for ground-breaking ceremonies for the new Diamond Planting Co. plant for 2 p.m. March 14 and approved the purchase of the property used by the MAL landfill from Leo Abel and William Miller to Melvin Pashea and Kenneth Harbarger of Granite City during a meeting Tuesday night.

The ground-breaking will be held at the Stephen Maers industrial park where work on the \$200,000 plant is getting underway.

It will be followed by a dinner at 7 p.m. the same day at the Rose Bowl restaurant to be attended by city and company officials, representatives of the Zimring and Wagoner firms which have warehouses under construction at the plant.

Mayor Stephen Maers reported that negotiations are under way with another firm to erect a \$2 million plant at the park.

**City May Issue Bonds**  
He said that if successful, the city will issue bonds to cover cost of construction of the plant as surplus funds from the Chain of Rocks bridge are now insufficient to finance the cost.

The city has been financing construction of plants and houses at the park and leasing the property to manufacturers on an annual basis of 10% of gross value per year.

The mayor also noted that Caine Steel Co. should be in its new plant by the middle of this month.

Mayor Maers reported that large signs are being made to attract traffic to the park and drivers of delivery trucks are having difficulty finding it. He said the plant is about 1/2 mile off Highway 111 and was struck by a car driven by Debra Slaton, 40, of Alton, at 7:15 a.m. Tuesday.

The other passenger, David West, 16, of the Division street address, also was hurt.

**Three Persons Injured**  
Three persons were injured when an auto driven by Victoria Barth, 18, of 3229 Carlson avenue, pulled off Ponton road onto Highway 111 and was struck by a car driven by Debra Slaton, 40, of Alton, at 7:15 a.m. Tuesday.

Taken to St. Elizabeth Hospital was Kenneth West, 19, of 4140 Division street, with a four-inch cut to his left arm and a large abrasion. He was released after sutures and X-rays were taken.

The other passenger, David West, 16, of the Division street address, also was hurt.

**Chouteau Sets Up New Pct. 4 Polling Place**  
Almost total destruction of the Eberhardt building on Old Alton road, Chouteau township, as the result of an auto accident, forced Chouteau township officials to find a new polling place for Tuesday's special senatorial primary election. The building was rented by the township which used the building as a relief office and polling place for Precinct Four.

Town Clerk George Warneck announced today that the new Precinct Four polling place will be in Bender's residence, Rural Route 2, Box 700, on Old Alton road. The new polling place is almost directly across the road from the Eberhardt building.

The polling change is the third to be announced since publication of the original list of 14 precinct polling places for the 53rd District senatorial primary. Nameoki township has changed the location of its Precinct Six polling place to the Pearl Lutheran Church, 2450 Stratford lane, and Granite City township has relocated its precinct 29 polling place at the Landreth in the Bloodworth building, 2011 Rock road.

## Bronze Star Medals, Purple Heart Medal for Lt. Sumner

First Lt. Jimmy D. Sumner, 24, was presented with several awards while serving with the U. S. Army as an advisor to the Vietnamese Army.

He received the Bronze Star medal for valor and the Bronze Star for meritorious service, the Vietnamese Cross of Gallantry with a Bronze Star and the Purple Heart for wounds received during combat missions.

The son of Mr. and Mrs. Claude Neely, 2000 Cottage avenue, he arrived home last week from his one-year tour of duty in Vietnam.

Lt. Sumner was reunited with his wife, Claude, and their four-month-old daughter, Jennifer Dawn, who arrived from their home in Lake Charles, La., for a week's visit.

He will be promoted on March 15 to the rank of captain and a three-year enlistment, he has a training company at Fort Polk.

**LT. JIMMY D. SUMNER Medal Winner**  
La. Having just completed a three-year enlistment, he has re-enlisted for one more year.

**Orle Plant Benefits**  
Dever and Lyle F. Gulley, Granite City Steel Co. president who joined in the annual state

(Continued on page 4, col. 4)

## Approval Likely on Bill to Buy Horseshoe Lake as Park

"We're elated about it," Horseshoe Lake Area Commission Chairman Henry D. Karandjeff said after House Speaker Ralph T. Smith on Tuesday introduced a bill appropriating approximately \$2 million to buy 1700 acres of Horseshoe Lake property and add it to the State Parks and Conservation Areas.

Karandjeff, also chairman of the Tri-Cities Chamber of Commerce Horseshoe Lake Park Committee, praised the efforts of Speaker Smith, Alton Republican, and the attitude of Governor Richard B. Ogilvie.

"Not only is the Speaker of the House the principal sponsor of the bill, but all of the legislators from this area are co-sponsors," Karandjeff noted. Horseshoe Lake park bills twice passed the General Assembly by overwhelming margins in the 1960s but were vetoed.

**Governor Favorable**  
"Gov. Ogilvie, on occasions since he was elected as well as before, has said he is favorably impressed by the Horseshoe Lake proposal," the commission chairman pointed out.

The legislation places the proposed Horseshoe Lake park area and wildlife refuge under the jurisdiction of the Illinois Department of Conservation.

Conservation Director William Rutherford is greatly in favor of expanding the state park system, and in a letter to our commission Feb. 4 he said he plans to confer with us."

Conceding that the state revenue situation was cited in the vetoes by former Gov. Kerner, and that Illinois still has financial problems, Karandjeff, chairman of the Trust & Savings Bank and American National Bank, expressed optimism in an interview with the Press-Record yesterday.

He pointed out that new information and analysis have led to economic which convinced officials that 1700 acres can be acquired for well under \$2 million.

**Expected Assembly Approval**  
Speaker Smith said yesterday that he feels "strongly" that the appropriation will be approved by the Senate and House, and added that Gov. Ogilvie "has committed himself to it."

Smith estimated that once it has been passed and signed into law, it would take "a year or better" to acquire all the land, now privately owned.

He said it is important that the area be preserved for recreation use before it is devoted to other types of development. It is proposed to purchase both the lakebed (the area covered with water) and land around the lake shore.

Smith said an appraisal in the late 1950s estimated the cost at \$1,500,000, and Karandjeff said the current figure suggested was \$1,628,000.

**Attraction for Tourists**  
Back to believe that Horseshoe Lake can be made ideal for use as a boating and fishing area, park, wildlife refuge, recreation center and camping site serving residents of this region and also capable of attracting large numbers of tourists.

A meeting on the issue here (Continued on page 4, col. 8)

## Eagle Park Group Working to Build Community Bldg.

When weather permits, construction will resume on a community center which will double as quarters for a clinic, library and recreation hall for residents of Eagle Park Acres.

According to Eddie Lee Salmond, president of the Eagle Park Acres Improvement Association, the building is expected this summer.

The 24x48-foot concrete block structure, to be brick veneered when the project resumes, is being constructed under the supervision of Clinton Thornton, association vice-president.

Completion of the building is expected this summer.

Salmond announced that the public center will be named "Steele Hall" in honor of Mr. and Mrs. W. J. Steele of Granite City, who assisted the community in establishing a park and playground area.

**Need Added \$2000**  
The association president noted that about \$1700 already has been put into the building and an additional \$2000 probably will be necessary to finish the project. All labor is donated by Eagle Park residents, and cash contributions have been received from individuals and business firms.

One of the prime contributors is the Veterans of Foreign Wars Post 203 south of Madison.

Pashea formerly operated a dump used by Granite City residents to dispose of their refuse. The dump was closed in 1967 and the site is now a park.

Pashea and Harbarger have not applied as of today for the State Department license to operate a landfill.

**Dwellings Condemned**  
City health officials announced that condemnation notices have been issued on four dwellings as they are

(Continued on page 4, col. 7)

## 36 Years on Department Assistant Fire Chief Donley to Retire

Assistant Fire Chief Curtis E. Donley will retire March 31 after almost 36 years with the Granite City fire department. His retirement letter was accepted by the city council Monday night.

More than three-and-a-half decades of public service, the veteran officer witnessed tremendous departmental growth, changes and innovations in fire-fighting techniques—the latter involving increased attention to public education and fire prevention.

Literally thousands of Granite City youngsters in kindergarten through fourth grade classes have enjoyed a visit from the assistant fire chief, and he has been watched with fascination as he demonstrated how quickly fires could be put out by playing with matches.

**Frequent Lecturer**  
During the spring and fall, the fire department officer was in great demand to visit schools, and he has been enthusiastically received in a playground

area or school yard were frequently observed by passersby. Assisted by other fire personnel, Assistant Chief Donley also was guest lecturer and demonstrator at many club meetings when he would explain to both men and women the hazards of using various appliances in disrepair and the best method of repair and the best method of repair and the best method of repair.

As a member of the Civil Defense Advisory Board and a keen supporter of the CD program in the community, Chief Donley returned to the old 19th street station on many occasions since it was vacated by the department and renovated as the CD center, and the visits usually remind him of his first days as a fireman.

The retiring officer has served under five fire department chiefs: James Marsh, Louis Grotz, Clarence

(Continued on page 4, col. 6)

## Gov. Town Budget Boosted \$49,303

Total Appropriation For New Year Subject To Hearing Approval

A tentative Granite City township budget and appropriation of \$241,675 for the 1969-70 year—up \$49,303 over last year's figure—has been posted for public inspection by Township Supervisor Nelson Haganauer. The budget is on display at the city hall in the office of City Clerk Homer Slaton.

"Pendleton who also is town clerk.

The new bill sets up increases in all phases of the budget, listing anticipated expenditures of \$109,430 in the town fund, compared to \$74,470 last year, and budgeted costs of \$130,745 in the general assistance fund, compared to \$112,402 a year ago.

The appropriation for municipal retirement fund payments also is raised from \$5300 last year to \$10,500 for the year.

Although the general assistance fund appropriation is up \$18,343 over last year's budget, a tax levy far less than the total of \$130,745 is anticipated again this year because of a cash balance of \$108,828. New tax levies for the three township funds will be extended in the annual town meeting which will be held at 7 p.m. April 1.

The appropriation will be subject to approval at the same time. A public hearing on the budget will immediately precede the town meeting.

**Funds Have Balances**  
On the basis of the new appropriation figures, a tax levy in the full amount of the appropriation is not expected in either the town fund or the general assistance fund. The town fund account shows a balance of \$20,857 at the end of the current fiscal year at the end of March. Total receipts of \$105,327, including sale of \$35,000 worth of anticipation warrants, are expected in the town fund.

The budget summary shows total expected receipts of \$105,327 for the 1968-69 fiscal year, including the \$108,828 balance currently in that fund. The municipal retirement fund has a balance of \$2021 and would require a tax levy of at least \$8500 to meet increased retirement fund schedules during the new year.

Well over half of the total appropriation of the town fund is a citywide tax levied on the assessor's office with a budget of \$65,340, up \$13,650 over last year's \$51,690. The town budget provides \$45,000 in salaries for the chief deputy assessor, clerk and deputy assessors, \$2000 for travel expenses of the assessors' office and the remainder in office expenditures. The assessors' salary schedule is \$10,000 to \$15,000.

(Continued on page 4, col. 7)

## Ice Rink Season To End March 16

The second ice skating season at the Wilson Park rink pavilion will end Sunday, March 16, Harold Brown, superintendent of parks and recreation, announced today.

After a delayed opening due to unseasonably warm weather which prohibited ice on the rink, the 1968-69 season got under way on Oct. 22.

Brown reported that planning has started for the first annual ice show to be given at the Wilson Park rink on Monday evening, March 17. Instructors in the various park district programs at the skating rink are planning to have a special ice skating exhibition and test into the ice show production, he said.

The ice show will feature youthful skaters enrolled in park sponsored figure, a 4-day skating instruction program. In addition, skaters from the Gateway Skating Club of St. Louis will incorporate a special ice skating exhibition test into the ice show production, he said.

(Continued on page 4, col. 6)

## Income Study Planned for Retirement of Sewer Bonds

Revenue bonds issued in 1964 for the Nameoki-area sanitary sewer system can be redeemed in inverse order with June 1, 1974, the first call date for the last bonds.

The opinion was given Monday night to Granite City council members by City Atty. Leon Scroggins, who said that after a conference with the city treasurer there was no way to determine with certainty the future revenue for retiring the bonds. The last date of maturity for the bonds is June 1, 1994.

Scroggins' opinion was placed on file, and there was indication the council would seek expert financial advice to learn further details.

The city attorney told council members—

"I have thoroughly examined Ordinance No. 1516 enacted by the city council on the 7th day of June, 1964. Under the terms of that ordinance, the bonds have a maturity date. The last maturity date for bonds No. 1286 to No. 1335 is June 1, 1994.

"However, the right is reserved to the city of Granite City to redeem in inverse order the bonds as listed. The first call date for the last bonds, that is, bonds 311 through 380, is June 1, 1974. In other words, this is the earliest date that the city could retire all bonds under Ordinance 1516, the Nameoki area sewer revenue bonds.

"Further, I have consulted with the city treasurer with reference to the current balance and the anticipated revenue in the future.

"I cannot say with any certainty what the future revenue in these funds will be. I feel that the matter of collection of future funds is a matter for financial experts and not for myself.

"I realize that this does not answer the question of the council; however, I feel that there can be no definite answer the problem posed to when there will be sufficient funds to retire in their entirety the Nameoki area sewer bonds.

The Jan. 31 financial report for the sewer system showed a balance of \$306,029 in the Nameoki Area Sewerage Fund with \$126,207 for bond redemption, \$129,000 for the bond re-

serve accounts, \$24,000 for depreciation, \$14,781 for interest net \$21,040 for principal. In the Nameoki Area Sewer Lines Reserve Fund the Jan. 31 balance was \$176,732; while the Particular Area No. 2 Sewerage fund had a balance of \$100,441.

**Acute Drainage Problem**  
Continued efforts to provide drainage in the Nameoki area in the vicinity of Lynch and Sara avenues were pledged by council members.

Alderman Johnson said the home at 2617 Lynch avenue, where there are sanitary sewer events in the yard, not only is getting backflow from that line but also reverse flow from a drainage in the block of Lynch, and that the drainage problem now has become more acute.

"This is not only a health problem but it is also causing damage to the basement of the home through seepage. The street department goes out there nearly every week to clean those two pipes in the yard. It seems a solution can be found somehow," Johnson added.

It was explained the repair of the sewer break is being delayed because of ground water, and that while wellpoints are in operation, the only result has been an estimated five-inch drop in the level of water standing in Dobry slough.

Mayor Partney reported he had inspected the area and found a reverse flow in the 24-inch tile installed to drain the area to Dobry slough. "This results when the level of the old slough is up and there's no place for the water to go," Partney said.

The mayor added that he inspected the nearby railroad right-of-way and could find no outlet pipes. "They possibly could have been removed when a gas line was installed along the tracks. We plan to get in touch with Mississippi River Fuel Corp. to see if that is what happened and to get the culverts put back to provide a natural flow.

**Emergency Repairs**  
An emergency situation was declared for repairs to a sinking manhole on a combination sanitary-storm water sewer line in the 3000 block of East 23rd street. It was noted that the sinking manhole could shear the entire sewer line and block sewer service for Lake school and homes in that area.

Street Supt. Warfield said the water level is two feet above the sewer line and that well-points would be needed. Council members authorized immediate repairs by A. H. Seebold Co. which has a supply of well-points for the Lynch avenue sewer repair project. That repair job there is being stalled by ground water which is being pumped continuously.

Reporting on the storm water sewer construction, Alderman Bartoski said Granite City Steel Co. has agreed to finance the \$21,324 installation of a siphon at 24th street and Washington avenue where the firm has a water line under the street, but has turned down payment of \$10,629 for another siphon at 23rd and Monroe streets, where the siphon would be located on a private easement.

An engineering study is to be made of this location to determine if the siphon is a direct result of the steel mill's water line from the river to its reservoir at 21st and Monroe streets. Bartoski continued that the East St. Louis & Interurban Water Co. plans to either raise or lower its 25-inch water main at 24th street and Madison avenue rather than pay the \$16,000 charge for installing a siphon. He said that the level of the water line was not actually determined until the excavation was made and that the cost of relocating the water line has been put at \$6000. "They didn't even know the level of their own line. That is the kind of problem the construction contractor is having on the job."

The alderman pointed out the temporary street patch at 24th street and Madison avenue was made by the water company and not the contractor.

## Principles Major Qualification, Candidate Says

Because any newly-elected senator of the 53rd Senatorial District will have little opportunity to introduce legislation in the 76th General Assembly, principles of the candidates in Tuesday's special senatorial primary election are more important than stands on specific issues, Dr. Merrill Ottwein, Edwardsville, said today.

Ottwein, who is seeking the Republican nomination said he believed it would be "very presumptuous to say that one would enter the last two months of a legislative session with new programs and new ideas for legislation." He said most of the new legislation will have been introduced by the time a senator is elected to fill out the unexpired term of former State Sen. Paul Simon (D) of Troy.

Among principles he will follow if elected senator, Dr. Ottwein said, is that education in its fullest sense must be of highest priority, with new emphasis on vocations, images and human values.

"Area growth, though encouraged, should be planned growth and not 'catch-up' growth with attention to the total quality of our lives—that which is healthful and efficient, yet attractive," Dr. Ottwein said.

"Attention should be given to Illinois' position in the American and world communities," he said, adding that "church and state should be generally separated, but the church and the family should be challenged to become aware of their responsibilities in terms of the total quality of our lives.

"To exist, we must be a productive people. Waste of any kind must be minimized, material, financial and human."

## Seven Speeding Tickets Issued on Madison Ave.

Seven drivers were ticketed on speeding charges Wednesday morning as traffic division police operated a radar unit along Madison avenue.

Issued tickets were Michael J. Orasco, 3505 Kirkpatrick; Homes, Henry J. Nobus, 1916 Lynn avenue; Paula J. Brown, 2167 Cleveland Blvd.; Ronald J. Vinson, Cairo; Willard G. Herzog, Okaville; Patricia J. Schilt, 87 Sherwin drive; and Patricia D. Walker, 4202 Lake drive.

## 'Buck' Simmons Doesn't Want Senator Post

Walter "Buck" Simmons of Venice yesterday issued a news release stating that, while his name will appear on the ballot in next Tuesday's primary election for nomination of state senator of the 53rd Senatorial District, that he is not seeking the office.

Simmons, a Democrat, stated, "Due to my appointment as clerk of the Appellate Court of the Fifth District, I am no longer a candidate for nomination as a Democratic nominee for senator in the 53rd Senatorial District."

"By way of explanation, I would like to tell all my friends and supporters that the appointment to the Appellate Court position came upon very short notice after the last withdrawal date for the senator primary. It is unfortunate because of the statutes of Illinois regulating elections it is not possible for me to have my name removed from the ballot to be voted in the March 11 primary."

"However, I do not want any of my friends and supporters to vote for me. I would recommend they vote for some other good Democrat of their choice."

On the Republican side, David Mallet, of Collinsville, whose name also appeared on the next Tuesday's GOP ballot, has announced he is not seeking the nomination for health reasons.

## Members of New Club Compete in Dog Show

Members of the Quad-City All Breed Dog Club participated in a Belle City Kennel club sanctioned match this week at Belleville, the first since formation of the local club.

Attending members and their dogs were Mrs. Winnie Buecker, vice-president, and Sieg von Stolz, a German shepherd; Mrs. Rosemary Ficken, historian, and Federal of Edgetowne, also a German shepherd; Mrs. Christine Shaefer and Satan, a Doberman pinscher; and Mrs. Linda Williams and Andy, a German shepherd.

The latter dog scored 195 points as a novice in obedience. Sieg von Stolz was second among five novice entries and Federal of Edgetowne, owned by Ned Landers, was third among American-bred dogs.

Sieg von Stolz, owned by Mrs. Buecker and Mrs. Bonnie Ward, was utilized by Steve Breeze in placing first in the junior handlers boys' division. Bob Becker coached the activity. President Jerry Ficken was unable to attend due to entering St. Elizabeth Hospital for surgery. The club is accepting membership inquiries at 931-5553 and 877-3987.

## Clyde Newman, 67, Dies; Ill 4 Years

Clyde Newman, 67, of Rural Route One, was pronounced dead upon arrival at St. Elizabeth Hospital about 7:30 p.m. yesterday. He had been ill four years and was taken by ambulance to the hospital from home.

A native of Glen Carbon, Mr. Newman had resided here 50 years. He was a retired member of the Teamsters and Chauffeurs Union, Local 525, and was a member of Masonic Lodge 877.

Surviving are his wife, Mrs. Virginia Newman; two daughters, Mrs. June Justice of Granite City and Mrs. Doris Moore of Glen Carbon; two stepdaughters, Mrs. Elizabeth Robbins of Granite City and Mrs. Alberta Dickens of St. Louis; two stepsons, Norman Hicks of Portland, Ore., and James Hicks of Granite City; two brothers, Roy H. Newman of Granite City and William Newman of Redbud, Ill.; one sister, Mrs. Ruby Dirden of Anna, Ill.; and ten grandchildren.

Funeral arrangements are given in today's obituary column.

**SMITH, THOMAS**, 2046 Missouri avenue, entered into rest about 8:30 p.m. Wednesday, March 5, 1969.

Beloved husband of Mrs. Rhoda Jodick; dear father of Mrs. Sally Koester; dear stepfather of Mrs. Georgia Irvin; Mrs. Rozella Nagy and Everett Lore; dear brother of Dr. Harry Jodick and John F. Jodick; dear grandfather, father-in-law, uncle, cousin and brother-in-law.

## Cancer Detection Talk Tuesday: Public Invited

The next session in a series of health programs designed to promote better understanding of different medical complications that can involve individuals is planned for 7:30 p.m. Tuesday in the classroom of the Tri-Cor Medical Building, 21st street and Madison avenue.

The series is being presented by St. Elizabeth Hospital as a community service and the public is invited free of charge.

At Tuesday evening's session, Dr. Hector Zevallos will discuss the topic, "Time and Two Women," to the urgency of early detection of uterine cancer through self examination (the P ap

### Reilly Tar Official To Give Talk Monday

George Neapess, general traffic manager for Reilly Tar & Chemical Corporation's main office at Indianapolis, will be guest speaker Monday evening at the East Side Transportation Forum's industry night dinner meeting.

The meeting will be held at Augustine's restaurant, Belleville, at 8 p.m., and Neapess' topic will be "What's Become of the Magna Carta?" He has been with Reilly Tar since 1948 and is in his 18th year of teaching traffic and transportation at Butler University.

The story describes two women, both cancer victims. One ignored warning signals and saw her doctor too late, the other's early cervical cancer was detected in the course of a periodic check-up.

## MORE ABOUT Negotiators

certainly will not return to work until a settlement is reached.

The union reported the results of voting on acceptance of the contract offer shortly after 10:30 a.m., but said the voting had been done by a "voice vote."

Rejection of the contract was followed immediately by a statement from John C. Baine, president of Transit Services Corp., which operates the Bi-State Transit System. Baine said:

"We are naturally disappointed that the union membership has rejected the proposed contract settlement which was arrived at under the supervision of the federal mediation service. We are particularly disappointed since this settlement was agreed to unanimously by the union officers and the union's international vice-president—all of whom agreed to endorse and recommend it to the membership."

"In view of the fact that the union officials seem to be ineffective in leading their membership to a reasonable settlement reached through negotiation and mediation methods, we repeat our willingness to submit the matter to arbitration."

### Arbitration Required

"In fact, according to the union's constitution and general laws, the union was obliged to submit the matter to arbitration before authorizing a strike—which they failed to do."

"The most important thing at the moment is to restore transit service to the public and bring an immediate end to the hardship this strike is causing to the community."

"This can be done by an agreement to extend the previous contract while arbitration proceedings are carried on, with the understanding that any wage increase agreed upon in the final settlement would be retroactive to the expiration date of the prior contract."

"We have offered this method before and we offer it again with the hope that the union will recognize its responsibility to the public in bringing an end to this unnecessary strike."

Meanwhile, inconvenience due

**TOP BOWLERS IN THE FARM BUREAU Sports Festival** bowling finals held this week in Springfield. They are left to right—John Atkinson, high game of 244; Wilbert Engelke, Granite City, chairman; William J. Kuhfuss, president of the IAA; Shirley Williams, woman's high game of 237 and Glenn Schumacher, whose high games totaled 639.

## Engelke is Chairman of Farm Bureau Sports Fete

More than 450 men and women bowlers from 78 Illinois counties competed this week in Springfield, Ill., in 17 classes in the Illinois Farm Bureau Sports Festival bowling finals.

Wilbert Engelke, Granite City, is the chairman of the Sports Festival's Sports Committee, composed of state and county Farm Bureau people as well as representatives from the University of Illinois.

All 454 participants in the one-day, non-handicapped tournament were first place winners in one of 11 qualifying tournaments held throughout Illinois in February.

The district tournament for this area was held at Bowland Lanes in February.

The Illinois Farm Bureau Sports Festival is sponsored by the Illinois Agricultural Association, the state wide Farm Bureau, and the 99 county Farm Bureaus.

High game in the state finals was a 244 by John Atkinson, Shelby County, High three-game series of the tournament was a 639 by Glenn Schumacher of Alhambra, Madison county.

The biggest blaze of his career occurred at the Granite City Army Depot on Aug. 17, 1964, when an open-sided shed, 180x200 feet in size, caught fire and burned to the ground amid a series of more than 100 explosions involving oil drums and oxygen tanks. Thousands of spectators lined the fences around the Depot grounds as the firemen fought the blaze. Several firefighters were partly overcome by carbon monoxide and other gas fumes produced as the supplies burned and some of the explosions shook homes five miles away and were heard at Alton.

Loss from the fire was estimated at more than \$3 million.

The Granite City department has grown from 14 firemen to 38 at the present time. One of the finest pieces of equipment now used by the local fire-fighting unit is a rescue and inhalator truck, fully equipped and donated by the Granite City Rotary club, the assistant chief noted.

Reporting that he has no definite plans to follow after retirement except "keep out of the way of my wife, Robbie," the veteran officer said that both he and Mrs. Donley like to travel and probably will go on trips later this year.

### More About Eagle Park

to the project, both morally and financially, has been Madison County Sheriff George Musso, Salmond explained.

He said the sheriff has responded to requests for more police protection in Eagle Park by authorizing and deputizing additional special deputies; has attended meetings with community leaders to advise residents how best to cope with increase crime in the area — many committed by persons from outside the community; and has encouraged neighbors to promote a better and safer place to live.

### More About GC Steel

ment, predicted additional benefits from the Pilot Knob iron ore plant in Missouri.

Their report said that "the startup of the iron mine and pellet plant at Pilot Knob, Mo., which we own jointly with the Hanna Mining Co., has been relatively good for a venture of this kind."

"Pilot Knob is expected to operate at about 85% of annual capacity (1 million gross tons) in 1969. Costs have been high at the outset but are expected to come in line by 1970. Then and in subsequent years we should experience progressive reduction in our ore costs."

Continued purchase of semi-finished steel during the remainder of the first quarter will be necessary to supplement the plant production of steel, the report said.

"Although this is costly, the added supply of steel will enable us to satisfy customer requirements and rebuild depleted inventories of in-process materials."

### Soda Sign Struck

A hit-and-run driver struck a soda sign at the D-X service station, 10th and State streets, at 9:35 p.m. Tuesday.

### LOST

### GC Family Seeks Dog That Bit Daughter, 4

Mr. and Mrs. Jim Bevin, 3208 Kilarney drive, are searching for a German shepherd puppy that bit their daughter, Nancy, on Tuesday morning in the vicinity of Palm street.

The dog broke the skin in two places on the four-year-old girl's chest. She was given treatment by a doctor, but the family is required to find the dog to avoid the state taking a series of rabies shots.

The dog is a tan and brown puppy with a collar, Mrs. Bevin said.

Anyone knowing the whereabouts of the dog is asked to call the Bevin residence, 877-5880.

## MORE ABOUT Ceremony Set

more than 50% deteriorated and are hazardous.

They are located at 406 State street owned by Omar Evedy and 1412 Sixth street, owned by Clifford Dunnivan; and at 918 and 910 Alton avenue, owned by an estate administered by Paul Bokowski.

The council authorized 11,000 lumen mercury vapor lights to be installed at Sixth street and Alton avenue, Milan and Farish streets, the rear of the public library, in the alley at Reynolds street and McCambridge avenue and at Franklin and Biased streets.

The Granite City Business & Professional Women's Club was authorized to use the Madison County Center for a private breakfast at 8:30 a.m. Sunday. Tickets are \$1.75 each.

### Kennel Ordinance

Specimen ordinances are to be obtained providing for kennels as an inquiry about the city laws was received from Mrs. Robert E. Bookers, breeder of thoroughbreds. The mayor said eight couples in the city are interested in the activity and participate in dog shows.

### More About Assistant Fire

Chief Earl Fronsbarger and Cook, Elijah King and current Chief Earl Fronsbarger.

Longest Fire—4 Days

Recalling serious fires during his tenure of service, Donley said the blaze at which he spent the longest period of time was in the summer of 1939 when the old Tri-City Grocery Co. warehouse burned, requiring four days and nights to completely extinguish and clean up debris.

He added that Police Chief Emmett Pazia is contacting merchants in the city asking that the police department be informed of any unreasonable persons in their establishments.

### Discuss Shoot-Outs

After receiving a letter from the "Granite City" for Madison county sheriff and former Madison police chief concerning recent shoot-outs in rail yards in the Eagle Park area, Mayor Maeras suggested that Sheriff George Musso call a meeting of area mayors, police authorities and the FBI in an effort to find a solution to the situation.

He said the shoot-outs constitute a danger not only to persons traveling along Route 203 in the area, but also to the residents of the area.

The mayor also noted that he has received complaints from Southwestern Bell Telephone Co. officials of political posters being placed on utility poles and from merchants on the posters being glued to their display windows.

### More About GC Town Budget

ary of \$7680 is set up in the account of compensation of town officers.

### Town Officers Fees

Other items of the town officers compensation account include \$400 for the supervision of general assistance, \$250 in fees for members of the town board and \$200 fees for the town clerk.

Election expense is budgeted at \$3500, while auditing costs are \$1700 and legal fees at \$2400. An appropriation of \$4100 is included for all other expenses and \$2000 is budgeted for contingencies.

Bulk of the general assistance fund appropriation is in the home relief account totaling \$85,000, an increase of \$15,000 over last year's \$71,871. This account includes \$45,000 for food, \$10,000 for clothing, \$10,000 for medical care, \$10,000 for payment of unpaid bills of prior years which is up \$15,074 from last year's \$12,571. This account for the exact amount of the increase in the overall home relief budget.

The new budget sets up \$15,000 for hospitalization in the general assistance fund, up \$3619 from last year. A sum of \$500 is budgeted for institutional care, unchanged from last year; \$500 for transient cases, also unchanged; and \$350 for contingencies, same as last year.

### Administration Cost

Total administration cost of the general assistance fund set at \$25,950, down \$429 from last year's \$26,400. This account includes \$21,000 for salaries, \$1,000 for last year; \$750 for printing, \$1800 for rent, \$400 for furniture and equipment and \$500 for light and water, all unchanged from last year. The budget for janitor service is \$1500, up \$300.

Other items of the home relief account include \$6500 rent, unchanged; fuel \$1000, down \$500; clothing \$200, unchanged; and medical care, \$500, also unchanged.

Possibility that some change may be made in the \$5500 appropriation for elections was indicated in the town board meeting Monday night. A new practice of providing meals for election judges is expected to require additional funds in this account.

The revision is expected to be made in the next town board meeting and will account for a change in the overall budget total.

## Volunteers Plan Finance Drive in Partnership Campaign

A group of about 200 volunteers of the Granite City Partnership in behalf of Mayor Donald Partney in his bid for re-election in the April 1 city election by next week to organize campaign tactics.

The group set up the "Citizens Finance Committee for Don Partney" and strategy for the campaign will be received by mail addressed to the committee, Box 781, Granite City.

Meanwhile Mayor Partney announced reopening of his headquarters at 1308 Niedringhaus avenue, and said literature and campaign information will be available at the headquarters to all persons seeking information as to the issues of the campaign.

The rally was sponsored by a "Citizens Partnership" organization which was formed recently to analyze voting results from Feb. 11 primary election and to develop a strategy for door-to-door campaigning as issues of the mayoralty race develop.

The city election in which Partney and Third Ward Alderman Clyde Boyd will compete for the mayor's office will be held April 1.

During the rally, several hundred dollars were contributed by those attending to start off the financial campaign designed to bolster Partney's candidacy.

Leaders of the group told the volunteers that "we just want to see the city better off. If we allow our city to be sold down the drain and into a political bag, like it was before Partney, we may take years to get it back."

They said further that "we have no gambling or prostitution in Granite City, no payoffs, no crooked courts. We'd better get it back and see what could happen overnight with the wrong administration in power."

## Added Benefits for Disabled Veterans

Illinois veterans who suffered injury or illness in service may be eligible to receive as much as \$10,000 in life insurance in addition to the regular GI policy which they may convert on the basis of their service.

John H. Naser, manager of the Chicago Veterans Administration Region, said:

"This coverage is under VA's National Service Life Insurance program for men with a discharge rating by VA as service connected."

Veterans who wish to continue the group-term Life Insurance they held while in uniform may do so by applying for a commercial policy from one of some 600 companies approved by VA to handle low-cost, converted SGLI policies.

These policies may be converted within 120 days after separation and the policies are in force during this period at no cost to the veteran. The combination of the two programs could give a disabled veteran a maximum of \$20,000 in low-cost life insurance.

More information may be obtained from the VA Regional Office, 2000 West Taylor Street, Chicago, Ill. 60612.

## MORE ABOUT Approval Likely

In October 1968 brought out that the lake has added tourism due to being adjacent to Cahokia Mound State Park, possibly the largest archaeological site in the U.S., and due to its distance of only eight to ten miles by way of Interstate Routes 70-85 from the Gateway Arch, which has been drawing larger crowds than expected.

Park action was described as urgent when taking into account plans for a major airport, additional highway links, I-70, I-55, the 900-acre Madison county industrial park, new housing and population growth.

At that meeting, spokesman for the Southwestern Illinois Metropolitan Area Planning Commission said, "There is an obvious need for additional recreation facilities. Madison, St. Clair and Monroe counties are the lowest among areas of Illinois in recreation space and yet are the second largest in population."

Just the state is lowest in the nation in per capita park space, and yet is the third highest state in personal income.

The horseshoe or crescent-shaped lake, it was noted, was formed by the Mississippi River flowing back and forth below the bluffs during periods when it was overflowing and changing its course thousands of years ago. From an old stream channel of the river, it became a lake after the Mississippi was stabilized in its present location.

### Hit-and-Run Accident

Madeline Epperson, Collinsville, reported at 11:10 p.m. Tuesday that a hit-and-run driver struck the left front of her car while it was parked in the 3200 block of Willow avenue.

## Marine L/Cpl. Potts in Hospital on Guam

Marine L/Cpl. David B. Potts, 20, son of Arley Potts, 1808 State street, has been hospitalized the past week-and-a-half at the U.S. Naval Hospital on Guam, according to word received this week by his father.

Potts said that his son has not yet advised him on the joke when son for hospitalization, other than to report he will soon undergo surgery of some type. "I don't know if David has been wounded, because unless the boys write home themselves to tell their parents the military authorities do not let you know when they sustain only slight injuries and can write," Potts pointed out. "David was in the military hospital at DaNang, Vietnam, for 23 days before being transferred to the Guam hospital," he added.

L/Cpl. Potts was graduated in January 1968 from Granite City high school and enlisted in the U.S. Marine Corps one month later. He has served in Vietnam since July last.

An older brother, Marine Pfc Alvin A. Potts, 23, joined the Marines last May and currently is stationed at Camp Pendleton, Calif.

The father said the Marines are not sending the older brother overseas until David's return. Alvin is a 1964 GCHS graduate, was employed by Tri-City Tobacco Co., before leaving for Marine Corps duty.

Potts received a letter from David this week, mailed from the Guam hospital. Enclosed was a photograph taken of the Marine and actor Sebastian Cabot. "It appears that David has a bandage wrapped around his back and tied at the front," the father noted, adding that he hoped to get further word from the young serviceman in his next letter home.

Friends may write him at: L/Cpl. David B. Potts, USMC, 243463, Ward A-2, U.S. Naval Hospital, Guam, APO San Francisco, Calif. 96369.

## Monroe Tester, 74, Succumbs to Cancer

Monroe Tester, 74, Rural Route Four, Box 374 Edwardsville, died at 12:35 p.m. Wednesday at John J. Cochran Veterans Hospital, St. Louis, of cancer. He had been hospitalized for four months.

Born in North Carolina, he had resided in the Quad-City area for 50 years.

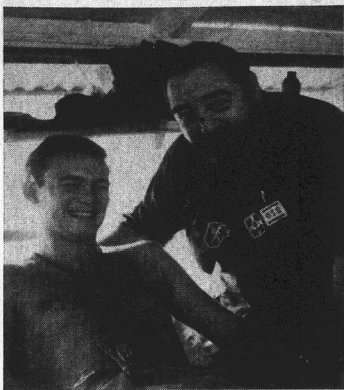

He retired recently after working for 39 years in the shipping department at the Air Reduction Sales in Venice.

A member of the Pontoon Church of Christ, he also was a member of the World War One Veterans Barracks 34 and the VFW.

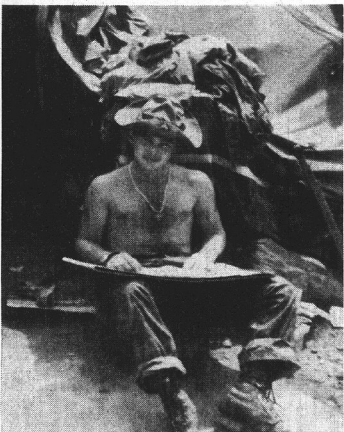

Survivors are his wife, Fannie (Rutherford) Tester; one daughter, Mrs. Pauline Briggs, wife of Nameoki Township Supervisor Harry Briggs; a son, Hubert G. Tester of Granite City; two brothers, Homer Tester of Clinton, Ark., and Grady Tester, Nattag, Wash.; three sisters, Mrs. Ernest (Violet) Amhart of Merton, Ark., Mrs. Bertha Dallaré, Nattag, Wash., Mrs. Edgar (Naomi) Autry of Clinton, Ark., and ten grandchildren.

Funeral arrangements are given in today's obituary column.

ALL THE FISH YOU CAN EAT FRIDAY, 9c AT GRANT'S

**FINAL TOUCHES** to a miniature Christmas tree are made by Marine David Potts. Decorated with gold tinsel and green globes, the tree is surrounded by such equipment of war as grenades, smoke cannister, automatic weapons and inevitable "C" rations. Sign in the front states—"All I want for Christmas is to go Home."

**HOME SWEET HOME** to Marine David Potts, until recently hospitalized, was this bunker near DaNang. Canvas is strewn with rubber ponchos set out to dry by the Marines. Sudden torrential rains hit the area alternating with high temperatures and humidity.

## Salvation Army Board Annual Meeting Set

The Salvation Army Advisory Board annual dinner meeting will be held on Thursday, March 13, at 6:30 p.m. in Niedringhaus United Methodist Church, it was announced this week by Edward Stone, chairman.

Major George Scofield, divisional secretary for the Midland Division, St. Louis will be the special speaker. Entertainment will be provided by local talent and Christmas appreciation awards will be presented.

## Venice Man Added to Circuit Clerk's Staff

Rev. Dan Williams, pastor of the Methodist Church at Venice, has been appointed a clerk in the department of mental, juvenile and criminal cases of the circuit clerk's office at Edwardsville, it was announced today by Circuit Clerk Willard "Butch" Portell.

Rev. Williams is attending the Alton Center of Southern Illinois University-Southwestern campus and is employed on a four-day per week basis in the clerk's office, Portell said.

**FINAL TOUCHES** to a miniature Christmas tree are made by Marine David Potts. Decorated with gold tinsel and green globes, the tree is surrounded by such equipment of war as grenades, smoke cannister, automatic weapons and inevitable "C" rations. Sign in the front states—"All I want for Christmas is to go Home."

## Opposes Income Tax Without Refund to Cities

Illinois should not assess an income tax unless a substantial portion of the revenue is returned to local taxing bodies to abolish personal property tax, relieve real estate taxes, Sam P. Drenovac, Democratic candidate for senator of the 53rd Senatorial District, said today.

Drenovac is one of four Democratic candidates seeking nomination to the senatorial post in Tuesday's special primary election.

In other campaign issues raised by Drenovac, a Chouteau township farm operator, he said he believes workmen's compensation should be revised to take into account an anticipated cheaper dollar and inflationary trends.

## Suggests Highway Phones

He is urging a more rigid law concerning water pollution with local control, and the installation of telephones at five-mile intervals for state and interstate travelers in distress or serious accidents. Such a system would have a central dispatching point and would be for emergency use only, he said.

Also supported by the candidate is legislation that would prevent injured persons remaining in emergency rooms for long periods while their financial responsibility is determined. He said immediate and complete treatment should be guaranteed under such a law.

Drenovac said he also is in favor of revision or repeal of the Firearms Identification act. "I am for state government which will cooperate closely and sympathetically with labor management, the people of Illinois and the Legislature in carrying out beneficial programs and all other state business," Drenovac said.

He said the problem can arise when a married taxpayer filing a joint return uses the tax table for either married couples filing separately or for single persons. Single taxpayers are also using the tables for married taxpayers by mistake.

There are separate tax tables for single persons, married persons, married couples filing jointly and married couples filing separate returns. To avoid mistakes, use the right one, Philpott urged.

Computation from the wrong tax table and errors in computing the tax surcharge result in the wrong tax due. Some, as

## Wrong Tax Table, Bad Arithmetic Top Errors

Over 3600 taxpayers in the Springfield district have used the wrong tax table or rate schedule so far this year in computing their 1968 federal income tax.

Not only have refunds been paid but many have overpaid their income tax as a result, Jay G. Philpott, Internal Revenue Service director for central and southern Illinois, reported this week.

He said the problem can arise when a married taxpayer filing a joint return uses the tax table for either married couples filing separately or for single persons. Single taxpayers are also using the tables for married taxpayers by mistake.

There are separate tax tables for single persons, married persons, married couples filing jointly and married couples filing separate returns. To avoid mistakes, use the right one, Philpott urged.

Computation from the wrong tax table and errors in computing the tax surcharge result in the wrong tax due. Some, as

result of the error, receive a smaller or larger refund; others receive a bill for additional tax.

Another major reason for refund delay is the failure of taxpayers to attach their correct Social Security number, he added. So far this year, 696 refunds have been delayed in the Springfield district because of incorrect or missing Social Security numbers.

Other refunds are being held up for a variety of other errors or failures to follow the instructions mailed to each taxpayer with his return.

So far, errors in arithmetic are causing delay in sending refunds to 822 taxpayers in the Springfield District.

Up to last week, tax returns filed totaled 536 without signatures, including those of husband or wife on joint returns. These have to be sent back to the taxpayers before refunds can be processed.

Philpott said 120,543 taxpayers in the Springfield district have received refunds totaling \$22,573,425 since January.

## Plans Completed for Skating, Square Dance

The West Granite Youth Development group met Monday at the Washington school with the vice-president Freida Hurst in charge.

Final plans were made for a skating party at the Stopkotte roller rink from 7 to 9 o'clock this evening, and for a square dance at the park rink-pavilion May 19. Also on the agenda is an Easter egg hunt April 4.

A brief resume of the park district activities for the coming summer were discussed by Harold Brown, park superintendent, and rules for entering baseball teams, both Little League and Teenage, were explained. The group is making plans to sponsor teenage teams and 9-11 age boys. A date has not been set as yet but the boys will be notified through their schools when tryouts will be held.

## Engineering Master Degree to Edw. Yencho

Edward A. Yencho, 2571 Waterman avenue, has completed academic requirements for a master degree in engineering administration from the Washington University Sever Institute of Technology, he has just been advised. Official awarding of the degree will take place at the annual commencement ceremony June 9.

Yencho is a graduate of the University of Illinois, holding a bachelor of science degree in mechanical engineering. He is employed at the world headquarters of Monsanto Co., Creve Coeur, Mo., in the Central Engineering Department.

## Promoted in Vietnam

Jack L. Focht, 23, whose wife, Nina, lives at Kaseberg Park, has been promoted to Army specialist four while serving as a bucket loader with the 8th Engineer Battalion near Binh Thuy, Vietnam.

## Driving Charge Filed

Jackie R. Mitchell, 1723 State street, was charged with careless driving at 12:45 p.m. Tuesday in 18th street and Madison avenue.

## Committee Jobs For Cong. Price

Representative Melvin Price (D), 24th Illinois District, was selected again as chairman of the important House Armed Services Military Air Lift Subcommittee this week.

At a House Armed Services committee organizational meeting, Congressman Price also was picked to again serve on the Central Intelligence Agency and the Service Academies subcommittees.

Under Representative Price's chairmanship, the Military Air Lift subcommittee has pressed for modernization of the air lift fleet and has been instrumental in the development of new air lift capabilities.

Congressman Price is the fourth ranking member of the full House Armed Services committee.

## Schellenger to Support Boyd In Mayor Race

Waldo E. Schellenger, in announcing today his support of the mayor candidacy of Clyde "Boss" Boyd in the April 1 Granite City election, said the vote "is too important to my friends and supporters and to the people for me to just remain silent and vote on election day."

Schellenger ran third to Boyd and Mayor Partney in the February primary.

"My prime reason for supporting Boyd is that he has made it known through our local press that he will work for harmony in our city government if he is elected mayor," Schellenger said.

"His opponent has publicly stated that he feels it is impossible to have harmony in our city government with 16 aldermen. Since my entire campaign is based on returning harmony to our city government, this would be reason enough to support Boyd."

Mayor Partney merely points to his past efforts of 1967 and offers little hope that this overpass will be completed if he is re-elected to another four-year term.

"My final reason for supporting Boyd is one I feel very strongly about. It is the reason Mayor Partney gives for not being able to provide citizens with good leadership. He insists that there is something evil in creating and maintaining a good, workable relationship with our aldermen."

"He suggests that those who oppose him are bad and that he is good. His strong, stubborn attitude, coupled with statements that he can get along with others until they ask too much, throw a heavy cloud over the heads of each of our aldermen."

"Partney has not accepted the fact that he seeks support from the same people who elected these 16 aldermen. Perhaps he believes that the general public, which takes time to vote for these 'bad' aldermen, is corrupt."

## Sever Bond Retirement

"I noted during the campaign that Partney insisted the Nameoki sever bonds should not be retired until 1980, whereas Boyd stated correctly that these bonds could be retired by June 1, 1974, saving the people who are paying Nameoki sever bills more than \$870 each."

"I believe that most people are surprised that our country has grown strong because the majority rules. I do not believe that our next mayor should assume that he is the sole voice of all the people of Granite City."

"We need a mayor who will encourage aldermen to fulfill present the wishes of their constituents at our council meetings. I sincerely hope that Boyd will move in this direction, and I ask those who supported my candidacy to continue to support him for joining with Boyd in his effort to become our next mayor."

"I believe we can depend on Boyd's desire to make Granite City a better place in which to live, work and raise our families," Schellenger said.

## Unauthorized Wiring Repair Work in Area

Illinois Power Co. has not authorized or requested any persons or organization to inspect homes in its behalf. It was announced yesterday by Carl E. Mathias, the utility's manager in the Granite City service area.

The company has received reports that men driving a white station wagon claim to be electrical inspectors for the state of Illinois. They tell homeowners that Illinois Power requested that they make any electrical inspection of their premises. They gain entry to the home allegedly make repairs and try to collect a fee from the homeowner, Mathias said.

"The men have been active in Bathol and Glen Carbon but could be operating anywhere in the Quad-City area or beyond, Mathias said. He emphasized that the utility has not authorized anyone to use its name for any solicitation or work of this kind."

Mathias said that the company's own employee inspect home wiring in order to recommend improvements in the electrical or lighting system, but only at the homeowner's request. Mathias said. Moreover, company employees make recommendations; they do not perform the work.

## Birds Arrival May Foretell Early Spring

Mrs. Jerry Slack, 4116 Melrose avenue, and enthusiastic bird-watcher, reported Tuesday that despite last week's moderately heavy snowfall, spring birds are too far away as the sands of migratory birds returned to this area last weekend.

Mrs. Slack said that while she and her husband were driving in the vicinity of Horseshoe Lake last weekend, "the sky suddenly became black with thousands of birds, such as Bob-links and blackbirds. In fact, the sky was darkened by masses of flying birds for almost 30 minutes," she noted.

Most of the birds roosted in trees alongside the lake or settled on the ground—"all of them singing and chirping happily," she commented. Mrs. Slack also said that five robins gathered in her yard at one time this week and many more birds than usual surround the feeders. "This is a sure sign that spring weather is imminent," she predicted.

According to the local women's calculations, return of the birds to this area was within one week of their arrival here last year.

## Erns in Parking Auto

Karen L. Corbett, 2902 Bixton avenue, reported that at 12:30 p.m. Tuesday the right side of her auto was damaged as she was pulling into a parking space at the Nameoki Village shopping center and hit the left rear fender of a parked car. There was no damage to the other car.

## Khouri Deadline At Mitchell On Monday

Boys interested in playing Khouri League baseball in the Mitchell Athletic Club program are to report to the Mitchell school gym March 10 for registration, if they have not already done so.

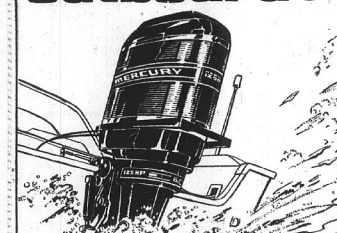

The program is for boys aged 7-15 (16th birthday must be after 1969 calendar year). Cecil Hampton reports "we had about 70 sign up, but we think that because of the bus strike many did not sign. This will be the last chance for a boy to register and pay his \$2 insurance fee."

## 'Y' Soccer Players, Managers Sought

Ruben Mendoza, athletic director for the YMCA Soccer Association, said today that there is a need for two or three new managers to take over seven-year-old soccer teams for the spring season.

There is also a need for boys aged 7-13 to call the YMCA, if they are not already on a team and want to play in the spring season. Interested boys may call Mendoza at 876-1784 or the YMCA at 876-7200.

# Who's got the most outboard?

# We do.

New 125-hp motor. STILL the most powerful production outboard. STILL the fastest. STILL the most advanced design... a six-in-line. STILL more hp per cubic inch, per dollar, and per pound. STILL more miles per gallon. STILL fastest, hottest ignition system. Thunderbolt. STILL most dependable. Merc Seves hold the world's endurance record, 50,000 miles.

Most corrosion resistant. Built of a special new aluminum alloy, "2A," most corrosion-resistant ever, yet 40% stronger than alloys used on competitive engines. Special new 4-coat baked enamel finish goes farther to prevent paint failure than anyone's ever gone before.

Full Mercury silencing, including Jet-Prop exhaust, sound-insulating coil suspension, sound-absorbent cowling, and sound deadening "wall of water" jacket surrounding the exhaust tube.

Most expensive. Some people won't settle for anything less than the best. Come in soon and see our new 125-hp Mercury... it's the most outboard anywhere!

## Thompson, Benson Bolster Outlook For Second SIU-SW Baseball Season

Southern Illinois University's Southwestern campus will play a 16-game varsity baseball schedule this spring, head coach E. Lee has announced.

It will be the Cougars' second season of intercollegiate baseball competition. They posted an 8-5 record in their inaugural season.

Before the regular season opens March 28 in a double-header against Winona State of Minnesota, the Cougars will travel to Florida for a spring training trip on which they will play nine practice games, opening with a single game with Jacksonville (Fla.) University March 17. The Florida trip will be an eight-day swing during the spring vacation period.

### Oppose Area Universities

Other schools on the regular SIU-SW schedule are University of Missouri at St. Louis, McKendree College, Greenville College, Concordia Seminary of St. Louis, Washington University, Southwest Missouri State University, Springfield, St. Louis University and MacMurray College of Jacksonville, Ill.

Twinbills will be played with Winona State, Greenville, South Missouri and MacMurray. Five games will be played away from home.

Coach Lee has nine letterman back, including the Cougars' captain Bob Reichert, a catcher from Belleville West who hit .361 for SIU-SW last season. Back, too, is the team's runner-batted-in leader last year, East Alton's (Roxana high) Gary Collins, who should be in excellent shape; he has just completed a rugged 17-game season as a member of the Cougars' basketball team. Collins is the Cougars' first baseman.

Reichert and Collins, along with pitcher Bruce Thompson, Granite City, are the team's only seniors.

### Benson Batted .438

Coach Lee will be counting heavily on four sophomore lettermen. Third baseman Mike Scroggins of Roxana hit a solid .357. Second baseman Alan Weber's brilliant defense played more than made up for his .167 hitting average. Weber is from Edwardsville. Centerfielder Carl Benson of Granite City hit .438 and led the team in triples. Right-hander Don Pos of Edwardsville pitched four victories and two losses and held the squad's best pitching record. He throws right-handed.

### Two Juniors, Alton's Dan Weaver and Waterloo's Dennis Pieper, round out the roster of returning lettermen. Weaver, leftfielder, hit .341 while Pieper, infielder-outfielder, batted .286.

### Will Play Met Rookies

Coach Lee expects about 40 freshmen and transfers to report for practice drills to round out the team.

The SIU-SW baseball schedule: Spring vacation games: March 17, 18, single games with Jacksonville, Fla. University; March 20, Kent State at Jacksonville, one game; March 21, Tampa University; March 22, Tampa University; March 23, New York Mets rookie club, at St. Petersburg; and March 24, Valdosta State, Valdosta, Ga.

Regular schedule: March 28, Winona State, Minn., two games, 1 p.m., at SIU-SW; April 5, at University of Missouri—St. Louis, 1 p.m.; April 9, McKendree College at Lebanon, Ill., 3:30 p.m.; April 16, Washington University at SIU-SW, 3 p.m.

April 19, Concordia Seminary, at St. Louis, 1 p.m.; April 23, McKendree College, at SIU-SW, 3 p.m.; April 28, Southwest Missouri State, two games, at SIU-SW, 1 p.m.; May 2, Washington University, at St. Louis, 3:30 p.m.

May 7, St. Louis University, at SIU-SW, 3 p.m.; MacMurray College, at SIU-SW, two games, 1 p.m.; University of Missouri—St. Louis, at SIU-SW, 1 p.m.

## Essington Playmaker, No. 2 Cougar Scorer

Richard Essington of Venice was a key performer in the 1968-69 SIU-SW basketball season, in which Coach Harry Gallatin's squad compiled a 7-10 record. It was the school's second year in intercollegiate cage competition.

The season's final statistics tell a graphic story of rapid improvement in the Cougars' play in the last half of the season. Alton's Bernie Pitts was the team's best percentage shooter with a 19.65-points-per-game figure over 16 games. He missed one game because of illness, but poured in 318 points. Essington had a 17.65 per game average with 290 points in 16 contests as well as serving as a floor general.

Top at the free throw line was John "Dusty" Gregory of Belleville, who finished with .778 on 81 good ones in 104 attempts. Next at the charity line for the first five was team captain Tom Dahneke with .760.

Gregory, who has another season to play, topped rebounders with 193, but not far behind was Pitts with 165 in one less game.

### Torrid Stretch Drive

At mid-season, Essington was hitting at a 12-points-per-game average against his final 17.05 mark. In the final stretch drive, Pitts lifted his shooting performance from a mid-season 16 point figure to nearly 20 points a game.

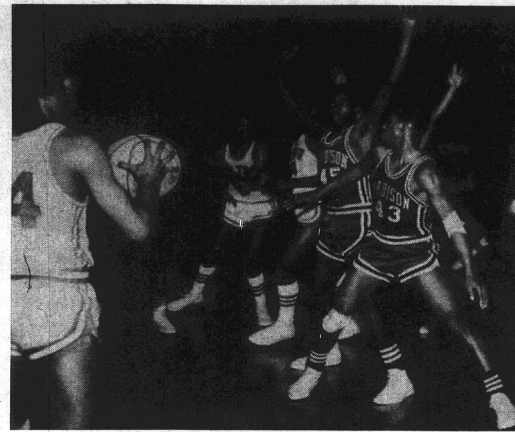

Brightest part of the overall picture for Gallatin's team, aside from the obvious one of the squad jelling as a unit late in the season, was its brilliant performance at the free throw line. The SIU-SW shooters hit a robust .687 at the charity line compared to their foes' .502 mark.

Not showing up in the season's statistics but nevertheless a vital element was the presence of a team captain Tom Dahneke with .760.

### Horses on Prather Track Cause Hazard

Coaches at Prather junior high school are asking that all horses be kept off the track. Horses have been ridden there, leaving holes in the track two and three inches deep—a serious hazard for the track team and boys' physical education classes.

The track was smoothed out for the coming season last week, but now the whole job will have to be done again, the coaches said this week. With the present condition, it would be easy for a boy to trip in one of the holes and sprain or break an ankle, they added.

## WHERE TO THROW IT?

Creating the dilemma for Alton are Madison defenders John Ervin (43) and Oscar Hagler (43) in action at the Wood River Regional basketball tournament Tuesday. The Red Birds won 100-70. Throwing in the ball is Jerry Hagler, and breaking for positions are Larry Hardimon (left) and John Mills.

In the lower scene, Terry Burth (40) goes for an unneeded rebound as Alton seniors. Others in on the play are Madison's Dave Hutchison (21), Tom Noel (35) and Jim Scott (35). Other Alton players are Hardimon (10) and Mike Jeffries in the center.

## Park Mat Tourney Competition Stated For Coolidge School

The Granite City park district will host its third annual invitational wrestling tournament Friday and Saturday at Coolidge junior high hosting Hazelwood, Florissant, Ferguson, St. Charles, River View, Country Day and ABC of St. Ann.

The tournament will feature 108 boys wrestling in 11 weight divisions. These are 56 pounds, 62, 68, 75, 85, 95, 105, 115, 125 and heavyweight.

Boys who have not reached their 15th birthday and are not yet in the ninth grade are eligible to compete in these places. The meet will begin at 6 p.m. Friday and continue through the quarterfinals. Semi-finals and finals will be completed starting at 1 p.m. Saturday.

Medals will be given for first second and third places in each weight class. First and second place trophies, as well as an outstanding wrestler trophy, will be awarded.

## Auxiliary Proposed For Little League

The Nameok-Pontoon Little League will hold its first baseball meeting of the year at 7:30 p.m. today at the Long Lake fireman's hall to organize a women's auxiliary.

John Slay, league president, said, "All interested ladies are invited to attend." He added that the first managers' meeting will be held later this month, but the date has not been decided.

## Picture Window Broken

William Hutchinson, 2629 East 25th street, reported at 8:40 p.m. Wednesday that a rock was thrown through a picture window of his home. A smaller window was cracked. It was reported that some youngsters in the area were using sling shots at the time.

## Cougar Golfers Include 2 Granite City Students

Coach Bill Brick's SIU-SW golf team will play a 13-match schedule this spring, opening on the road at Carlinville against the Blackhawk Cougars Beavers on Tuesday.

The SIU-SW golf team posted a 6-3 season in 1968, its first year in intercollegiate competition. The Cougars' home course will be the Sunset Hills Country Club.

Two Granite City students could play key roles in the golf picture this season. They are Curtis "Chip" Green and Carl Fuller.

Green's chances are very bright, indeed. While just a freshman, he has posted rounds of 67, 62, 63 and 64 on the team's home course. And his knowledge of the course should help.

**PRE-SCHOOL SNOWMEN** prepare to go on-stage at the GC park district's "Winter Carnival" event Tuesday. The foursome from left are Lane Winters, Darla Tilson and Shannon Bushue. Whether from shyness or too large a hat, the little boy appeared half-masked and was not identified.

**CONCENTRATION** is reflected on the faces of those second and third grade baton twirling students who performed "Squeeze, The Happy Clown," one of three twirling numbers viewed by parents and friends attending the Granite City park district's "Winter Carnival."

## 1800 Attend Park District Winter Carnival

One of the largest crowds to view a "Winter Carnival" production of the Granite City park district jammed the local high school's Memorial Gymnasium Tuesday evening for the ninth annual presentation of the show.

More than 1800 spectators and 450 participants filled the gym for the two-hour program, which opened with 160 pre-school-age youngsters singing songs, dressed in costumes depicting the four seasons.

Spotlighted during the evening's entertainment was a free throw basketball tournament featuring competitors representing park district basketball cen-

ters where they won championships in earlier contests.

Third and fourth grade winner was Barry Watson, Nameoki center, with Keith Champion, Coolidge, and Lynn Harris, Prather, taking second and third, respectively.

Kurt Champion, Coolidge JHS center, was winner of the fifth and sixth grade contests, with Rick Jennings, Nameoki center, second and Tim Mank, Prather, third.

Other carnival highlights, included baton twirling exhibitions, under the direction of Misses Marilyn Champion and Barbara Brandt; gymnastics and tumbling, supervised by Bruce Thompson, Donna Fleck,

Charlene Thompson and Connie Beorra; and wrestling skills led by Tom Skubish and William Hodge.

Mrs. Ruby Mayberry and Mrs. Rosemary Linder directed the pre-school program; while square dancers were led by Mrs. Helen Bjorkman and Miss Deborah Scaturro. The basketball sequence and contest was supervised by Ron Dillard, Al Sonnenberg, Norman Martinez and Larry Williams.

Also on the program were women who attend "Silmette" classes at Niedringhaus school each week who presented a physical fitness and free exercise routine to records under the direction of Mrs. Bjorkman.

**STEPPING OUT** to "Sweet Georgia Brown." Granite City park district square dancers show their paces to spectators to conclude the "Winter Carnival."

VISIT AT ARMY BASE

Mrs. Katie Anderson drove to Fort Leonard Wood, Mo., Sunday to visit her husband, James, a new Army recruit. She was accompanied on the trip by her sister-in-law, Judy Anderson, and by Wynona Flaugher and Mrs. Ruth Hunter. They stopped

for a short visit at their farm home at Dixon, Mo., on the return trip.

Mr. and Mrs. Grant Harbison and son, Darrell, were weekend hosts to his brother and sister-in-law, Mr. and Mrs. Harold Harbison and children, Brad and Karen, formerly of Rockford, Ill., and now moving to West Plains, Mo., where he is to open a garage and welding shop.

Mr. and Mrs. Grant Harbison accompanied them to West Plains Sunday and visited the parents of Mrs. Harold Harbison, Mr. and Mrs. William Ehrhardt, and her brother and sister-in-law, Mr. and Mrs. Duard Ehrhardt and children, Mike and Lisa Ellen, and aunts and uncles. All had dinner with Mr.

**Girl, 17, Threatens To Jump from Roof**

A 17-year-old Missouri girl threatened to jump off the roof of the Black's bakery building, 20th street and Delmar avenue, at 12:20 a.m. Tuesday but after a period of time police officers talked her into coming down from the two-story structure.

She first insisted that the officers leave. It was determined that she was a ward of the state of Missouri and was returned to a mental institution there yesterday.

and Mrs. Ehrhardt before Mr. and Mrs. Harbison returned home late Sunday night.

## Chouteau Township Budget Hits \$155,225

Chouteau township officials have posted a new 1968-69 budget and appropriation of \$155,225, an increase of \$12,765 over that of last year. The budget will remain on public display until March 25 when it will be subject to approval in a public hearing.

While the increases in these two funds represent an overall raise of \$14,465, part of the boost is offset by slight reductions in the appropriations of road and bridge fund accounts.

Highway Commissioner James Estes posted a budget of \$41,750 for the regular road and bridge fund, down \$700 from last year; a permanent road fund budget of \$40,500, down \$1000 from last year, and an equipment and building fund appropriation of \$10,000, unchanged from last year.

The town fund appropriation includes \$21,775 in salaries for town officers, an increase of \$275 over the \$19,400 appropriated last year. Cost of elections is budgeted at \$900, unchanged from last year. Other town fund items include town officers' expense of \$750, legal fees of \$500, cost of officers' bonds, \$300, and a \$500 contingent fund.

In the general assistance fund, the bulk of the increase is in an appropriation of \$19,100 for home relief costs. Last year's budget for this purpose was \$11,600. The budget for hospitalization is set at \$6500, unchanged from last year, while \$150 for transient cases and \$300 for burials also are the same as last year.

**List Administration Cost**

Administration costs in the general assistance fund are budgeted at \$4200, up \$300 over last year's \$1600. This account includes \$3000 in salaries, \$200 for printing, stationery and other office expense, and \$1020 for office rent.

The road and bridge fund ap-

propriation of \$41,750 includes \$3700 for maintenance, down \$800; \$14,000 for road oil, up \$12,000 is for labor, \$3000 for \$1000; \$2850 for administration, supplies and \$10,000 for oil. An up \$2850; \$3000 for machinery appropriation of \$11,000 is set for repairs, unchanged. A \$1500 up in this fund for road item for weed control is in improvements and maintenance, unchanged. This is up \$1000 over the \$1000 of the account budgeted for labor cost. Administration expenses are set at \$300.

The permanent road fund of

## Lloyd Rains Promoted By Union Electric Co.

Lloyd A. Rains, 510 East 24th street, has been named maintenance foreman at the Labadie plant, of Union Electric Co. It was announced this week by Forrest Marsden, District Manager.

He had been plant mechanic machinist at the Vevian plant where he has been assigned since coming to the utility in 1949.

MRS. LUCILLE SOBZAK  
4280 Highway 162  
931-2711

### CUB PACK 10 BANQUET

Cub Pack 10 held its blue and gold banquet Monday evening at the Pontoon Beach Church of Christ.

Each cub read an essay he had written about "American and what it means to me." Each received a scout pencil. Floyd Jordan presented the pack with a scouting display award. Assistant dinner badges were presented to Scott Patterson and Mike and Danny LeBrun, and bear rank was awarded to Scott Winters.

Guests included Mr. and Mrs. Jordan and children, Mr. and Mrs. Otto Kreher and son, Danny, and Luther Perine; the latter provided entertainment in the form of a magic act.

Danny Kreher received scout brads, and the cub scouts presented a play on America and democratic rights.

Cubs present included Dennis McCaslin, Don McNew, Scott Patterson, Scott Winters, Mike and Danny LeBrun and Scott Matyas.

Other guests were Mr. and Mrs. Lowry Sutherland and children, Mrs. Betty McCaslin, Mr. and Mrs. Rene LeBrun and daughter, Denise, Frank Matyas, Mr. and Mrs. Don Patterson and son, Ricky, Mr. and Mrs. Don McNew and daughter, Lauri Ann, Mrs. Ruth Winters and daughter, Kara and Dawn, and Kevin Perine.

### BREAKS ARM IN FALL

Rosie Liebald, 4281 Highway 162, is recovering at home from a right arm fracture suffered in a fall Tuesday evening.

Mrs. Silvia Ireland, 14 Lakeview drive, received a telephone call Monday evening from her son, Pfc. Mike Ireland, via satellite from Pleiku, Vietnam.

Boy Scout Troop 23 met Tuesday evening at the Long Lake firemen's recreation hall with Scoutmaster Leonard Barron. First-aid was studied and a board of review will be held at the next two meetings, followed by a court of honor.

Camping and a chicken fry were discussed by Roger Yokley, Carl McKay, Eddie Ophich, Dave Senior, Don Shup, John Harper, Danny Kreher, Pete Fournier, Danny Daigler and Roger Daigler.

### TROOP TO ATTEND CHURCH

Brownie Troop 254 made leprechaun puppets and also learned to the knot Monday evening at the home of the leader, Mrs. Margaret Potter, 4229 Marigold drive. Mrs. Dorothy Copeland, co-leader, attended.

Girl Scout Week plans were made, including attendance at church Sunday in uniforms. Present were Rhonda Cline, Carol Gargano, Lorraine Luehmman, Paula Cook, Connie Lewis, Kathy Wilson, Robin Lewis, Bobby Becker, Ruthanne Hayes and Peggy Potter.

### BIRTHDAY SKATING PARTY

Mr. and Mrs. Robert Littlejohn, 18 Lakeview drive, entertained with a skating party Sunday at the Stardust rink in honor of their son, Eddie, on his eleventh birthday.

Present were Sandy and Joey Stein, Tony Culbert, Brenda Hayes, Joe Place, Robin and

Billie Howard, Debbie Mills, Jackie Rahulski, Tony Bennett, Gary Forrest, Diane McGee, Mike Taylor, Stephen Simpson, Charles Taylor.

David Howell, Todd Recar, Pauli Milan, Timmy and Earl Luehmman, Vicki Place, Steve Gardner, Kenny Siebert, Gary and Olga Smith, Daniel Boone, Patty Meszaros, Mary Deatherage, Dorothy Herman, Vicki Marcus, Charlene Kennerly, Rex Henley.

Bobby and Caroline Hayes, Debbie Slavin, Richard Bredon, Paula Meszaros, Greg Adams, Kim Bennett, Donnie Agiles, Mark and Tammy Recar, Ricky and Mark Voss and Linda Grobeink.

Also attending were the honoree's grandparents, Mr. and Mrs. Ralph Littlejohn; his uncle and aunt, Mr. and Mrs. Arthur Grissman and their children, Carla and Art, his brothers, Bobby and Rudy, and his sisters, Debbie and Vickie.

Games were played, with prizes awarded to winners. Refreshments were served and gifts were opened.

### ENTERTAINS CLUB

The July Six club met Tuesday evening at the home of Mrs. Jettie Lassen of Fourth street. Prizes went to Miss Lona Lassen, Mrs. Lucille Sobzak, Mrs. Pat Dorich and the hostess.

Refreshments were served to the winners and Mrs. Marie Stawar and Mrs. Geneva Kouch. Miss Lassen will be the hostess in two weeks.

### KATHY SANDS HONORED

A surprise birthday party was held Sunday afternoon for Kathy Sands on her 14th birthday, given by her sister, Betty Sands, at 4477 Highway 162. Decorations were in blue, with a large decorated birthday cake

## Tri-City Park

MRS. LEOLA TUCKER  
1234 Edwardsville Road  
976-722

### HOME AFTER SURGERY

Ray William Foster of Namecki United Methodist Church is home at 2013 Adams avenue, recuperating from surgery at the Jewish Hospital.

Rev. Charles Hill, chaplain at Alton Memorial Hospital, will substitute for Rev. Foster at Sunday's services.

### BRIDGE WINNERS

The Granite City Duplicate Bridge club held a weekly meeting in the home of Mrs. Helen Meyer, 2832 Yale drive, Sunday evening.

Prize winners were Mr. and Mrs. Al Lanahan, first place, with ties for second and third place by Mrs. Helen Todd, Mrs. Bernice Grzesk, Mrs. Beverly Justn and Mrs. Helen Meyer.

Members of the Namecki Duplicate Bridge club met in the home of Mrs. Nancy Montgomery, 4804 Sara avenue, Tuesday evening.

Mrs. Shirley Schwendemann, teacher, opened the meeting with prayer. Mrs. Edna Woods, secretary, presented a report, followed by a discussion of a new program and ways the class could be of service.

All members are to make an effort to attend a Madison County Association personal witnessing institute at Calvary Baptist Church here March 17 and 18 from 7 p.m. to 9 p.m.

### ASSOCIATION TO MEET

The United Presbyterian Women's Association held an executive board meeting Tuesday evening at Namecki United Presbyterian Church with Mrs. Jean Lybarger, president, in charge.

Plans were made for "World Day of Prayer" Friday at the church, with other denominations to attend.

### JOY RANDOLPH TO SPEAK

At Sunset Hills Kick-off

Ray Randolph, who has been broadcasting N.B.C.'s World Series of Golf, will be the guest speaker at Sunset Hills Country Club's men's kick-off dinner on Wednesday, April 2. A large turnout is expected.

Randolph, who is nationally known for his sports casting, is a golf enthusiast. For the coming baseball season, he will handle the pre-game and post-game shows of Cardinal telecasts.

### Collide in Madison

Robert H. Scott, 434 Lincoln street, Venice, reported to Madison police at 11 a.m. yesterday that his car sidwiped a parked car while he was parking in the 1400 block of Fourth street. The owner of the parked car was not identified.

### GOLDEN CIRCLE MEETS

WITH MRS. MONTGOMERY

The Golden Circle of Suburban Baptist Church met in the home of Mrs. Nancy Montgomery, 4804 Sara avenue, Tuesday evening.

Mrs. Shirley Schwendemann, teacher, opened the meeting with prayer. Mrs. Edna Woods, secretary, presented a report, followed by a discussion of a new program and ways the class could be of service.

All members are to make an effort to attend a Madison County Association personal witnessing institute at Calvary Baptist Church here March 17 and 18 from 7 p.m. to 9 p.m.

### YWA STATE CONFERENCE

Miss Betty Jackson, 2825 Iowa street, Miss Diane Means, 2324 Cardinal court, Miss Arlene Pickard, 2904 Hodges avenue, and Mrs. Shirley Schwendemann, leader, of 249 Levee avenue, returned home Sunday afternoon after attending the Illinois Young Women's Auxiliary conference at the First Baptist Church in Salem.

Special classes and programs were presented, with missionaries from Nigeria, Japan and India speaking. At the luncheon banquet, Mrs. Frank Baugh discussed mission work in Tanzania.

### Members of the third to sixth grades assembled Sunday evening at Namecki United Methodist Church with Mr. and Mrs. Jerry Ashby and then attended a program by the junior, youth, men's and church choir.

### MISS RICHARDSON HONORED AT SHOWER

Miss Judy Richardson was honored with a bridal shower given Sunday afternoon at the Community center by co-workers at the Army Depot. Mrs. Glenda Davis and Mrs. Helen Testerman.

Games were played, with prizes awarded. Gifts were placed on specially arranged tables decorated in turquoise and white, which the bride-to-be has chosen for her wedding theme. A decorated umbrella and bride doll centered the table, with streamers draped to complete the adornments.

Guests were seated at long tables, with a buffet-style luncheon served. Assisting the bride-to-be, Marlyn Gonterman, and Mrs. Nancy Norton. A "bouquet" was formed from ribbons on the gifts.

Others present included Mesdames Dorothy Messinger, mother of the bride-to-be, Marie Ashford, Mary McLean, Ann Kovach, Margaret Eck, Eleanor Wooten, Arlene Robertson, Pauline Barry, Chris Gorman and Betty Atkinson.

Miss Richardson has set a tentative date of April 28 when she will be married to Sgt. Michael Chandler at St. John's United Church of Christ. He is stationed in Thailand and is expected home early in April. He is the son of Mr. and Mrs. Charles Chandler, Rural Route One.

### MARYVILLE PT. WILL HOLD SPRING GALA

A PTA executive board meeting was held at Maryville school Tuesday evening, with ten members present.

Guy Lahr, president, presided with reports given by Mrs. Betty Warren, secretary, Harold Brandon, treasurer, Mrs. Mary Church and Mrs. Mary Stovall, yearbook, Mrs. Jo Ann Hand, membership, Mrs. Jeri Copper, ways and means, Mrs. Susan McGannon, publicity, and Principal Jack Mulach.

A guest, Junior Lindeiser of Marion, Ill., discussed plans with the committee for a cotton candy machine to be used at the school picnic.

The annual school picnic for students will be held May 20 at the school grounds. Plans were made for a "Harper Valley PTA" gala, including a cakewalk, style show, play, dances by the Checkerboard Squares and refreshments.

All prospective school board members were invited to attend the next PTA meeting and present brief talks.

Visitors K. Laughlin will be guest speaker at the meeting March 25. He is from the state education office in Springfield and will present a talk on independent study groups at Maryville school.

Prizes will be awarded to the room with the largest percentage of parents joining the PTA. Announcement was made that there are 336 members.

Refreshments will be served by PTA room mothers.

John C. Baine, chief executive officer of Bi-State Transit System

"We are naturally disappointed that the Union membership has rejected the proposed contract settlement which was arrived at under the supervision of the federal mediation service. We are particularly disappointed since this settlement was agreed to unanimously by the Union officers and the Union's International vice president—all of whom agreed to endorse and recommend it to the membership.

"In view of the fact that the Union officials seem to be ineffective in leading their membership to a reasonable settlement reached through negotiation and mediation methods, we repeat our willingness to submit the matter to arbitration. In fact, according to the Union's Constitution and General Laws, the Union was obliged to submit the matter to arbitration before authorizing a strike—which they failed to do.

"The most important thing at the moment is to restore transit service to the public and bring an immediate end to the hardship that this strike is causing to the community. This can be done by an agreement to extend the previous contract while arbitration proceedings are carried on, with the understanding that any wage increase agreed upon in the final settlement would be retroactive to the expiration date of the prior contract. We have offered this method before and we offer it again with a hope that the Union will recognize its responsibility to the public in bringing an end to this unnecessary strike."

## Levee District Operating On Borrowed Funds

The East Side Levee and Sanitary district began operating on borrowed funds during February and had a cash balance of only \$2232 as of March 1, levee board Treasurer Thomas Staisoff reported to the board of trustees in regular meeting yesterday.

The report showed \$100,000 in anticipation warrants were sold to the Bank of Cahokia last month to help pay \$138,226 in February operational expenses. Ben Campbell, chief clerk, said that virtually all tax monies due the district from collections in 1968 have been received and that the district faces a "tight financial picture" until 1968 tax collections get under way throughout the district this summer.

The district, however, has a maximum anticipatory power of \$270,000. With \$100,000 in warrants already sold in February, the district still may need \$470,000 worth of tax warrants to get it through the next several months.

**Sold Tax Warrants**  
Staisoff's report said the district began the month of February with a balance of \$29,746. Receipts during the month totaled \$110,712, including the \$100,000 obtained from sale of tax warrants, bringing total available income to \$140,458.

Disbursements amounted to \$138,226, including a payroll of \$52,202 and claims of \$68,833. Campbell said the higher than usual claim cost was due to payment of a \$25,000 insurance premium under a rearranged insurance program that will save the district almost \$15,000 this year. The district's overall premium cost has approximated \$38,000 in recent years.

The budget sets up \$36,450 for operation and maintenance, of which \$18,900 is in salaries, and for administrative expenses, including the purchase of a new car and a new truck. The administration budget includes \$4600 for a part time manager, \$6500 for an assistant manager and \$9000 salaries for billing clerks.

**Provides Bond Funds**  
In the bond and interest account, the budget provides \$66,000 for bond and interest payments, \$13,500 in the bond reserve fund and \$8000 in the depreciation account.

The board of trustees also accepted a low bid from the Joe Sprague Co. of Belleville to furnish two new autos, one for the police department and one for the superintendent of pumping stations. The Sprague firm bid \$7031 on both cars with a trade-in of \$2709, leaving a net cost of \$4322.

Net cost of a bid by the Frawley Dodge Co. of East St. Louis was \$3067, and that of the Custer Chevrolet-Plymouth agency of Mascoutah was \$4457.

The board referred to its engineering committee an offer of the Illinois Power Co. to pay the district \$3330 for an easement across district levees near Triple-Lakes road in Centerville township for installation of high-voltage lines.

A recommendation by chief engineer Adair Kramer that the district accept the U. S. Army Engineers transfer of the Menomonee pumping station to the district for future operation and maintenance, was accepted. Under a 32-year-old ordinance, the district is required to take over pumping installations built by the Army Engineers.

Mayor Partney said police have been advised to keep watch on the crossing and that they should be notified of the delays whenever possible.

It was noted the usual fine for train crews ticketed for blocking a crossing longer than 10 minutes is \$25 and court costs.

**Auto Stops, Struck**  
The rear of an auto driven by David G. Wise, 2707 Buxton avenue, who stopped to pick up a passenger, was struck by a car driven by William D. Harrison, 2405 Angela drive, at 11:45 a.m. Tuesday at Nameoki and Johnson roads.

By Press-Record Staff Photographers

**NEWLY-ELECTED OFFICERS** of the Tri-Cities Independent Insurance Agent's Association. Left to right—Robert Rowland, secretary-treasurer; Tom Kieley, president, and Claude Cochran, vice-president.

## Independent Insurance Agents Elect Officers

Tom Kieley of the E. J. Miller Agency was elected to serve as president of the Tri-Cities Independent Insurance Agent's Association on Wednesday at a meeting held in the Rose Bowl.

Other officers elected were Claude Cochran of the Lochrane Agency, vice-president, and Robert Rowland of the Ashby Agency, secretary-treasurer.

Charles Schmidt of Edwardsville, regional vice-president, of the association, served as installing officer.

After the ceremony, Schmidt spoke briefly on the handling of catastrophe losses and reported on other suggestions from the state association.

Also on the program was Rennington Way III, field man for Aetna Casualty and Surety Co., who discussed the new Homeowners forms.

## Reapportionment Hearing Set in Belleville Mar. 13

Proposals or suggestions that would aid in solving problems of reapportionment in Illinois counties will be heard by members of an Illinois House subcommittee in a meeting in Belleville next Thursday, it was announced today by Harry Briggs, Nameoki township supervisor and president of Zone One of the Illinois Association of Supervisors and County Commissioners.

Briggs said that directors and officials of the supervisors association in Zone One, which is made up of 34 Southern Illinois counties, are being invited to attend the meeting in which the subcommittee hopes to compile ideas and suggestions for meeting the need of reapportionment under the Supreme Court's "One-man, One-Vote" ruling.

The hearing will be held in Augustine's restaurant at Belleville, beginning at 10 a.m. The subcommittee is made up of five members of the Illinois House County and Township Affairs Committee and was appointed to recommend a preferential legislative program for county reapportionment. The subcommittee was formed to conduct the hearings and obtain first-hand information from township and county officials after it became apparent that the current session of the 76th General Assembly will receive a multiplicity of reapportionment bills of all types.

After meetings and hearings throughout the state, the subcommittee will report recommendations to the regular House committee which will prepare its own legislative program.

**Careless Driving Charge**  
Clifford W. Bortoff, Lansing, Ill., was ticketed on a careless driving charge at 11:15 a.m. Tuesday at 30th street and Madison avenue.

## Union Division Names Development Scientist

Appointment of George M. Gross as associate product development scientist for the Union Division of Miles Laboratories, Inc., has been announced by J. T. Brady, director of technical service.

Previously associated with the National Dairy Products Corp., and the Fruit and Flavor Processors, Inc., in research, technical service and product development capacities, he received a bachelor of science degree in agriculture from the University of Missouri and majored in food technology. Gross is a member of the Institute of Food Technologists.

Union Division is a major producer of corn syrup, corn starch, citric acid, caramel color and cyclamates used principally in the preparation of food and beverage products as well as other industries. Headquartered in Granite City, the Union Division's domestic operations include manufacturing facilities there and in Elkhart and Edinburg, Ind.

Miles Laboratories operates worldwide with a broad range of products, including such well known trademarks as Alka-Seltzer, One-A-Day and Chock vitamins. Less well known to the public are its original development of the Ames line of medical diagnostic reagents and its position in chemical research, biochemical research products, professional pharmaceuticals, electronic medical instruments, laboratory equipment and enzymes.

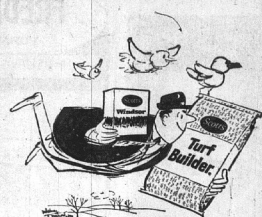

**Two Cars Damaged**  
Cars driven by Leslie A. Pryor, East St. Louis, and Frederick Wooten, 130 Hill street, Eagle Park, were damaged at 6:30 p.m. yesterday in a collision in front of 119 Weaver street, Venice police reported. Police said the accident occurred as Wooten was driving south on Weaver and Pryor was pulling away from the curb.

"Ace Sets the Pace" — Quality at Lower Prices

## Dear Jackie:

We have all wool wall to wall carpeting (the best) in our living room, TV room and hall—I love it, but it shocks us all the time. We touch the TV knob, wall switch or each other and the sparks fly. I told the company that made the carpet and they wrote to say it would eventually stop but it hasn't! Someone told me that there was a spray made to stop this. I asked at various places but they hadn't heard of it. Any hints?

**TIRE OF BEING SHOCKED**  
Mrs. Walter C. Stawar  
Granite City, Ill.

Dear Shocked:  
You'll find those shocks are worst when the humidity is low and the best answer is to install a humidifier in your home. We had the same problem and it was so bad our two boys were afraid to touch the doorknobs. After we added the humidifier the sparks disappeared.

There is a spray for that called "Quell." It's a concentrate that you mix with water and then spray on. It lasts for about 3 days and costs about four dollars (\$4.00). A humidifier costs more than four dollars, but it lasts a lot longer than three days. Hint, hint, hint!

**Dear Jackie:**  
When we had our wall to wall carpet installed the men left scraps and a cane pole when they left. Aren't they supposed to clean up when they leave?

SLIGHTLY MAD

**Dear Slightly:**  
We always clean up after a job and when we leave something we explain why. These people probably thought they were doing you a favor. Save the scraps for burns and the cane makes a great clothesline pole or fishing pole.

If you have floor covering problems write to "DEAR JACKIE," c/o ATKINS FLOOR COVERING, 3780 Pontoon road, Granite City, Illinois. Phone 931-4000.

LT. GOV. PAUL SIMON  
Guest Speaker

### Lt. Gov. Simon To Speak Here at Lenten Services

The special series of "Lenten Sunday Evenings" will continue at Niedringhaus United Methodist Church Sunday evening with Lt. Gov. Paul Simon as guest speaker.

As the only layman in the series of guest speakers, Mr. Simon will speak concerning the Challenge of Christ to the layman in every day life.

The new lieutenant governor of the state is well known throughout his home county, state and nation, the church pastor, Rev. Paul Sims, pointed out. "At the age of 19, Mr. Simon became the editor and publisher of the Troy Tribune, the youngest editor in the nation. In this capacity he distinguished himself in leading an offensive against corruption in Madison county," Rev. Sims commented.

Simon was elected to the Illinois House of Representatives at the age of 25 and was later elected state senator. Until his recent election as lieutenant governor, he served 14 consecutive years in the Illinois House and Senate.

Simon is the oldest son of Rev. and Mrs. Martin Simon, Lutheran minister at Olive Branch congregation near Okawville. The lieutenant governor himself is a member of St. Paul Lutheran Church in Troy.

Following the worship service in the sanctuary, there will be an informal reception in the church's Wesley Hall.

The public is invited to attend both the worship service and the reception, Rev. Sims announced.

### Edward Wein, 83, GC Area Farmer, Expires Tuesday

Edward T. Wein, 83, a life-long resident of Madison county, was found dead in bed at his home in Glen Carbon Tuesday evening by his daughter-in-law, Mrs. Erwin Wein. Time of death was set at about 7 p.m.

A well-known farmer in this area he had retired several years ago. His farm here was on Gabaret Island.

He was a member of St. John United Church of Christ Church where he had been active as a board member and served on the planning committee when the first unit of the sanctuary was designed and built and the decision to build in stone was reached.

Mr. Wein was also active in the Men's Brotherhood at the church and as a member of the Farm Bureau.

His wife, Minnie, preceded him in death in 1961. Survivors include two sons, Erwin Wein of Edwardsville and Herbert Wein of Granite City; a daughter, Mrs. Ruth McMullen living in Silver Springs, Md.; two sisters, Mrs. Laura Young, Farmington, Mo., and Mrs. Della Hillebrand of Madison; and eight grandchildren.

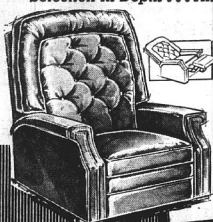

Funeral arrangements are given in today's obituary column.

**Industrial Relations Club Meeting next Week**  
The Industrial Relations Club of Greater St. Louis with the AFL-CIO Region XV and the St. Louis Labor Council will co-sponsor a day long conference on Wednesday, March 19, at the Bel Air East Motel, William L. Rogers, chairman, announced today.

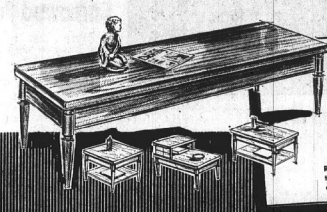

Registration is open to area management and labor leaders. Fee for the entire day's program, including lunch and dinner, is \$30. Checks and requests for further information may be sent to Paul Kelly, c/o A. O. Smith Corp., P.O. Box 957, Granite City, Ill. 62040, telephone 452-2100.

**Two Autos Collide**  
Autos driven by William R. Watson, 3225 Terrace lane, and Patrolman Richard Woods, 2855 Sunset drive, collided at 11:15 p.m. Tuesday at 21st and Benton streets.

## WOMEN OF MOOSE ATTEND CONFERENCE

Members of Granite City Chapter 247, Women of the Moose, attended a mid-winter conference in East St. Louis this week in which 204 co-workers from Belleville, Cahokia, Centralia, Collinsville, Mascoutah and Granite City took part.

Mrs. Mary Murgic of the local chapter was one of three members of the College of Regents invested during the Red Stole ceremony. Mrs. Edith Rodgers, senior regent of Chapter 247, spoke as did several from the other chapters.

Donations were made to the "Baby Village" and to Mooseheart.

Present from here were Pearl Giffin, Frances Westbrook, Edna Barney, Viola Smith, Bonnie Hanneman, Dorothy Pulley, Birdella Meyenburg, Beverly Thompson, Betty Giffin, Jean Teller, Betty Waugh, Alice Knipping, Mary Meier, Doretta Coleman, Edna Miller, Dorothy Coy, Virginia Severs, Ruth Snyder, Mary Hancock, Gladys Markovich, Lulu Gundlach, Marian Lipscomb, Mary Murgic and Edith Rodgers.

## DORCAS CLASS MEETS IN CHURCH PARLORS

The Dorcas Class of First Baptist Church met Tuesday evening in the church parlors with Mrs. Dorothy Daigler, president, in charge.

After the opening prayer led by Mrs. Dena Kampachtrader, Mrs. Iva Olive gave the devotion on "Home Missions," and Mrs. Sibyl Lowrance, teacher, read a poem entitled "Life Is Sweet."

Others present were Mrs. Eleanor Bacon, Mrs. Ida Reading, Mrs. Imogene Claxton, Mrs. Rose Chapman, and Mrs. Katie Penhock.

Mrs. Reading and Mrs. Daigler were hostesses and there was a social time.

## Engagement Is Announced

Mr. and Mrs. Arthur Baltruschat, 7 Magnolia drive, Caseyville, are announcing the engagement of their daughter, Miss Pamela Baltruschat, to Jim A. Parker, a son of Mr. and Mrs. Thomas N. Parker, 4845 Warnock avenue.

The bride-to-be, a 1965 graduate of Collinsville high school, was employed as a secretary at a St. Louis bank before entering Belleville Jr. College where she is a sophomore and a member of Phi Theta Kappa, National Honor Society.

Mr. Parker was graduated from Granite City high school in 1966 and is now a senior at Southern Illinois University-Western campus. Wedding plans are indefinite.

## Easter Visits Being Planned

The Evening Guild of St. John United Church of Christ met Monday in Fellowship Hall of the church.

Mrs. Dorothy Schanuel, president, was in charge, and plans were made for visiting shut-ins at Easter and presenting gifts of flowers.

Mrs. Freda Dekheimer, director of Religious Education, gave the lesson from the Bible and there was a question and answer period.

After refreshments were served by a committee composed of Mrs. Doris Oliver, Mrs. Dorothea Kirksey, Mrs. Georgia Surbey and Mrs. Patricia Schulte, Rev. Paul Surbey conducted an impressive Lenten service, ending with all taking part with joined hands as they sang "Bless Be The Tie That Binds" and repeated The Lord's Prayer.

Guests attending were Mrs. Dorothy Hamies, Mrs. Ernest Corbett, Mrs. Ruth Brave, Mrs. Lydia Kutsosky, Donna Jones, Wilfreds and Mrs. Mae Schuttkofe.

Bank Party  
On Anniversary

American National Bank employees observed the 10th anniversary of the opening of the bank, with a dinner party at Trader Vic's in St. Louis Tuesday night.

Those attending were H. F. Karandjef, president, and Mrs. Karandjef, Mr. and Mrs. C. J. Baricovic, Mr. and Mrs. David Giese, Mr. and Mrs. Leo Ross, Mesdames Helen Munoff, Caroline Kopp, Barbara Trester, Betty Paterson, Jean Jordan, Bess Rucker, Margaret King, Helen Kutsosky, Donna Jones, Ruth Crow, Ruth Crane, Harriet Wasson, Henrietta Johnson, Gale McFarland, Judy Andrews, Linda Scharf and their husbands, Darlene Matheny, Miss Roseann Roach, Miss Sylvia Roy and Mrs. Frances Steinman.

**RECENT BRIDE.** Mrs. Joseph M. Holder, the former Ruth Ann McCosky, a daughter of Mr. and Mrs. Robert McCosky of Pinckneyville, Ill., formerly of Granite City, who was married at First United Methodist Church in DeKalb, Ill. The bridegroom's parents are Mr. and Mrs. Floyd Holder of Pinckneyville.

**HURLBURT-DUNN WEDDING ANNOUNCED**  
Announcement has just been made by Mr. and Mrs. Arthur Dunn Sr. of Collinsville of the marriage of their daughter, Miss Kathy Dunn, to Maynard Hurlburt, a son of Mr. and Mrs. Elmer Hurlburt, 2004 Beckwith street, Madison. The ceremony took place at Calvary Baptist Church in Granite City.

## SOCIETY

MARRIED RECENTLY. Mr. and Mrs. Ronald A. Jansen, whose wedding took place Saturday at St. Margaret Mary Catholic Church. The bride is the former Diane Votaw, a daughter of Mr. and Mrs. Edgar Votaw, 2705 Angela drive. Mr. Jansen's parents are Mr. and Mrs. Alvin Jansen, 2811 Marshall avenue.

## WASHINGTON PTA GIRL

Scouts Study First-Aid  
Washington school Junior Girl Scout Troop 734 met there Monday afternoon to discuss plans for a tour of the Granite City city hall next week. Leaders are Mrs. Margarette Barton and Mrs. Venka Ambuehl.

The Apache patrol conducted the opening ceremony. During a workshop, the members worked on requirements of the health badge. Patrol One practiced a play it will perform for the troop on "Fires". Patrol Two enacted a fainting scene and told what to do; and Patrol Three studied shock, burns, blistering and treatment for such conditions.

The meeting was dismissed as the scouts sang "Taps" in unison. In attendance were: Kathy Ambuehl, Sherrel Barton, Mary Casey, Pamela Collins, Darlene Connor, Sheila Diet, Venus Derr, Paula Elmore, Janet Gafford, Kimberly Gale, Sharon and Karen Kently, Rhonda Meyers, Diane and Barbara Pickett, Vikki Sexton, Sonia McIntyre, Christine Webb, Laura Wilson and Carol Whitford.

## LUTHERAN MISSION GUILD

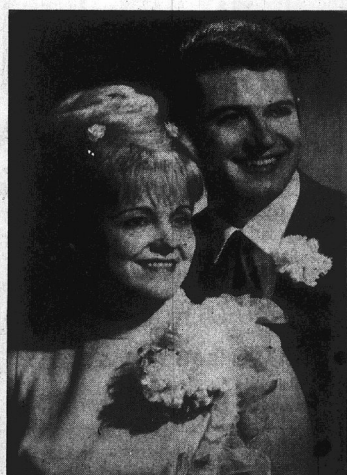

WILL MEET HERE

A meeting of the Mission Guild for Lutheran Women will be held Monday, March 10, at Concordia Lutheran Church, preceded by a noon luncheon. Mrs. Allen DeFoe will preside at the 1 p.m. business session and Mrs. David Hauser, wife of a missionary to New Guinea, will be guest speaker. The talk will be illustrated with slides, depicting the work being done in the New Guinea Mission. All women of the Lutheran Church-Missouri Synod are invited to attend.

## Prayer Breakfast

Planned Sunday

The Granite City Business and Professional Women's Club will hold a Prayer Breakfast Sunday at the Madison Recreation Center, Seventh and Lee avenues, Madison, at 8:30 a.m. Prayer will be offered to seek Divine guidance in for local, state and national leadership, to aid the spiritual awakening of the Nation, club officials said. Reservations may be made with Mrs. Pauline Weir, at 452-7300, extension 515, or with Opal Duval 877-1590. The tickets for the breakfast are \$1.75 per person.

MR. AND MRS. JACK MEFFORD, who were married recently. The bride is the former June Gornell, a daughter of the late Mr. and Mrs. Carl Mercer. The bridegroom's parents are Mr. and Mrs. Glen Mefford.

## SOCIETY

### Sorority to Aid Cancer Crusade

A monthly meeting of Eta Chapter of Phi Tau Omega sorority was held Monday evening at the Elk's Club.

Mrs. Lois Hodge, president, was in charge and 17 members were present.

Mrs. Ruth Wilderman, Madison County executive director of the American Cancer Society, was a guest speaker. Mrs. Harriet Horn, a member of Eta chapter, is local chairman for the cancer committee, and the Eta's voted to take an active part in the equine as one of the chapter's philanthropic endeavors. This too, will be a memorial to the late national president of the sorority, Mrs. Ruth Neymeyer.

A publicity committee with Judy Aach as chairman will handle the campaign of Mrs. Lois Winter for a national office of Phi Tau Omega. Others on the committee are Hilda Schroeder, Kathryn Weddell, Catherine Powers, Eunice Hatcher and Martha Ruth Thomas.

Final plans were completed for a rummage sale March 22 at 8 a.m. at the Pythian Hall, 21st street and Cleveland blvd.

Prizes for the evening were won by Miss Mary Hassler and Mrs. Charlene Sparks.

Hostesses for the April social will be Mrs. Peggy Barr, Mrs. Sparks, Mrs. Mary Halliburton, Mrs. Georgina Waggoner and Mrs. Winter.

## NATURAL HYGIENE IS WHITTLE CLUB TOPIC

Mrs. Mary Evans spoke to the Whittle by Whittle club Monday evening at the East Side Levee building. The meeting was opened by the leader, Mrs. Peggy Hackney, with the national Take Off Pounds pledge.

Weight losses and gains were recorded by Mrs. K. O. S. L. Bronnauer, and roll was called by Mrs. Nancy Bernak. "Twin queens" crowded were Mrs. Kathy Pfaff and Mrs. Elvira Sharp.

The evening's prize was awarded to Mrs. Virginia Cotter. Registration fees were turned in for Area Recognition Day at Peoria April 12.

Mrs. Evans displayed book entitled "Food Is Your Best Medicine." "Feel Like A Million," "Let's Eat Right To Keep Fit" and "The Poisons In Your Food." She discussed the contents of the books and reported a trend "back to natural hygiene." A discussion period followed.

Mrs. Bronnauer distributed booklets on "Do You Really Want To Lose Weight?" Plans were made for a "buddy contest" which will be held for one week. Members drew names of buddies.

Guests included Mrs. Mary Free and Mrs. Sharon Kendrick. Other members present were Mesdames Shirley Sobolewski, Sharon DePue, Gloria DeRuntz, Iris Gauen, Edith Harris, Agnes Kern, Jacquelyn King, Sandra Ray, Norma Ruhl, Jerry Skaggs, Vernie Von Nida, Judy Webb, Betty Young and Jo Ann Zottl and Misses Judy Garrison, Sheila Tanksley, Cindy Ward and Mary Wezel.

## Open House Planned Sunday For 50th Anniversary Fete

Mr. and Mrs. John McGovern, 4037 Rode avenue, are planning an open house at their home Sunday, March 9, to celebrate their 50th wedding anniversary and an invitation has been extended to their relatives and friends to observe the event with them.

Arrangements for the reception are being made by the nieces of the couple, Mrs. Fay Chilcutt, Mrs. Rose Roe, and Mrs. Regina Atkins. Among the relatives and friends expected are several from Detroit, Mich., Clarksville, Tenn.; Chicago and other cities throughout Illinois.

The McGoverns have no children. They were married March 9, 1919, in Indian Mound, Tenn., and moved to Granite City in 1922.

They have spent most of the time here since, with the exception of intervals in Detroit, Hammond, Ind., Kansas City, and Louisville, Ky.

Mr. McGovern is a world war I veteran and a member of Veterans of World War I, Baracks 34. He is also a retired iron worker from Local 382.

Mrs. McGovern is a member of the Methodist Church.

Mr. and Mrs. Richard West, 1202 Twenty-seventh street, observed their 25th wedding anniversary this week and in honor of the event their son-in-law and daughter, Mr. and Mrs. James M. Davis, of the Gaslight Walk Apts., entertained with a surprise party for the couple in their home.

The guests, all friends of the family, were invited for the hours from 1 to 5 p.m. They were Mr. and Mrs. Lee Gorrill, Mr. and Mrs. Walter C. Johnson, Mr. and Mrs. Roger Stuebker, Mr. and Mrs. Richard Kerch and Mr. and Mrs. Dean Maberry, all of Granite City, and Mrs. Virginia Pauly Vogt of St. Louis.

Yellow and white were the colors used in the appointments, and the colorfully decorated refreshment table held a centerpiece of spring blossoms and the numerals "25" in silver.

Be an Opportunist Disagreeable days are not subject to recall, so make the most of it when the going is good.

## Past Matrons Plan Dinner

The Past Matrons club of Granite Chapter 630, Order of Eastern Star, met Monday evening at the home of Mrs. LaVerne Monda y evening for its March session. The club welcomed the new members, Mrs. Kathy Scholbe and Mrs. Dana Harper.

The president, Mrs. Diana Hill, presided and final preparations were made for an Easter bake sale April 5. Proceeds will go toward the 1969 "ditty bag" project.

Members had submitted various club names and it was voted to accept "Gay Twenties." The remainder of the evening was spent playing charades and other games with everyone winning a prize. A special prize was won by a guest, Mrs. Jean Harold.

Refreshments were served by the hostess. Others present were Mrs. Linda Nichols, Mrs. Jane Scaggs and Mrs. Judy Rainwater.

Mrs. Maybren Moore will entertain the club at her home in Mitchell April 1.

## EASTER CHARITY BY BROWNIES OF TROOP 47

Brownie Troop 47 of Niedringhaus PTA met Tuesday at the school to continue work on an Easter project under the leadership of Mrs. Jo Ann Dix and Mrs. Jeannette Holder.

The Brownies answered roll call with names of spring flowers and Mrs. Dix explained day camp and distributed camp folders. The troop discussed activities in the coming months and tentative plans were made for an ice skating party at Wilson Park.

Each girl decorated a container, each of which will be filled with cookies, candy and personal items for patients at Alton State Hospital.

Answering roll call were Diane Choat, Patti Cook, Lisa Curtis, Julie Daniel, Terri Detterling, Diane Dick, Elizabeth Eck, Debbie Fickler, Kathy Kosay, Danno Lathrop, Karen Lawrence, Laura Leal, Jane Matson, Paula Milton, Brenda Rutledge, Becky Sage, Renee Sharp, Cathy Shermolen, Nancy Stacy, Maudie Walker, Janice Wallace, Kathy Walker and guests, Timmy Dix and Larry Holder.

CLUB CHOOSES "GAY TWENTIES" AS NAME

The Gay Twenties club, formerly the Particulars club, met at the home of Mrs. LaVerne Monda y evening for its March session. The club welcomed the new members, Mrs. Kathy Scholbe and Mrs. Dana Harper.

The president, Mrs. Diana Hill, presided and final preparations were made for an Easter bake sale April 5. Proceeds will go toward the 1969 "ditty bag" project.

## Jet Set Club Elects Officers

An election of officers was held Tuesday evening by the Tuesday Jet Set club at the home of Mrs. Wilma Spurlock, 2133 Robert avenue.

Mrs. Janet Kunick will serve as the new president. Mrs. Betty Porter, vice-president, Mrs. Faye Vandy secretary, Mrs. Marlene Painter treasurer, Mrs. Doris Bernak flower fund chairman, Mrs. Wilma Spurlock birthday club chairman, Mrs. Betty Corcoran food chairman and Mrs. Jo Bywater and Mrs. Athalea Bugg social chairman.

Mrs. Bernak, retiring president, presided, with plans made to change next month's meeting date due to a conflict.

Club rules were reorganized as a discussion was held, and plans were discussed for projects and activities during the coming year. Announcement was made that yearbooks will be made by the new president for each member.

Humorous true and false quiz games were played, with prizes awarded to Mesdames Vandy, Bernak and Bugg. A St. Patrick's Day prize was won by Mrs. Vandy.

The hostess had presented each guest with a three-leaf-clover name tag. Members were seated at a long table covered with a white luncheon cloth detailed with leprechauns and clovers.

Refreshments adorned the table, with each dish centered with a miniature three-leaf-clover. A large Kelly green paper mache hat centerpiece completed the theme.

Mrs. Spurlock and Mrs. Kunick thanked the club for gifts recently and for food brought when each returned home.

The birthday of Mrs. Spurlock was celebrated. She was presented with an early American flower planter, eagle candle container and early American coffee cup rack with mugs.

A refreshment dinner was served by the hostess with plates, cups and napkins in the St. Patrick theme matched the luncheon cloth.

Next month, the club will spend a social evening out, with the place to be announced later.

### Elkettes Meet, Elect Officers

The Elkettes met Tuesday evening for an appreciation dinner served in the restaurant of the Elks Club to 58 members and two who were recently enrolled, Mrs. Dorothy Costello and Mrs. Harriet Horn.

The smorgasbord meal at 7 o'clock was followed by a business meeting when new officers for the year were elected.

They are Mrs. Mary Batson, president; Mrs. Gladys Gonsky, vice-president; Mrs. Irma Buscemi, secretary; Mrs. Shirley Rapoff, corresponding secretary; Mrs. Elvira Thurber, treasurer; Mrs. Penny Mancini, membership; Mrs. Rose McGovern, guard; Mrs. Catherine Michel, chaplain; Mrs. Ruby Parker, Mrs. Bernice Grimm and Mrs. Anna Lois Teaney, trustees.

Mrs. Marian Willardt offered prayer before the dinner and reports were given during the business hour by Mrs. Ruth Bischof, Mrs. Helen Todoroff and Mrs. Alice Ellged. Announcement was made of dues payable in April and plans were made for an installation of new officers in April. Mrs. Ruby Parker, president, was in charge at Tuesday's meeting.

Mrs. Euphe Tarris and Mrs. Helen Bergfeld provided the games and prizes were won by Mrs. Florine Compton, Mrs. Lorraine Williams, Mrs. Buscemi, and Mrs. Shirley Hollis. The special prize went to Mrs. Marlene Roman.

The appointments for the party were carried in pink and purple, and favors provided by the past presidents were small pink and purple sachets.

Past presidents attending the party were Mrs. Karmyn Edmonds, Mrs. Ruth Schuster, Mrs. Ess Weis, Mrs. Annette Grant, Mrs. Ella Wade, Mrs. Helen Todoroff, Mrs. Dorothy Copeland and Mrs. Margaret Roberts.

### District Meeting Set for B&PW

District II of the Illinois Federation of Business and Professional Women's Club will hold a spring conference Sunday March 16, at 1:15 at Augustine's restaurant in Belleville.

The Fairview-Edgemont club will be hostess group and the guest speaker will be Miss Osta Underwood, second vice-president of the 178,000 member national federation of B&P.W. clubs. Miss Underwood is an attorney and insurance executive in Nashville, Tenn. In addition to her private law offices, she is production and brokerage manager with an insurance firm.

Miss Underwood was graduated from a Nashville business college and in 1939 received a Bachelor of Laws degree and was admitted to the Tennessee bar. She joined the B&P.W. Club in 1943 and has served in many different offices and is a past secretary-treasurer of the Nashville Chapter of chartered Life Underwriters and of the women's section of the Tennessee Bar Association. In addition she belongs to the American Judiciary Society and to many civic clubs. She is also on the board of directors of the Fairfax Academy.

Another honored guest at the meeting will be Mrs. Vernice Larsen of Chicago, president of the Illinois Federation of B&P.W. clubs. The club of the year from this district will be announced at the meeting, as well as the winning publicity and scrap books. The club with the largest attendance also will receive an award.

### Nemeth to Speak At WCUTU Meet

Detective Sgt. Joseph Nemeth of the Granite City police department will be guest speaker tomorrow at 1:30 p.m. at the Local Institute of the Woman's Christian Temperance Union to be held at The Gospel Mission, 204 East 20th street.

The meeting will open at 10:30 a.m. with the devotional service led by Mrs. William Fisher, spiritual outreach director. A business session will follow when reports will be given by Mrs. Glenn Cundiff, Mrs. Genevieve Willtrout, Miss Elva Miller, Mrs. Ruth Johnston, and the Rev. E. Y. Campbell. The latter will report on the Legislative Department.

Guests from the Alton and Wood River Unions are expected and will report on their local groups. There also will be special music. A sack lunch with coffee and dessert furnished by the Granite City union will be during the fellowship hour from noon until 1 o'clock. All members and honorary members are urged to attend and the public is invited. There will be parking in the rear of the Mission.

### Sorority Holds Election

Theta Theta chapter of Beta Sigma Phi met last night with the president, Mrs. Julie Gates, 1621 Primrose avenue.

Officers for the year were named and Mrs. Gates was re-elected president.

"Others on the staff will be Mrs. Sharon Rush, vice-president; Mrs. Carol Bahnsen, recording secretary; Mrs. Claudette Spanberger, treasurer; Mrs. Donna Sprinkle, corresponding secretary. The City Council delegate will be Mrs. Wanda Rousseau, with Mrs. Mary Baker, delegate.

Mrs. Gates was awarded a "Girl of the Year" trophy from the chapter. Plans were discussed for Founders Day April 30. The chapter is to make a furnish the programs for the event. Also planned is another trip to a St. Louis television show.

Others to whom refreshments were served were Mrs. Ellen Cain, Mrs. Linda Pickett, Mrs. Donna Willardt and Mrs. Char Baldwin. The next meeting will be March 16 with Mrs. Bahnsen.

### Gideon Groups Elect Officers

The home of Mr. and Mrs. Charles Reimers, 2615 Benton street, was the place of meeting Monday evening for the Granite City Gideon Camp and Auxiliary.

Devotions were given by Charles Stavelly and business sessions were presided over by Mrs. Reimers and Hugh Foster, presidents of the two groups.

Officers for the year were elected. The new staff of the camp includes Edward Stone, president; Charles Stavelly, vice-president; Charles Finley, secretary-treasurer; and Hugh Foster, chaplain.

Mrs. Stone was named president of the Auxiliary; Mrs. Foster is vice-president; and Mrs. Charles Finley secretary-treasurer. Mrs. Arthur Belde, chaplain, and Mrs. Reimers, Bible secretary.

Others present were George Schumacher and Mrs. Laura Webster, the latter a guest.

### Wives Club Plans Bake Sale

The Officers and Civilian Wives Club held a "coffee" and monthly business meeting jointly Wednesday morning in the LaGranada room of the Officers Club at the Army Depot.

Mrs. Thomas Kerr, president, presided at the business session and accepted a report on the "bake sale" held Tuesday, at the Depot cafeteria.

An announcement was made that in lieu of the regular meeting next month the club members will attend the Charlotte Peters Show in St. Louis. Bus transportation will be provided and will leave the Depot, promptly at 10:15 a.m.

Coffee and tea were served from a table set in the middle of the room, centered with a low bowl of orange and yellow, poppies and mums. Hostesses for this meeting were Mrs. Brian Ireland and Mrs. George Brown.

MRS. DORIS STOTZ 2571 Hodges Avenue 876-8044

ARTHUR BORGERS MARK SILVER ANNIVERSARY

Mr. and Mrs. Arthur Borgers, 4861 Hills Avenue, celebrated their 25th wedding anniversary at a party given by their children, Mr. and Mrs. Alvin (Gwendolyn) Belcher, Mr. and Mrs. Dennis (Phyllis) Perlin and Scott Borgers at the Moose club Sunday afternoon.

The head table was draped in a white cloth with a large white candle surrounded with greenery and a silver numeral affixed to the base. A three-tier cake, topped with the anniversary years and accented with shades of pale pink, served as centerpiece for the buffet table. Individual table appointments carried out the anniversary theme with pink carnations in bud vases, and the gift table was trimmed in silver streamers. As the guests arrived, they signed a register for a memento for the honorees.

Special guests were Mr. and Mrs. David Warren of Marine, Ill., who attended Mr. and Mrs. Borgers when they were married March 4, 1944, in Collinsville. Following the opening of gifts, a buffet luncheon was served to the honored guests, Mr. and Mrs. Warren, Mr. and Mrs. Jack Hill, Mr. and Mrs. Ray Sanders, Mr. and Mrs. Mark Sausepohl, Mr. and Mrs. Kelly, Mrs. Joan Melzer, Mrs. Sheila Stith, Mrs. Glen Cory and daughters, Donna and Glenda Gibson, Mr. and Mrs. W. E. Passig and son, Timmy.

Mr. and Mrs. Amar Darakh, Mr. and Mrs. Bill Abert and sons, David and Rocky, Mr. and Mrs. Mary Perrier, Mr. and Mrs. Paul Wilson, Mr. and Mrs. James Guyer, Mr. and Mrs. Chim Patel, Mr. and Mrs. Bill Parker and children, Kathy and Pete, Mr. and Mrs. Robert Weidner, Mr. and Mrs. James McCabe and children, Jimmy and Colleen.

Mr. and Mrs. George Vinson, William McCabe, Lawrence Lockhart III, Mr. and Mrs. David R. Warren, Mr. and Mrs. Gerald Borgers, Mr. and Mrs. Harold Reutzel and daughter, Nancy, Mr. and Mrs. James Mathis, Mr. and Mrs. Charles Ringling, Mrs. Edith Bolan and Mr. and Mrs. Harold Gattung.

BIRTHDAY OBSERVANCE

Mr. and Mrs. Robert Tillman, 3018 Washington avenue, entertained friends and members of their family in their home Sunday afternoon to celebrate the birthday of Mrs. Tillman's father, Dewey Deason, 1726 Edison avenue.

The honoree received many gifts. A large cake decorated in white, pink and blue adorned the serving table, and the hostess served a delectable luncheon.

Present were the honored guest and his wife, Marie, Mr. and Mrs. Eugene Nichols, Mr. and Mrs. Herman Weissenborn and son, David, Mr. and Mrs. Gary Nichols and children, Ronale and Jennifer, and Mr. and Mrs. William Burgess and daughter, Lisa, and granddaughter, Debbie Tillman.

Mrs. Doris Wood, chairman of Neighborhood Two Girl Scout leaders, has announced that a neighborhood "hobo" hike scheduled for May 3 will go from Emerson school to Shelter Six at Wilson Park.

SPRING THEME, SOCIAL CLUB WELCOMES MEMBER

The Koffee Klatchers Social club held its March get-together Tuesday at the home of Mrs. Helen Bertacchi, 2509 Jorden avenue, and welcomed a new member, Mrs. Joan Yetter.

The members drew names for secret pals, who will exchange birthday and Christmas gifts before revealing their identities.

Games were played, with everyone receiving a prize.

The dining table was draped with a white linen cloth, and a white candle surrounded with multicolored spring flowers served as centerpiece. The hostess served an Italian luncheon and a dessert course to those mentioned and Mesdames Mary Rita Ahlers, Margaret Breyer, Pat Gattung, Carmen Grider, Ann Kazman, Helen Santagato and Doris Stotz.

The club will meet at the home of Mrs. Eason, 2409 East 25th street, April 29.

JOINT BIRTHDAY PARTY

Mr. and Mrs. Richard Bertacchi sr., 2509 Jorden avenue, entertained members of their family at a joint birthday party in their home Monday evening in honor of their daughter, Janet, and niece, Mary Munk and Marty Bonk.

The honored guests received many gifts and pictures were taken for the family album. The evening was spent in a social hour.

A dessert luncheon was served by the hostess to the guests of honor and their families, Miss Carolyn Bertacchi, the hosts' other daughter, the grandmother, Mrs. Sylvia Bertacchi, and

Mr. and Mrs. Primo Bertacchi, Mr. and Mrs. Richard Bertacchi Jr. and daughter, Jennifer, Mr. and Mrs. Orville Kless, Mr. and Mrs. Sid Munk and children, Mr. and Mrs. Ed Bonk, Mr. and Mrs. Aloes Ruesing and children, Mr. and Mrs. Faustyn Turski, Mr. and Mrs. Thomas Gordon and Miss Cathy Rotter.

THE Young People's Society of St. John's Lutheran Church, 2001 St. Clair avenue, met there Sunday evening and discussed final plans to sponsor a paper drive March 15 from 9 a.m. to 3 p.m. Those with donations may bring them to the church or call 451-7515.

TROOPS TO CAMP OUT

Niedringhaus PTA Girl Scout Troop 275, led by Mrs. Jo Ann Jarrett and Miss Linda Polette, will camp out at Camp Kock this weekend along with Troop 330, led by Mrs. Mary Frymick and Mrs. Joyce Lawson.

Troop 275 has made tentative plans for a family banquet in April. Its new officers are: American Bandstand Patrol, Pam Brokaw, patrol leader, and Donna Macios, assistant leader; Sock It to Me patrol, Sherrie Paul and Claudia Schwendeman; Family Affair patrol, Becky Brokaw and April Speirs; and Fairy patrol, Ramona Plante and Terri Patrick.

Mary Beth Hillmer, Mary Earls and Brenda Mueller have been announced as the top three cookie salesmen this year.

HOME FROM HOSPITAL

Bessie Bond, a patient at St. Elizabeth Hospital for the past month, arrived home Wednesday. She is presently making her home with her daughter and son-in-law, Mr. and Mrs. Henry Borth, 2424 Terminal avenue.

She served her 78th birthday while at the hospital. She has 29 grandchildren and seven great-grandchildren. A local resident for many years, she is formerly from Benton, Ill.

Mr. and Mrs. Ira L. Hill, 4831 Warnock avenue, entertained his twin brother and sister-in-law, Mr. and Mrs. Ora Hill of New Athens, Ill., this week.

They visited their sister, Mrs. Jones, a patient at the Colman nursing home, and other local relatives before returning home Tuesday.

WEBSTER PTA TO HAVE BAND, SCOUT PROGRAM

The executive board of Webster PTA met at the school Monday evening for its March session with the president, Mrs. Mae Lee, presiding. Mrs. Erbogast gave a report on the "helping hand" block protection program.

Mrs. Lee announced that the annual school picnic is scheduled for May 15 at Wilson Park. The president noted that the Illinois Congress of Parents and Teachers will meet in Chicago April 17-19. Those interested in attending must contact Mrs. Lee.

The PTA meeting is set for 7:45 p.m. Monday. Webster band students who will participate in a Madison county band contest in East Alton Saturday will present a musical program.

In observance of Girl Scout Week, all troops sponsored by the PTA unit will take part in a flag ceremony and program. Also on the agenda is a speaker, Police Chief Ronald Velzer.

Other members present were Principal Clyde Lee and Mesdames Allene Moore, Jane Heil, Valara Schorffide, Frances Bolan, Betty Woodruff, Carmen Grider and Eugene Miller.

MRS. DAWSON HONORED BY BIRTHDAY CLUB

Mrs. Pauline Dawson, 2508 Lincoln avenue, was the guest of honor at a birthday celebration in her home Monday evening given by members of the Lincoln Avenue Birthday Club. Hostesses for the evening were Mrs. Leean Campbell and Mrs. Sharon Lee.

The honoree received many cards and gifts, and the hostesses presented her with a cake decorated in a birthday theme.

Following a social hour, a dessert luncheon was served from a table adorned with a large arrangement of pink roses in a pink cut-glass container. Others present were Mesdames Helen Frazier, Imogene Biggs, Chin Thomasson, Kay Sykes, Beulah and Joan Plebanek.

The club will meet at the home of Mrs. Biggs, 2525 Lincoln avenue, later this month for her birthday anniversary.

GIRL SCOUT REHEARSAL

Junior Girl Scout Troop 204 of the Webster PTA held a weekly meeting at the school Monday with Mrs. Mae Lee and Mrs. Shirley Tervasi and rehearsed a program which all Webster troops will perform for the PTA at the March 18 meeting.

Mrs. Lee introduced leaders, Valara Schorffide, Brownie Troop 809 and Mrs. Betty Van Gilder of Brownie Troop 198, who assisted with the program.

Scouts who will participate in the opening ceremony are: cadettes, Mrs. Lee of Cadette Troop 231; color guards, Judy Harlock, Junior Troop 29, Sharon Emick, Junior Troop 794, Janice Gilder, Brownie Troop 198, and Cheryl Brinkley, Brownie Troop 889.

Announcements were made of

Granite City PRESS-RECORD Thurs., Mar. 6, 1969 Page 17

## SOCIETY

Golden Circle Dinner, Social

The Kirkpatrick Homes Golden Circle Club met Tuesday in the recreation hall for a pot luck dinner and social time. Eighty-four members and guests were present and the invocation was given by Abt Scarborough.

Mrs. Ellen Christy, president, announced plans for the March 25 meeting at 1:30 p.m. when nine club members will celebrate birthdays.

Among the guests present Tuesday were several candidates for city officers who were introduced by David Morgan, executive secretary of the housing project.

## Easter Egg Hunt Planned

The Lincoln Place Mother's Club held a meeting last night when plans were made for an Easter egg hunt Saturday, April 5, and for several other future events.

Games were played and prizes were won by Anna Krusz and Helen Simpson.

The hostesses, Ann Volfelt and Joyce Carrazzales, served refreshments to those mentioned and to Rose Grim, Virginia Kitch, Irene Kuzma, Verma Michel, Olga Ollar, Rosemarie Ortiz, Dorothy Petrillo, Helen Simpson, Mrs. St. Ivany, Sharon Wickham, Eleanor Gregonis and Anna Nagy.

## Stenberg-Rich Engagement

Just announced is the engagement of Miss Laura Lynn Rich, a daughter of Mr. and Mrs. Jack W. Rich, Route Two, Jerseyville, and William Paul Stenberg, a son of Mr. and Mrs. Sidney P. Stenberg, 2316 Adams street.

Miss Rich, was graduated from Southwestern high school in Piasa, Ill., and is employed by a Jerseyville floral company. Her fiancé was graduated from Granite City schools and attended Southern Illinois University before enlisting in the Air Force. Wedding plans have not been made.

## Easter Project Being Planned

Phila Delta Lambda chapter of Beta Sigma Phi met Monday evening with Mrs. Cheryl Pounds as hostess.

It was decided to donate toys to the Shriners Hospital for Crippled Children in St. Louis at Easter as the service project for April.

The cultural program for the evening was given by Mrs. Donna L. a. n. e. Refreshments were served to those mentioned and to Mrs. Sharon Burnette, Mrs. Claudene Hancock, Mrs. Anita Hunkla and Mrs. Ellen Wilson.

## Senior Citizens Plan Events

The Anchorage Senior Citizens met Wednesday in the recreation hall with 47 members present.

Mrs. Charles Motts, president, was in charge and there were games. Refreshments were served, and plans were made for a visit from the Salvation Army on March 10 at 7 p.m.; a pot luck dinner March 14 at noon, and a birthday party March 26 at 2 p.m.

HOSTESS FOR PINOCCHIO CLUB

Mrs. Grace Hennrich, 2557 Iowa street, entertained her pinocchio club Tuesday evening.

The winning scores were held by Mrs. Marie Perry, Mrs. Virginia Unifed, Mrs. G. A. Renge, Mrs. Gertrude Fleming, and the hostess.

Others present to whom refreshments were served were Mrs. Eva Hanel, a guest, and Mrs. Della Hagan.

The next meeting will be with Mrs. Kathryn Johnson on March 18.

activities in observance of Girl Scout Week. On Sunday the scouts will attend churches in uniform. Webster troops will prepare a window display at Gilk's.

Karen Lee led games in the gym.

Present were Mary Kay Chapline, Kay Coberly, End Cox, Tammy DePew, Pam and Sharon Emick, Lisa English, Carole Griffin, Patty Harrington, Carmen Jones, Karol Lee, Vicki Liska, Donna Long, Anita McGee, Cindy Myatt, Linda Pool, Leisa Tervasi, Karen Tolan, Linda Wells, and Betty White.

Guests were, Hope Lee and Nicky and Jeff Tervasi. Mrs. Elizabeth Griffin assisted the leaders.

**Public Notices 34**

**NOTICE OF REGULAR**

**BIENNIAL ELECTION OF**

**PARK COMMISSIONERS.**

**GRANITE CITY**

**PARK DISTRICT, ILLINOIS**

PUBLIC NOTICE IS HEREBY

GIVEN THAT on the last day

of April, 1969, the regular bi-

ennial election of Park Commis-

sioners will be held in Granite

City Park District, Madison

County, Illinois, for the pur-

pose of electing one (1) Park

Commissioner for a term of six (6)

years.

Precinct No. 1 shall constitute

all that part of the Granite City

Park District which is located

Northwest of the Northwesterly

right-of-way of the GM&O Rail-

road and West of the West line

of the N. W. 1/4 of Section 8, T.

3 N., R. 9 W. of the Third Prin-

cipal Meridian, Nameoki Town-

ship, Madison County, Illinois.

Polling Place: Community Cen-

ter, 82 N. Washington Ave.

Precinct No. 2 shall constitute

all that portion of said Granite

City Park District which lies

Southeasterly of the Northwesterly

right-of-way line of the

GM&O Railroad and West of the

line described as follows: Be-

ginning at the intersection of

West line of Nameoki Road and

the North line of Edwardsville

Road (being a portion of the

South Corporation Line of the

City of Granite City) in the City

of Granite City in said Park

District; thence running North

in and along the West line of

said Nameoki Road to the North

line of the S. E. 1/4 of the N. W.

1/4 of Section 8, T. 3 N., R. 9 W.

of the Third Principal Meridian

which line is also the South line

of the Westerly extension of

Richmond Avenue; thence West

in and along said North line of

said Section 8 to the Southwesterly

right-of-way line of the

Wabash Railroad; thence South-

westerly in and along said right-

of-way line to the South line of

the N. W. 1/4 of said Section 8;

thence West in and along said

South line of the Southwest corner

of the N. W. 1/4 of Section 8; thence

North in and along the West

line of said quarter section to

the Northwesterly right-of-way

line of the GM&O Railroad and

terminus of said line. Polling

Place: Ice Skating Rink, Wilson

Park.

Precinct No. 3 shall constitute

all that portion of said Granite

City Park District which lies

East of a line described as fol-

lows: Beginning at the intersec-

tion of the West line of Nameoki

Road and the North line of Ed-

wardsville Road (being a portion

of the South Corporation Line

of the City of Granite City) in

the City of Granite City in said

Park District; thence running

North in and along the West

line of said Nameoki Road to the

North line of the S. E. 1/4 of

the N. W. 1/4 of Section 8, T. 3

N., R. 9 W. of the Third Prin-

cipal Meridian which line is

also the South line of the

Westerly extension of Richmond

Avenue; thence West in and

## GC Demolays Preparing to Observe 50th Anniversary

Keith Darnier, master counselor of the James Stuart Chapter Order of DeMolay presided at the regular meeting, Tuesday night, when final plans were made for the chapter's participation in the International Order's 50th anniversary, during DeMolay week.

Both Granite City Trust and Savings Bank and the First Granite City National Bank will donate billboard space to mark the celebration with the theme, "50 Years of Young Men on the Go."

Randy Fowler, senior counselor, announced the DeMolay members and their families will begin the week with a group attendance at the 10:45 service at the First Assembly of God Church on Sunday, March 16.

On Tuesday, March 18, the local DeMolays will participate with other area chapters in District Four on the Charlotte Peters TV show at noon.

Dwayne Pritchett, the local chapter's junior counselor, is the district master counselor.

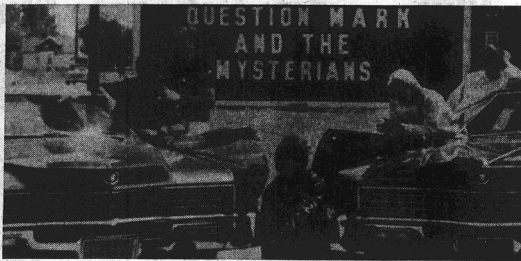

During the regular meeting that evening, the Initiatory Degree will be conferred on the anniversary class.

During the meeting, local members were selected to serve in city offices on Friday, March 21.

Granite City offices will be filled by Keith Darnier, mayor;

(Additional Youth Focus on Pages 28, 29, 30 and 31)

Granite City PRESS-RECORD  
Page 22 Thurs., Mar. 6, 1969

**MILLION-SELLING RECORD** by this group, Question Mark and the Mysterians, will be presented in person during an appearance here Saturday evening at the Beneath Society. The song is "96 Tears." The nationally known musicians have just completed a California tour.

John Tolbert, fire chief; Steve Hillman, police chief; Roger Miller, comptroller; Dwayne Pritchett, treasurer; and Randy Fowler, clerk.

Serving as city officials in Madison will be Joseph Vaughn, mayor; Charles Collett, fire chief; Curtis Bosworth, police chief; David Michels, comptroller; Robert Hoellenbeck, clerk; Robert Burgess, treasurer; and Rick Woodard, Richard Bargiel, Earl Fanning, Phillip Frizzell, and Edward Meyer, as aldermen.

DeMolays will attend the Jurisdictional Meeting in Jacksonville on Sunday, March 23, to conclude DeMolay week. The meeting will begin with church service in the morning followed

by dinner and a business meeting and concluding with a bowling tournament.

Other plans included the attendance at the Ice Capades in St. Louis on March 29. Reservations must be made by March 8 to be included in the initial group order for better seats.

A report on the recent chili supper was given and those winning cash prizes for selling the most tickets were Randy Fowler, Bill Watson, Steve Ebrecht, Gerald Lackey, Michael Few, Billy Bihu and Bill Kee.

Refreshments were served by the Mothers Club at the close of the meeting.

**John Mitalovich is Science Fair Winner**

John Mitalovich, 13, son of Sgt. and Mrs. Jack Mitalovich of Lemay, Mo., former residents of Madison, was awarded first prize in the Science Fair at Hancock Junior high school. His entry will now be entered in the Science Fair at Washington University. He has been accepted at C.B.C. for the fall term.

The young winner is a nephew of Mr. and Mrs. Bernard Gwasdad of 1528 Joy avenue.

**RE-ELECT JIM BARTON ASSESSOR**

## Dance Company Will Visit SIU-SW Campus

The Merce Cunningham Dance Company will be in residence at Southern Illinois University-Southwestern campus Monday through Wednesday, Michael Smith, chairman of the SIU-SW Fine Arts Series, has announced.

Master classes, seminars and workshops will be held for dance students and theater people and one contemporary music seminar is set for music students. The company's appearance was made possible through a grant from the National Endowment for the Arts and coordinated by the Illinois Arts Council.

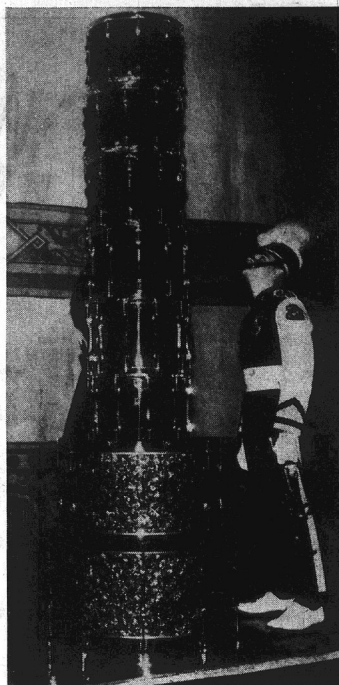

On Tuesday, a free dance lecture-demonstration will be presented at 8:15 p.m. in the SIU-SW Communications Building theater. On Wednesday there will be a concert at 8:15 p.m. in the theater, with a \$1 admission fee to be charged.

The Cunningham Dance Company has performed at many festivals of contemporary dance, art and music, notably the Warsaw Autumn Festival, the Venice Biennale, the Fourth International Festival of Dance at the Theatre des Champs-Elysees in Paris, with the New York Philharmonic French-American Festival and the Buffalo Festival of Arts Today.

## Sky-Slide May Open Here This Weekend

Weather permitting, the new "Sky-Slide" at Nameoki Village shopping center will open this weekend. It was announced by the owners, the Qamar Corp., with R. J. Byrnes of St. Louis, president.

The slide—35 feet high and 165 feet long—has 15 sliding lanes. Customers are provided with a mat for the slide. The fee is 15 cents.

## GC Ties with Highland In Recreation Meet

Granite City park district, represented by 50 young athletes, tied for third place with Highland at the fourth annual "Recreation Day" event at Highland, Park Supt. Harold Brown announced Wednesday. The program was sponsored by the Southern Illinois Parks and Recreation Association.

The local youngsters compiled 12 points, with four second place victories in girls' bowling, boys' table tennis single, and girls' table tennis single and double matches.

Centralia, the 1968 champion was the first place in winner with 28 points, followed by Belleville with 22. Granite City won the first two tournament meets and tied for third place with Highland last year.

In the high school basketball contest, the local team was defeated 51-45 by Centralia, and in fifth and sixth grade competition was edged by Belleville 38-37 in overtime play.

In placing second, the Granite City girls' bowling squad scored a total of 1969 points, 57 pins behind the winning Belleville team.

More than 400 youngsters competed in the "Recreation Day" event representing Cahokia, Wood River, Roxana and Alton, in addition to the four winning squads. Those participating from Granite City are enrolled in the local park district's winter recreational programs.

## 22 Venice Students To Sing in Contest

Twenty-two students from Venice schools will enter the district vocal ensemble contest to be held Saturday at the East Alton Junior high school.

Those participating will be Sharon Mosby, Carla Carnes, Kenny Rankin, Terry Peach, Linda Mosby, Cheryl Fuller, Theresa Day, D'Ambara Merriweather, Tony Sittin, Ronald Taylor, Terri Eck, Melena Ebersold, Jim Long, Ronald Brawley.

Christine Ruff, Lottie Moeby, Ella Jones, Gwen Gardner, Marvin Hill, Randy Sittin, Hal Wooten and Raymond Mosby. Accompanists will be Arbelia Wooten, Debbie Fichte and D'Ambara Merriweather.

take place at a regular meeting of the Rotary Club June 8. Four new members have been accepted in the club. They are David K. Smith, Pat Loftus, Steven Fischer and John Klesh. The entire club is planning to attend the annual International Convention April 15-20 in Springfield, Ill.

## Vocal Music Concert Set at GCHS Tuesday

The Granite City high school vocal music department, under the direction of Warren G. Simpkins, will present the first in a series of two spring choral concerts at 8 p.m. Tuesday in the school auditorium.

The program, which will include several American folk songs, will be presented by the sophomore mixed chorus, boys' glee club, fourth and seventh hour girls' glee club.

Piano accompanists will be Marilyn Bess, Christy Bachcraft, Angela Epperson, Ron Ebrecht, Janet Young, Debbie Epperson and Elizabeth Baker.

Piano soloists will be Ron Ebrecht and Marilyn Bess.

A second concert will be presented on Thursday, April 17, at which time the advanced mixed chorus, cantando girls' glee club, and the Madrigal Singers will present the program. Both concerts are open to the public without charge.

## Assigned in Germany

Army Sgt. Gary L. Gan, 22, son of Mr. and Mrs. Adron C. Gan, 2821 Warren avenue, has been assigned to the 3rd Infantry Division near Aschaffenburg, Germany, as a supply sergeant. His wife, Ruth, lives at Kirkpatrick Homes.

## Interact Club Holds Election of Officers

The Interact Club held an election of officers for 1969-70 in connection with a dinner meeting Tuesday evening at the Rose Bowl.

Dan Monken was named president, and others on the staff are Rick Lesko, vice-president; Lonnie Dye, secretary; and Gene Brominski, treasurer. The installation will

take place at a regular meeting of the Rotary Club June 8.

Four new members have been accepted in the club. They are David K. Smith, Pat Loftus, Steven Fischer and John Klesh.

The entire club is planning to attend the annual International Convention April 15-20 in Springfield, Ill.

## ELECT SAM FOR SENATOR ON THIS PLATFORM

## INCOME TAX

Continued freedom from a state tax unless a substantial portion of the revenue thus derived is returned to local taxing bodies to abolish personal tax and relieve real estate tax.

## WORKMEN'S COMPENSATION

Should be revised to take into consideration an anticipated cheaper dollar and inflationary trends.

## WATER POLLUTION LAW

A more rigid law concerning water pollution should be enacted for the benefit and general welfare of the people of Illinois. Local control.

## EMERGENCY PHONE SYSTEM

Phones should be placed at 5 miles intervals for state and interstate travelers in distress or serious accidents. Central dispatch receiving point—emergency use only.

## HOSPITAL EMERGENCY BILL

Should be enacted so no person seriously injured shall be allowed to remain in emergency room for long period of time until the persons financial responsibility is determined. Immediate and complete treatment must be given.

## FIREARMS ACT

Should be revised by the legislature or it should be repealed in its entirety.

I am for STATE GOVERNMENT which will cooperate closely and sympathetically with labor, management, the people of Illinois and the legislature in carrying out beneficial programs and all other state business. I firmly believe in the right of the state to manage its own affairs and as Senator I will oppose any encroachment upon local representative government by the federal government.

VOLUNTEERS MAY CALL 931-9947 OR WRITE BOX 1285, RRI CHOUTEAU TOWNSHIP, GRANITE CITY, ILL., CONTRIBUTIONS TO CAMPAIGN APPRECIATED.

## GC Zoning Changes Sought for Beauty, Welding Shops

Two petitions for zoning changes and a proposed amendment to the city zoning law to require wider notification of zone change hearings were presented to the Granite City council Monday night.

The zone change petitions—one for a beauty shop in a home and the other for a welding shop along Edwardsville road—were referred to the City Plan Commission that has a hearing scheduled for March 13.

Requesting a change from R-3 residential to C-1 commercial for part-time operation of a beauty shop at 2601 Center street is Naomi Gray of that address.

The request for a change from R-3 to C-2 commercial for a welding shop at 1412-18 Edwardsville road was presented by Vasil Tarpor.

200-Foot Radius  
Moerlein called for preparation of an amendment to the

**Granite City PRESS-RECORD**  
Page 26 Thurs., Mar. 6, 1969

city zoning code to require hearing notification in zone change cases to be sent to property owners within a 200-foot radius of the property under consideration for change.

At present, he noted, the notices go only to adjacent property owners. He added that the amendment was based on stipulations in the Belleville zoning ordinance, and that perhaps the City Plan Commission could study it further for any additional improvements to the Granite City zoning code.

Alderman Fry reminded the council that extensive zoning code changes have been set forth in the program prepared at the city's request by the Southwestern Illinois Metropolitan Area Plan Commission, and the program has been lying around for some time.

"The Plan Commission," Fry said, "is waiting for the council to submit any changes

in the proposal so that public hearings can be held. The hearings should have been started long ago."

**Razing Bids Sought**  
Bids are to be sought to raze a structure at 2330 West 23rd street that has been condemned by the city. City Building Inspector Orville Deltour submitted proposals by three firms, but the offers were rejected by Alderman Green and Robertson. They ranged from \$834 to \$1266.

Among communications received by the council was a letter of resignation from Mrs. Melvin Freedman, a member of the city Air Pollution Control Board, whose husband, Dr. Freedman, recently was named to the board. The resignation was accepted.

City Atty. Scroggins advised the council that he is upholding a decision by City Treasurer E. R. Rich not to transfer \$4000 to the street department to pay for completed engineering services for special improvement projects.

In his letter, Scroggins pointed out he had earlier advised the council it could not transfer funds to a non-existent fund, and that state law also forbids transfer of funds to an appropriation which would exceed 95% of the appropriation. The transfer to the street department was in excess of the 95% limit.

Last summer, the council removed an appropriation for engineering from the city budget, but engineering for special improvements has proceeded.

**Use Contingency Fund**  
The lawyer said the city could pay for engineering services already rendered through the contingency fund, with a two-thirds favorable vote by the council.

"A different question is presented," Scroggins added, "when services are contracted for the period from January 1969 forward. Again the council by previous legal opinion has been advised that it cannot contract for services which are not included in the annual appropriations."

In answer to the complete question posed by the members of the city council, it would be any opinion that the engineers would have to be paid for services rendered on an emergency basis.

"Again it would take a two-thirds vote of the members of the city council to authorize the expenditure of these funds from the contingency fund."

The attorney's letter was placed on file.  
Referred to Scroggins was a circuit court summons for the city in a suit filed last week by Theodore Pritchett, who was appointed temporary humane officers for four days in January and whose pay of \$64 was turned down by the council. Pritchett is seeking the \$64 and court costs, and the hearing is set for 1:30 p.m. March 28.

**MILITARY FAMILY.**  
Mr. and Mrs. Charles Thomason and their sons (left to right) Russell, John and Kenneth. This 1968 picture was taken when Russell and John were home on leaves and Kenneth was stationed at the Granite City Army Depot.

**Hits Parked Auto**  
A parked car owned by Gregory Brooks, New Baden, was struck by a car driven by John Patrick, 2210 Dawn place, in the 500 block of State street in Madison at 12:30 a.m. yesterday. Madison police said the parked car was undamaged, but Patrick's car was damaged on the right side. Patrick was headed north on State street.

**Arrested for Speeding**  
Venice police arrested Gerald W. McGinness, St. Louis, on a speeding charge at 3:15 p.m. Tuesday.

## 3 in Thomason Family Fighting in Vietnam

"Protesters burn American flags," "Draft dodgers seek refuge in Canada," "Stop the war, shout mothers."

These are only a few of the headlines of recent months, and there is widespread concern over the nation's future outlook.

A sharp contrast was provided by an interview with Mrs. Gerald (Georgia) Borger, 904 Bend road, and Staff Sgt. Kenneth Thomason, who is on assignment at the Granite City Army Depot.

They are two of the children of Mr. and Mrs. Charles Thomason of Patterson, Ill., who can boast and be proud of being an "all-American" family with 98 years of active military service.

**Fight in Armed Forces**  
The Thomasons, residents of Venice until last September, have three sons and five grandsons in the service, a fourth son and sixth grandson have completed service. One son and two grandsons are in Vietnam, and one grandson is on his way to the conflict. All are volunteers.

A friend of the family has commented, "I wish all those protesters, marchers and picketers could read this wonderful family, which is behind the United States 100%." With more of this kind of people, the war could be ended quickly.

The military family includes Staff Sgt. Russell "Dale" Thomason, who is living with his

family in Germany and will retire later this year after 21 years in the Army. The career serviceman saw action in the Korean and Vietnam wars.

Sgt. Kenneth Thomason was stationed for four years in Korea and, while there, married the former Chin Sok. They have two children, Leann and David, and have resided at 2557 Lincoln avenue.

The serviceman was assigned to the 2nd Engineer Group in Korea. In addition to serving its country, this group cared for 85 children in an orphanage. He has served 14 years in the Army.

**Navy Battlefield Promotion**  
Charles A. Thomason received a meritorious advance to his present rating of hospital corpsman second-class during battlefield action in Vietnam early last year. He is reportedly the first Navy man so promoted in the past 16 years.

Currently on his third tour of duty in Vietnam, Navy Medic Thomason met a nephew, Lance Cpl. Douglas H. Thomason, also stationed there, last November.

"Chuck" Thomason has 18 years in the Navy. His wife, Sarah, and their children, Mickey Sue, Lucy and Larry Joe, are living in Toledo, O., while the serviceman completes his tour of duty.

The elder Thomasons also have a son, James, who is presently living in Salem, Mo., after completing 21 years—12 in the Navy and nine in the Army—in 1961. He and Mrs. Mary Busler, 2806 West 20th street, have three sons serving their nation.

**Extends Stay in War Zone**  
A second son, Cpl. Douglas Thomason, was home on leave in Granite City until Feb. 16 and has volunteered for a six-month extension of duty in Vietnam. He had been in Vietnam since last March; he enlisted in 1966.

A third son, Lance Cpl. Robert W. Thomason, is stationed at San Diego, Calif. He attended Granite City high school and volunteered for the Marine Corps in March 1967. His wife, Toni, is residing here with relatives.

The other two military grandsons are Army Specialist-fifth Jimmy Ray Wallace, who is on his second tour in Vietnam and has seven years in the Army, and Cpl. Carroll "Joe" F. Wallace, who was wounded last year in Vietnam and is presently stationed at Treasure Island. They are the sons of Mrs. Pete (Betty) Billick, 611 Fillmore street, Venice. Their father, Ray E. Wallace, died in 1962. An ex-Army man, he died of the effects of a battlefield illness contracted in Germany during world war II.

**Completes Navy Service**  
Another grandson, Richard W. Dunlap, a son of Mr. and Mrs. Gerald Borger, was discharged last September after serving three years as a Navy boatswain's mate 3/c on the destroyer U.S.S. Loon, the refrigerator reefer U.S.S. Bellatrix and a radar patrol boat off the Vietnam coast.

The family has an international lineage. With Kenneth Thomason married to a Korean, the other daughters-in-law are Syrian, English and German.

Mrs. Borger comments that her parents reared the family to value people on personality and quality of character, not on race or creed.

The military family has received a wide variety of awards and medals for valor and performance beyond the call of duty.

# Press-Record Youth Focus

**RADIO PRODUCTION PREPARATIONS** being made at Southern Illinois University-Southwestern for RA-DAY on Friday. Conferring on the project are, left to right, seated—John Moorman, instructor; Neal Kassebaum, general manager; Pete Maer, news director; and Jane Reinsch, continuity director; and standing, Steve Duignan, program director; and Wayne Edwards, traffic.

## SIU-SW Radio Students To Broadcast on Friday

Radio production students at Southern Illinois University-Southwestern are preparing for RA-DAY (radio day) tomorrow. Beginning at 8 a.m. from the master control room in the Communications building, simulated program will be conducted as though a station were actually on the air. John Moorman, instructor in radio production, said.

Students in his class assigned management duties are setting up RA-DAY and will execute the project with the help of student staff members.

Included are Peter Maer of Granite City, news director, and Gregg McGee of Granite City, continuity. Neal Kassebaum of O'Fallon is general manager of RA-DAY.

The Federal Communications Commission has approved a construction permit for a campus FM radio station which will go on the air later this year. Friday's exercise is partly in preparation for opening of the station, WISF-FM, next fall.

The program is to be fed via telephone line into the University Center where it will be sent throughout the building. Included in the programs will be all types of music, news, weather reports, sports, features and interviews.

Moorman said his students will be using the full radio facilities of Broadcasting Service. The studios will be used for interviews and weather programs, and the production and news control rooms will be used for production of materials while the station is "on the air."

A mock emergency will be created and the control rooms will be switched for a brief time so that the students will know what to do in case of a real emergency.

The simulated broadcast day will be concluded at 3:30 p.m. with the National Anthem.

**RE-ELECT JIM BARTON ASSESSOR**

Pam Cooper, Patty Ellis, Donna Haldeman, French horn; Gary Ellis, Marc Scheffel, Terry Meyers, Mike Schanuel, trombone; Carol Ross, baritone; Roy Hunter, bass.

## Three Local Swimmers Win 11 Trophies, Medals

Three Granite City swimmers collected a total of 11 first and second place trophies and medals last weekend while competing in the age group and open division invitational swim meet, under sponsorship of the Jewish Community Center Association in St. Louis. Twenty teams competed in the two-day meet, including swimmers from Memphis, Tenn., and other mid-western areas.

Top-rated local swimmer, Miss Ann Bickhaus, 15, daughter of Mr. and Mrs. Ernest Bickhaus, 2028 Manley avenue, captured three first place trophies, winning top spots in the 200-yard open division butterfly; 200-yard individual medley and 100-yard fly events, the latter two in the 15-17 age group. Also in the 15-17 age group class, Ann took second place in the 200-yard and 100-yard freestyle events and two seconds in the open division 400-yard freestyle and medley races, recording seven first and second place wins.

Swimming in the 11-12 division, Karen Reisinger, 11-year-old daughter of Mr. and Mrs. Herbert Reisinger, 2242 State street, scored first place in the 200-yard individual medley; second place in 50-yard breaststroke and fifth in 100-yard freestyle. She also received a first place trophy as a member of the winning 11-12 year medley relay team.

Mark Buenger, 11, son of Mr. and Mrs. Earl Buenger, 2128 Lindell blvd., tied for fourth place in the 11-12, 50-yard breaststroke event and captured second place in the 200-yard medley relay.

Other local youngsters competing were the Cunningham brothers, Eric, 15, and Todd, 10; and also Paddy Jim, 13, Michael, 11, and Rosaleen, 8, children of Dr. and Mrs. Gerald M. Baggot.

Most of the youthful swimmers plan to compete this evening in the mile swim event of the Ozark AAU Senior Championship classic at Berkeley high school, St. Louis. The Electrician's Mate Fireman Apprentice Michael L. Hinds, USN, son of Mr. and Mrs. Herman L. Hinds of 2411 Hodges avenue, has been graduated from the 10-week Electrician's Mate School at the Naval Training Center, Great Lakes, Ill. Aboard ship, the Navy electrician's mate is responsible for the disassembly, repair, adjustment, and reassembly of all electrical equipment.

## 97 Checkerboards Receive Diplomas Give Performance

The Checkerboard Squares held a recital Monday at the Madison recreation center for their parents, friends and school teachers.

"Bachelor of square dancing" diplomas were presented by Miss Shelly Boyd, club caller, to 97 graduates. The Checkerboards demonstrated all levels of square and round dancing, climaxing their show with "clog step" numbers which have brought them national attention.

The teaching staff assisting in the demonstration were Bob and Gen. Boyd, Ray and Vivian Sharp, Gary and Suzanne Greene, and Shelly and Sherine Boyd.

Meanwhile Bob Boyd, director, reported that the Checkerboards have been receiving numerous invitations and inquiries from local and up-state organizations for the summer, but a program has yet to be determined.

Receiving diplomas were Brenda Lee Gott, Barry Kaleta, Rebecca Narvaez, Mary Hoff-

ROYALS BASKETBALL TEAM at St. Elizabeth School which won the first place trophy in the eighth grade playoffs in Edwardsville. The team tied with Collinsville for first place in the league with a nine-and-one record included in an overall mark of 16-and-4. The team, which also took second at Collinsville and third in Highland tournaments, is composed of, left to right, front row—Barry Loman, Jim Wagner, Gary Gregg, Steve Powderly, Phil Hill, Richard King and Mark Loftus, and top row—Sam DeMott, Danny DeRuntz, Pete Mushil, Tom Vrenick, Dick Lynch and Floyd Brawley. The coaches are A. J. Powderly and Phil Hill.

## Teacher Fellowships Offered at SIU-SW

Eighteen fellowships are available for the 1969-70 year for a special teacher training program at Southern Illinois University-Southwestern. Credit may be earned toward the master's or specialist's degree.

The program, known as New Exploratory Teacher Education Program (NEXTIEP), has been in existence for three years at SIU-SW and is funded by the U. S. Office of Education under a Title 6 grant.

Fellows will be eligible to receive a stipend, tuition, and an additional stipend for each legal dependent. Next year's program begins Sept. 24, 1969 and continues through four academic quarters until Aug. 28, 1970.

Applications for the fellowship program should be submitted by April 6, 1969. Packages containing necessary application materials can be secured by contacting Frederick McCarty, assistant director, NEXTIEP, SIU-SW campus, Edwardsville.

ONE-EYED JACKS as they performed at a recent YMCA Teen Town dance, attended by more than 600 teenagers. The next big group at the "Y" will be "The Guild" on March 25. Advance tickets at \$1.50 are available now at the "Y" and admission will be \$2 at the door.

## Larry Moore Wins \$100 in Contest

Larry Moore of Granite City, Larry Peipert of Alton and Adella Dooley of Wood River, won \$100, \$50 and \$25, respectively, by selecting the same winning model, as the judges,

in the sports arena design contest held recently at SIU-SW campus.

The Southern Illinois Builder's Association sponsored the event and asked the university students to pick the winner and write an essay on the merits of the model. Models in the contest were designed and constructed by high school students.

## Lee Elected President Of Pontoon Teen Town

Eddie Lee was elected president of the new Pontoon Teen Town at an organizational meeting. It was announced today.

Other new officers elected were Willie Dowdy, vice-president; Paula Watson, recording secretary; and Kay Doolin, treasurer.

Joe Hennin was appointed as chairman, and Bill Sansone as assistant, to the ways and means committee, and Jackie Stein was named chairman, and David Cuvor, assistant, of the

publicity committee. Fourteen teenagers attended the business meeting, the first for the new Teen Town. Guests included Mrs. Leigh Watson, counselor, and Mrs. Marie Stein, dancing and a social affair followed.

Plans were made for a dance from 7 to 11 p.m. Friday and other dances were outlined after a meeting with the Pontoon Beach volunteer fire department. Admission tomorrow night will be \$1 at the door.

## GCHS Speechers Win 4th in Speech Contest

The Illinois High School Association individual speech contest was held Saturday at Belleville West high school with Granite City placing fourth among 48 schools.

Those advancing to the state finals March 28-29 at Illinois State University at Normal were Doris Ferro, first in original monologue; Lauren Shelton, second in radio speaking and Nancy Sternberg, third in comedy reading.

Others taking part were Anita Gasparovic, serious reading; Cindy Bloomenstock, oratorical declamation; Karen Corzilius; extemporaneous speaking; and Connie Murray, verse reading.

## Prof Says State Clean Air Law Not Strong Enough

"Our present Illinois state law on air pollution is not strong enough to fulfill the needs of the Federal Air Quality Control Region recently established in this area," Dr. George Arnold of Southern Illinois University-SW campus, told the Science Club of Granite City high school last week.

He said pollution control cannot be accomplished by science and technology alone—"We must have more individual responsibility and better laws."

Professor Arnold spoke highly of the Granite City air pollution control board for trying to obtain stronger and more comprehensive regulations for this area than those provided by the state. "The Granite City board has for a long time been urging more stringent, forward-looking controls based on the 1962 interstate study done here. It has been trying to tighten up the law against great handicaps."

"The state of Illinois, on the other hand, has been fearful of restraints upon individual liberty and private enterprise. The result is that clean air and clean water are being sacrificed. Our state law is clearly inadequate to achieve proper air pollution control. Its procedures are too slow and cumbersome to meet the time schedules of the new Air Quality Control Region," Arnold added.

"The Illinois state law was adopted back in 1963 before the interstate air pollution study was complete, and it was a compromise with industrial interests. It is not satisfactory to obtain clean air for the alluvial basin of Madison and St. Clair counties. The new federal criteria support the Granite City Board, and will remove some of the handicaps the board has suffered."

"Sen. Joseph Krasowski and Rep. Theodore Meyer, both of Chicago, along with Rep. Leiland Kennedy of Alton, Rep. Ed Lehman of East St. Louis and other members of the General Assembly, have recommended that a new code department of natural resources be established in Springfield to help preserve our precious air and water. Prepared House and Senate bills to accomplish this will be of the club."

MEXICAN SUPPER preparations being conducted by Dwain Hooper for members of the Intermediate Sunday school department of Emmanuel Baptist Church as Rev. Vernon Covington, pastor, inspects the progress.

## Emmanuel Baptist Youth Stage Mexican Supper

Thirty-two persons attended a Mexican supper sponsored by the Intermediate Sunday school department of the Emmanuel Baptist Church, 1809 Pontoon road, it was reported this week.

Mrs. Lucille Crews, superintendent of the department, was in charge of the entertainment, which included a skating party following the supper. Special guests were Rev. Vernon Covington, pastor, and his family.

As guests arrived they were greeted by a sign welcoming them to the supper with the phrase, "Hola, Amigos." The mood was further enhanced by the decorations of the fellowship hall, which included Spanish vases, pitchers and siesta sombreros. Dinner music was provided by Spanish records.

Dwain Hooper was in charge of the menu, which included tacos, spanish beans, taco chips and soda. As guests left the church recreation hall for the skating party, they were saluted with the phrase, "Buena Noche," proclaimed by a sign at the exit.

The Mexican supper was a part of a continuing youth program sponsored by the church. The department of the Sunday school held a recent Progressive supper, in an effort to reach youth for Christ.

visiting the homes of Mrs. Charlotte Heiman, Mr. and Mrs. Duane Badgett, Mr. and Mrs. Ronald Weiss, and Mr. and Mrs. Chester Brannan Jr., and the senior high department of the Training Union held a popcorn popping at the home of C. B. Scott, leader.

## High School Speech Institute Set at ISU

The 1969 summer high school institute in speech at Illinois State University, Normal, has been set for July 12 to Aug. 2, according to an announcement today by Dr. Keith C. Davidson, institute director.

The annual three-week program for talented high school students will include work in theater or forensics as well as in interpretation or public speaking and voice and articulation.

Students in the actor's program will get intensive experience in the studio concept made famous by the Actor's Studio of New York.

Forensics students will use the 1969-70 national high school topics in debate and discussion and will participate in a series of final debates.

One hour of college credit may be earned by qualified students and held in escrow for later entry at ISU or any institution honoring transfer course work of this nature.

Davidson and other regular members of the ISU speech faculty will provide instruction.

One inclusive fee will cover living and food expenses in a campus residence hall, an activity fee for recreation and field trips, and a registration fee.

May 17 is the application deadline. Davidson asks that inquiries about the program be directed to him as: Director, Speech Institute, Illinois State University, Normal, Ill. 6781.

## Top Road Rally Explorers to Advance to Region, National

Local participation in the Exploring Safe-Driving Grand National Road Rally has been announced to 27 Explorer posts by Rollin Henn, president of the Cahokia Mound Council, Boy Scouts of America. The council road rally is set for Saturday, March 22.

Co-chairmen of the Explorer Road Rally Committee are James Anderson, Explorer Post Six, and James Hellrich, Explorer Post 94. Subcommittee chairmen include James Evans, route chairman and Craig Maer, program and awards chairman. Advisors for the event, which was first held in 1968, are Phil Dixon, Kickapoo district scout executive, and Fred Hach, representing the southern Illinois region of the Sports Car Club of America.

**Use 150-Mile Route**  
The road rally here will traverse a 150-mile route and use all the techniques employed by rally sponsors and drivers across the country. There will be a vehicle inspection, a safety check, and a test of driving skills for the Explorer drivers.

A special rally training school will be held Wednesday, March 19, at 7 p.m. in the Science Lecture Hall on Southern Illinois University's southwestern campus, and all Explorer posts are to attend.

Explorers who do not have driver licenses will serve as

team navigators and observers, or will be assigned as officials for the vehicle inspection area, the driver test area, the start, the checkpoints and the finish line.

**Skill Test—Not a Race**  
Anderson and Hellrich point out the rally is not a race, but is designed to test driving skill, and to make a "fine art" of following an unhearsable route and keeping on schedule.

It stresses safe driving and the ability to follow maps and driving instructions. At the close of the rally, five team awards will be presented to the teams with the best scores. The top trophy, sponsored by the Moltor Motor Co. of Collinsville, will be presented to the winning team.

**Followed by Luau**  
After the awards ceremony, all Explorers and advisors will participate in a special "luau" a new feature this year.

The winning team will be entered in the Region Seven rally, which will include the state of Illinois, Indiana, Michigan and Wisconsin. Top three teams in the regional event will be invited to drive in the Grand National at Detroit, Mich., next fall.

Cooperating with the Cahokia Mound Council are the Lincoln-Mercury Division of the Ford Motor Co., the Moltor agency, the Sports Car Club of America and the Illinois state police.

**Blaskar and Shala** who will present "Dances of India" at 8:15 p.m. Saturday in the Artist-Lecturer series at SIU-SW as the next attraction in the Artist-Lecturer series.

### Dances of India Set As Campus Attraction

Blaskar and Shala in "Dances of India" will be the next attraction in the Artist-Lecturer series at SIU-SW campus. The two will appear at 8:15 p.m. Saturday in the Communications building theater. The program is open to the public without charge.

Born in Madras, India, Blaskar is the son of the sculptor artist D. P. Roy Chowdhury. He started his career as a boxer, later joining Gemini Film Studios as an actor. At the same time he began dancing and was soon sought after by motion picture studios as a choreographer-dancer-actor. He started his first dance company in India in 1950.

Shala, a leading exponent of the classical dance style from the temples and courts of Northern India, received her early training in Bombay with the famous Lachchi Maharaj. Later she moved to New Delhi and took advanced training at Government College. Subsequently she was awarded two scholarships to continue her dance study.

### Students May Attend Classes in Germany

Southern Illinois University-Southwestern campus students will be living with German families this summer while learning to speak the language. Facilities for class instruction will be provided by Bonn University.

Accompanying the students when they leave by plane from St. Louis, June 20, will be Sonja Lind, instructor in the SIU Humanities Division. She will teach intermediate German, and intermediate German conversation, the prerequisite for which is two years of high school German or one year of college German.

A course in German culture will be taught by Prof. Raymond J. Spahn. Those enrolling in his course must have had two years of college German or four years of high school German. Classes begin June 23 and end Aug. 2. Students will return to the States Aug. 27.

Those interested in enrolling should call the University Extension Services, SIU-SW campus, 618-602-2860 for more information. Under the guidance of SIU instructors, students will spend weekends taking extended tours to German cities. Spahn and his wife will leave on March 20 and meet the students in Germany in June. He will work in the Vienna libraries, studying the Austrian intellectuals participation in contemporary affairs.

### Jack Farrow has Role in College Production

Jack Farrow of Granite City, a junior student at McKendree College, Lebanon, Ill., will be one of the featured players in the forthcoming presentation of "The Odd Couple" by Neil Simon.

The play will be staged in the school gymnasium on March 21 and 22. It was announced by Terry Thomlinson, speech instructor and play director. Reserved seats and general admission tickets may be ordered by writing, Drama, McKendree College, Lebanon, Ill., 62254, specifying the desired date.

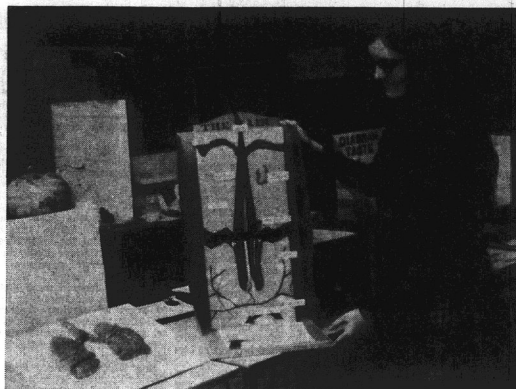

**BUSY SPRING SCHEDULE** is in store for this local rock-and-roll band, The Bearth, whose engagements include tomorrow night at the East Alton community building, March 23 in a Wood River "battle of bands" and an April booking at Grigsby junior high school. It has appeared at the Madison Teen Town and Beneath Society this month. The musicians (left to right) are John Petish, Jerry Newman, Bob Peacher, Dave Rouland and Darrell Orender.

### St. Elizabeth's Pupil Gets Prep Scholarship

Granite City Fire Capt. and Mrs. John Gyarmati, 2549 Waterman avenue, have been notified that their daughter, Helen, will receive a four-year scholarship at Xavier high school for girls located at 3722 West Pine blvd., St. Louis.

Helen is an eighth grade student at St. Elizabeth's grade school. She took the entrance examination in February with 225 other applicants. Of this number 125 were accepted for the fall semester.

The letter from Sister Dorothy Spellman, B.V.M., principal of the school, reads in part: "It gives me pleasure to inform you that your daughter Helen has been designated by our admissions committee as one of the nine top-ranking applicants among our incoming freshmen and is accordingly named by the committee for honors at entrance. The nine will be cited at our Awards Day in recognition for this high distinction."

HELEN GYARMATI

### GAA to Hold Reversal Event on March 20

The Girls Athletic Association at Granite City high school will hold its annual reversal event on the theme "Casino Royale" from 8:30 to 11 p.m. March 21 in the girls gym.

Members will escort and assist their dates. Tickets available to members only at \$2.50 per couple may be obtained in the girls gym.

Chairmen are Margie Rozyczka, food; Lynn Jacobsmeyer, tickets; Barb Azari, program; Elaine Tarantolo, program; Kathy Kula, entertainment; Linda Wetton, decorations; Maureen Tolan, cleanup; Liz Starco, coat check; and Connie Roester, band.

FRIDAY, 9c AT GRANT'S

### Minister, Students At Council Session

Rev. Paul Surbey, president of the Quad-City Ministerial Association, was present at the city hall Monday evening to give the opening prayer for the meeting. Mayor Partney led the flag pledge.

In attendance were about 85 Granite City high school students, members of three civics classes taught by Albert Lewis. He told the Press-Record that the evening's attendance was the 32nd time he had called upon students to attend council sessions to view first hand the functions of city government.

Among the students was Bob Miller, 103-pound wrestler who on Saturday had won the state champion title at Champaign.

The youth was introduced by Alderman Clyde Boyd, who noted Miller had brought richly-deserved credit to the city.

Also in the audience was a group of women wearing the numeral "6" on their coats. The group reportedly is opposing Mayor Partney's bid for re-election, and the number represents the number of regular council meetings remaining in his present term. Last week, they were the numeral "7".

Monday night's session, although it was preceded by a 30-minute town board meeting, adjourned earlier than usual, with adjournment at 10:20 p.m.

### Bricklayers Re-elect Officers, Honor Vets

Arthur Evenden was re-elected as president and Paul Zupan as business agent of Bricklayers Local 65 at a business meeting Monday night when veteran members were honored.

Others elected were Harry Weis, vice-president; Bobby Weis, corresponding secretary; Kenneth Crick, financial secretary; Fred Law, chairman of the arbitration board; George Smith, sergeant-at-arms and trustee; Ralph Smith, trustee and member of the arbitration board; and Chester Dean and Alan Gasparovic, members of the arbitration board.

Members honored were Wallace Johnson and Fred Slay for 50 years of service; Andrew McMillan, Joseph B. Lattimore sr. and Andrew Gasparovic for 40 years; and the following for 25 years:

Bob White Jr., Steve Orosz, George Kukarola, William Cummings, Floyd Cochran, James C. Gordon, Arthur Ross, Harry Weis, Harry E. Brandt sr., George B. Hatchard, Arthur L. Knapp, R. H. Ledwidge, Karl Linhart, Arthur McFarland, Edward Rill, Paul R. Rill, J. C. Hutson, Earnest W. Veach and Morgan McKnight.

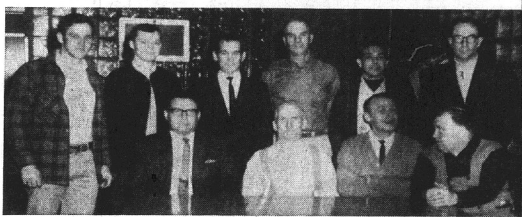

Food and refreshments were served after the meeting.

With Unit in Korea  
Army Pfc Freddie L. Hoffman, 20, son of Mr. and Mrs. Clarence F. Hoffman, 2832 Benton street, has been assigned to the 2nd Infantry Division in Korea, as a personnel specialist.

VETERAN BRICKLAYERS who were honored by Local 16 for length of service at a meeting Monday night are, left to right, seated—Andrew McMillan, 40 years, Wallace Johnson, 50 years, and Joseph B. Lattimore sr., 40 years; and standing—Bob White Jr., Steve Orosz, George Kukarola, William Cummings, Floyd Cochran, James C. Gordon, Arthur Ross and Harry Weis, all 25 years.

BRICKLAYERS LOCAL 65 officers who were elected at a business meeting Monday night are, left to right, seated—Paul Zupan, business agent; Harry Weis, vice-president; Arthur Evenden, president; and Chester Dean, arbitration board; and standing—George Smith, trustee and sergeant-at-arms; Alan Gasparovic, arbitration board; Bobby Weis, corresponding secretary; Ralph Smith, trustee and arbitration board; Kenneth Crick, financial secretary; and Fred Law, chairman of the arbitration board.

### GC Optimist Oratorical Contest Staged Today

Several junior high school age youths are competing this afternoon in the Granite City Optimist's annual "Oratorical Contest." The event is being staged at the Rose Bowl with a luncheon meeting.

Names of the contestants and judges are withheld until the event is concluded, according to John Solenberger, Optimist secretary. The youths are speaking on the topic—"Respect for Law—Cornerstone of Citizenship."

The winner will be eligible to compete for zone and district honors later this spring. To qualify, youths may not have reached their 16th birthday by last Dec. 31.

Solenberger noted that the Optimist oratorical competition has been placed on the approved list of national contests and activities by the National Association of Secondary School Principals.

The youths are judged on four points: Organization of material, including adherence to subject matter and value of content; delivery and presentation, such as voice, enunciation, pronunciation, posture; overall effectiveness of the speech upon listeners; and personality, attitude and appearance.

The top three contestants will be awarded trophies, Robert Keller, contest coordinator reported. Names of the competing students and their schools will appear in Monday's Press-Record.

### Horse Show Association To Reorganize Saturday

The Central and Southern Illinois Horse Show Association announced a reorganizing meeting will be held on Saturday at the Knotty Pine, Breese, Ill. To be discussed will be a new concept in point system for horse shows. All interested riders and delegates from saddle clubs, either members or non-members, are invited to attend, as an election of officers and directors will be held. For further information contact the president, Jerry Wolf, 618-698-9883 or secretary, Arlene Hilmes, 818-226-7434.

Low-Cost Remodeling Tip.....  
**BEFORE**  
**AFTER**  
**Replace Old Worn-Out House Windows with Nu-Sash**  
Unique test-proved Nu-Sash updates the home instantly; forever ends window problems.  
Nu-Sash gives a clean modern appearance; makes window washing easy; keeps out dirt and noise; ends yearly maintenance; and increases property value.

Repairing old troublesome, rotted and rattling windows has always been a problem to homeowners and property owners who want to modernize. However, a handsome unique aluminum replacement window now provides a simple and economical solution.

This revolutionary product—Nu-Sash®—is a window specifically designed to replace old outdated deteriorated windows. The cost—including installations—is nearly 40% less than other methods of renovating or remodeling old windows.

With Nu-Sash, there is no costly remodeling of inside walls; no messy or dirty construction work. Old windows are removed and expert installation men install Nu-Sash in a matter of hours without touching inside plaster or disturbing the present woodwork around windows.

Nu-Sash has been tested under rigid laboratory conditions. Results show the window superior to recommended standards set up by FHA for new construction requirements.

Savings in heat and air conditioning bills alone pay for a Nu-Sash conversion. However, the real advantages and savings of new Nu-Sash windows are greatly realized when the outstanding features are tested and compared against ordinary windows.

As an important and permanent addition to the home or building, Nu-Sash qualify for low interest home improve-

ment loans. Modest monthly payments are available.

Additional free literature, price samples, details and drawings, and names and addresses of Nu-Sash installations in the area are available by a phone request or by mailing the coupon.

### MFT Street Bids to be Opened March 19

A bid opening is scheduled for March 19 for improvements to sections of Troy and Michigan avenues with motor fuel tax funds.

Alderman Robertson was advised during Monday night's council session by the city MFT engineer, Kenneth Kleberger, that there are sufficient MFT funds for the project.

The city was notified Monday by the state highway department that added MFT funds for the two projects to provide connections with the new storm-water drainage system had been approved—\$500 more for Troy avenue to put the total at

\$35,000, and \$10,000 for Michigan avenue, for a total of \$45,000. State highway officials also reported acceptance of the city's resolution for \$120,000 MFT funds to be used this year for arterial street maintenance and acceptance of the MFT engineering contract for 1969 with Research Planning & Design Associates.

Forwarded to the state was a resolution adopted Monday night requesting arterial street designation for South street between Iowa street and Madison avenue and for Iowa street from South street to the city limits.

Permission was given Illinois Power Co. to install 1500 feet of six-inch gas line in the alley east of Nameoki road from Victory drive to Wilson avenue. Further reports are expected from the Illinois Commerce Commission in answer to letters sent off by City Atty. Leon Scroggins concerning conditions of railroad crossings.

The state highway department is to be asked to advance the starting time of traffic lights at the Nameoki-Johnson-Fehling road intersection to 6

a.m. instead of the present 6:30, and a five-ton weight limit for Mitchell avenue was requested by Alderman Dawes.

Council members approved an ordinance to remove a stop sign from West 20th street at Jefferson avenue.

Approval was given Civil Defense Director Victor Koenig to spend up to \$700 of the CD funds in a continuing program for improvement of facilities at the CD building, 1411 Nineteenth street—the old main fire station.

**Maykopet Services Today**  
A 9:30 a.m. Requiem High Mass was conducted, today, at St. Joseph Roman Catholic Church for Paul Maykopet, 82, retired grocer, who died at 10:15 a.m. Monday at St. Elizabeth Hospital. Interment was at Calvary Cemetery in Edwardsville township.

## Bolten Installed By Ainad Motor Patrol

The Granite City Ainad Compacts Motor Patrol held an installation of officers this week at the Flaming Pit restaurant, Edwardsville.

Honored guests included Ainad Temple illustrious Potente Harry Blue and his wife; Granite City members of Ainad Divan; the captain of guard, Jack Dempsey, and his wife; orator, Dick Ervay, and his wife; and Deputy Grand Master Preston Ridings of the Illinois Fifth Southern District, AF&AM and his wife.

Proceeding the dinner, Dempsey and Ervay obligated Howard Bolten as president, Ray Penn treasurer, Gene Ross secretary, Vernon Clutta captain of the patrol and Joe Timmons, lieutenant. Ray Simmons was proxy for Ross.

Dempsey spoke on the future dates on the Ainad Temple calendar and Ervay spoke about the Shriners Hospital in St. Louis and commented on a fire at the Cincinnati, O., Shriners Hospital. Six nobles volunteered to donate blood for the Cincinnati Hospital to reduce a pending commitment of 31 pints of blood.

It was announced that March 17 will be "friendship night" at Granite City Masonic Lodge 877, March 23, a dinner at Collinsville Lodge 712 and March 23 and 30 a ham and bacon shoot at Interstate 70 and Route Three.

Dinner was served. Those present included Lloyd Lewis, Jim Fritz, John Helton, Ernie Robinson, Virgil Doremy, John Turner, Walter Blankenship, Bud Voss and Jerry Gage and their wives.

## Nameoki Town Audit Open to Inspection

A Nameoki township financial statement will be available for public inspection March 25, Nameoki Town Clerk John Karlechik announced today.

The books may be inspected any Saturday morning between 9 a.m. and noon at the Nameoki town hall on Highway 162, Karlechik said.

The clerk said township financial records have been audited annually by a certified public accountant since 1967. Under new statutes, a copy of the audit must go to the state auditor this year.

## GC 'Town Board-Council' Sets April 1 Polling Places

Confusion again is anticipated April 1 when the Granite City township-city election is scheduled.

In dual sessions Monday night in its dual capacity as township board and the city council Monday night, the aldermanic board adopted a township resolution setting up 32 precincts for the township election and then later as the city council adopted a resolution calling the city election and listing 31 polling places.

In separate action, the council also adopted a resolution establishing 31 city precincts in the new seven city wards.

City-Town Clerk Homer "Cal" Pendleton noted a possibility that 22 of the polling places in the city-township election could be in the same locations, although the precinct boundaries in most cases would be different—to further add to the confusion.

**Example of Problems**  
As an example, the city will have Kaych Realty at 2707 Madison avenue as a polling place in one of its precinct, while Township Nelson Hagnauer is trying to get the Third Baptist Church at 26th street and Grand avenue for the township polling place.

The township cannot use the Kaych office, since Frank Kaych is a candidate in the township election. One Second Ward alderman, Bartosiak, favored dual use of the church, while the other, Whitmer, favors the Kaych office in for the city election since it was used in the mayor primary Feb. 11.

Other aldermen indicated they could make further changes in polling place locations for the city precincts prior to the April 1 election, and Supervisor Hagnauer said he would not know until about mid-March on the use of the Third Baptist Church for the township polling place.

"There's just no place in that precinct," the township official lamented.

The use of the same polling place locations by the city and township also is causing problems.

**Problem of Judges**  
It will be left to the discretion of the aldermen to decide if they want to use the same election judges for handling both the city and township elections.

Several expressed disapproval of the judges named for the township polling place by County Clerk Miss Eulalia Hotz and said they wanted to name their own judges.

With two sets of five judges, the large polling places would be needed, since two sets of records would be kept.

Mayor Parmey noted that during the mayor primary election, there were mixups at several precincts with six judges instead of five. He asked the council to clarify the situation before the April 1 election.

In the resolution establishing the 31 precincts, the boundaries were not defined, but a map is to be prepared by the city clerk.

**Last Minute Action**  
Alderman Fry, who presented the resolution, cautioned council members that the boundaries—outlined by the aldermen of each ward—had to be approved that night to meet legal requirements, but that the legal description was not yet put down on paper.

A protest was raised by Alderman Moerlein, who said he had received several complaints from older persons who did not want to go to two polling places to vote in the city and township elections on the same day and also to a third place to vote in the park board election on the same day.

Clerk Pendleton said he had to know the arrangement as quickly as possible so he could order election supplies.

The resolution calling the election of the mayor, clerk, treasurer and eight aldermen (one for a two-year term in the First Ward) was approved unanimously.

The resolution establishing the city precinct boundaries was opposed by Moerlein. The vote was 13-to-1. Alderman Nann was ill and was not present and Alderman Dawes was out of the council room during roll call.

**Tries Twice—Succeeds**  
During both the town board meeting, from 8 p.m. to 8:30, and the city council session, from 8:30 to 10:30 p.m., Alderman Fry introduced motions for doubling up on the use of election judges for city-township polling places wherever possible to reduce costs.

In the town meeting, the motion lost 8-to-9. Basarich said that would be city business rather than township business.

During the council session, the same motion was approved 11-to-4. Parmey said in the Sixth Ward, the same polling places and judges will be used for both elections.

Fry also read excerpts from a 1967 letter written by Town Atty. William Schooley that the town board (city council) could designate township precincts, which also are county precincts, subject to approval by the county board of supervisors at annual meetings during the summer.

**Problem Could be Solved**  
He suggested the council ask the town board designate the

township precincts to be the same as city precincts as soon as possible to put an end to the confusion.

"It's up to you, I'm not a candidate for re-election, but it sure would be beneficial," Fry commented.

Also during the town meeting, Alderman Poules asked if township officials were planning to buy meals for poll judges as the city council had done for a first time during the Feb. 11 mayor primary vote.

Supervisor Hagnauer said the meals were not included in the new township budget, which is to be acted upon at the April 1 annual township meeting.

Hagnauer said he favored the proposal, and it was determined the council could adopt such a

**Leaves Drive, Collides**  
Larry Langston Jr., 2340 Orville avenue, was charged with a right-of-way violation after his auto, leaving a private driveway onto Madison avenue near Niedringhaus avenue, collided with a car driven by Mrs. Gladys Branscomb, 2320 East 27th street, at 12:45 p.m. Monday.

## ICC Opens Hearing on Plans to Drop Train

The Interstate Commerce Commission initiated a series of hearings Tuesday and Wednesday in St. Louis on a proposal by the Norfolk & Western Railroad to discontinue its Washburn Cannonball passenger train.

The train operates through the Quad-Cities between St. Louis and Detroit, Mich.

Other sessions will be held before ICC Examiner Louis E. Bartee March 27 in Decatur, March 28 in Danville, March 31 in Lafayette, Ind., April 2 in Peru, Ind., April 3 in Fort Wayne, Ind., and April 7 in Detroit.

Granite City PRESS-RECORD

## Seek Demo Nomination

Harry Briggs, 48, of 3065 Lake drive, is seeking the Democratic nomination as senator of the 53rd Senatorial District in the March 11 special primary election.

Briggs, now serving his fourth term as supervisor of Nameoki township, has lived in the Quad-City area for 45 years. He is a native of Tulsa, Okla. He is a graduate of Granite City high school.

He operates his own business, dealing in restaurant supplies. Briggs is a member of Triple Lodge 835 AF&AM, Scottish Rites Bodies, Almad Temple, Granite City Shrine Club and the Elks and Moose lodges.

He is married and has four children. Briggs has served as chairman of the Legislative committee of the County Board of Supervisors for the past ten years. He said that because of that experience "I feel I am well qualified to serve the people of the 53rd senatorial district. My objective is to preserve home rule—grass roots government—to try to better the life of senior citizens, help pass good legislation and defeat bad legislation."

Robert L. Ford, 42, assistant supervisor of Wood River township since 1963, is a Democratic candidate for nomination as senator of the 53rd District in the special March 11 primary election.

Ford, an unsuccessful candidate for state representative in the 1968 Democratic primary, is employed in the accounting division of American Oil at Wood River, a position he has held for 19 years.

He holds a bachelor of science degree from Southern Illinois University. He served with the U. S. Army in France and Germany during world war II and is a member of the Veterans of Foreign Wars.

Ford is married and has three daughters. He also is vice-president of 10WU Union Local 15 and has served as Union Fund treasurer at the refinery for several years.

As a member of the county board of supervisors, Ford now serves on the Civil Defense and Air Pollution Control committees.

## Area To Ballot In Senatorial Primary Tuesday

Quad-City voters will go to the polls again Tuesday, this time to nominate a Democratic and a Republican candidate for senator of the Illinois 53rd Senatorial District to fill a vacancy created by the resignation of former State Sen. Paul Simon of Troy, now Illinois lieutenant governor.

The special primary election will be conducted in the 144 precincts of the 53rd Senatorial District—which make up the Quad-City area—which make up the 53rd District. In addition to Granite City, Venice, Nameoki and Chouteau townships, the district includes Edwardsville, Alton, Godfrey, Wood River, Jarvis and Pin Oak townships.

Four candidates are seeking the one nomination on the Democratic ballot while two candidates are making the race on the GOP ballot. The Democratic ballot will list five candidates and the Republican ballot three, but one candidate on each ticket has announced withdrawal from the bid for nomination.

**On Democratic Ballot**  
Seeking nomination on the Democratic ballot are Harry Briggs, supervisor of Nameoki township; Robert Ford, assistant supervisor of Wood River township; Patrick Riddleberger, history professor at Southern Illinois University-Southwestern Campus, and Sam P. Drenovac, Chouteau township farm operator.

**Fifth name on the Democratic ballot** will be that of Walter T. Niles, is employed as a supervisor in the annealing department of Granite City Steel Co., and previously was employed as a service engineer and electrical draftsman.

He is a native of Newark, Ohio. He attended elementary schools in Cleveland, Ohio, high school in East Cleveland and attended night classes at Fenn College. He also has attended several courses at Washington University and Southern Illinois University.

Rogers served in the U. S. Navy during world war II aboard the USS Mississippi in the Pacific theater and saw combat action in the Philippines, Iwo Jima and Okinawa. He is a member of the First Presbyterian Church of Edwardsville, is a former president of the Granite City Steel Management Club and twice was president of the St. Louis Council of Management Clubs.

**Scout Council Member**  
He served seven terms as vice-president of the Cahokia Mount Council, Boy Scouts of America, and now is a member-at-large. He served as chairman of the Edwardsville Volunteers for Nixon in the 1960 campaign and was a member of the Illinois Mayors for Nixon committee in last year's presidential campaign.

Rogers twice has been president of the Southwest Council of Illinois Mayors, is presently a member of the board of directors of the East-West Gateway Coordinating Council and is a member of the advisory committee of the Regional and Urban Development and Services Department of Southern Illinois University-Southwestern campus.

He said he is seeking nomination and election as senator of the 53rd District because his experience as mayor has brought him in close contact with the state legislature and that he is acquainted with the needs of the district through his activities with the Southwest Illinois Council of Mayors and the Gateway Council.

"I am familiar with the revenue problems of both the cities and the state. I am equally familiar with the pillars of the harassed taxpayer," Rogers said.

**More Comfort Wearing FALSE TEETH**  
To overcome discomfort when dentures slip, slide or loosen, just apply a little FASTEETH on your plates. FASTEETH holds dentures in place. You can eat, smile, feel more comfortable. FASTEETH is alkaline—won't hurt. Help check plate office. Dentures that fit are essential to health. See your dentist regularly. Get FASTEETH at all drug counters.

**Parked Auto Damaged**  
An auto parked at Second street and Madison avenue was damaged in the right rear and right side when it was struck by car driven by James Taylor, 2031 Beckwith street, Madison, at 4:45 a.m. yesterday, according to a report by Madison police. Taylor told officers he was driving south on Madison avenue when the mishap occurred. Owner of the parked car was not immediately identified.

**NARCE Meeting Monday At GC Army Depot**  
A regular monthly meeting of NARCE, Granite City Chapter 187, will be held on Monday, March 10 at the Granite City Army Depot Officers Club at 2 p.m. E. A. Erney, president, is inviting all retired civil employees and their wives or husbands to attend.

Representatives to the State Federation meeting in May will be elected. Refreshments will be served.

RAYMOND ROGERS

MERRILL OTTWEIN

## In GOP Senatorial Bid

Raymond O. Rogers, 52, mayor of Edwardsville for the past eight years, is a Republican candidate for nomination as state senator of the 53rd senatorial district in Tuesday's primary election.

Mayor Rogers, who lives at 419 Vandalia street in Edwardsville, is employed as a supervisor in the annealing department of Granite City Steel Co., and previously was employed as a service engineer and electrical draftsman.

He is a native of Newark, Ohio. He attended elementary schools in Cleveland, Ohio, high school in East Cleveland and attended night classes at Fenn College. He also has attended several courses at Washington University and Southern Illinois University.

Rogers served in the U. S. Navy during world war II aboard the USS Mississippi in the Pacific theater and saw combat action in the Philippines, Iwo Jima and Okinawa. ## Jaycees to Expand Park At Site on Poplar Street

Lease of another three lots at the old Quamant But verdans housing area and the police department's former firing range to the Granite City Junior Chamber of Commerce for a family recreation area was approved Monday night by city council members.

The Jaycees presently are leasing the cut - down firing range building and two lots for clubhouse, and plan to start this spring to install \$1000 worth of playground equipment for children.

A letter from Richard Dawdy, Jaycees president, informed the council that the playground equipment has been purchased and that the Jaycees would like to expand the project to include a picnic shelter and barbecue pit for family recreation in "Jaycees Park."

The request for the additional 150 feet of the city-owned property was well received by the aldermen. Fifth Ward Alderman Basarich said he was "greatly in favor" of the plan, and Alderman Boyd motioned for City Atty. Scroggins to prepare the \$1 lease arrangement.

Mayor Partney added, "there is a great need for park and recreation facilities in that particular area," and he praised the Jaycees for their endeavor.

It was agreed the present lease for the old firing range and two lots would be amended to include firing range and two lots, and that a hold harmless clause for the city would be included.

Jaycees President Dawdy in his letter explained the playground equipment is for smaller children, but the Jaycees also want a family-type park. The police firing range had to cut in half to provide adequate right-of-way for Federal Aid Route 151.

Funds for the project are raised through the Jaycees annual homecoming and other programs.

## Bills to Make Parents Responsible For Injury, Damage By Teenagers

(Springfield Scene)

Several parental responsibility bills have been introduced in both the Illinois House and Senate.

S. 49 by Sen. Harris W. Fawell (R, Naperville) makes the natural parent of a minor liable for a maximum of \$500 actual damages for the willful or malicious injury to a person or to property caused by the minor while living with the parent. It limits personal injury damages to medical, dental and hospital expenses.

It passed the Senate Judiciary Committee 6-5 and was referred for amendment by Fawell to include minors aged between 12 and 19. He also proposed amendments to clarify legal language and the measure was approved by the Senate.

Forty-two states presently have parental responsibility laws. Of these, 30 have laws such as this 1959, and the law has been tested in two states.

In other pending legislation, Republican-sponsored Cook county election reform bills (S. 1, 2 and 3) have passed the Senate 37-15.

The Senate has passed the governor's Budget Bureau bill (S. 226) but without an emergency clause. Lack of the clause postpones its effect until July 1.

A resolution asking Congress for a constitutional amendment to abolish the electoral college and elect presidents by direct popular vote was introduced by Rep. Clyde Chouteau (D, Anna).

A bill repealing the state's seven-month-old gun owner registration was approved by the House Conservation Committee, 15-4.

A three-man State Labor Relations Board patterned after the NLRB is proposed by H. 818, introduced by Rep. Anthony Scialano (D, Park Forest).

Thirty-two organized labor-inspired bills, H. 246-27, on workmen's and unemployment compensation have been referred to two special subcommittees of the House Judiciary Committee for an "agreed bill process" to take place between management and labor on the complete subject. Benefit increases of 40% to 50% have been proposed.

S. 133, raising the FHA and VA interest limit from 7% to 8%, is nearing passage after being approved 10-2 by the Senate Banks Committee.

Illinois Highway Study Commission recommendations have

## FROM THE STATEHOUSE

By LT. GOV. PAUL SIMON

### HOW MUCH INDEBTEDNESS SHOULD ILLINOIS ASSUME?

In November, Illinois citizens turned down a \$4 billion bond issue for construction purposes and the same proposal may be on the ballot in 1970 if bills now pending in the legislature are passed.

The question which Illinois citizens must consider is: How far in debt do we want to go?

Two years ago when the same proposal was before the State Senate, and I was then a member of that body, the vote on the proposal was 55-1, and mine was the lonely vote of opposition.

I am sure many observers thought that strange since I have long sponsored bills for stronger air and water pollution measures and for a better park and recreation program. The reason for my vote was simply that we are better off meeting our needs on a pay-as-you-go basis as much as possible.

This is usually not possible for a school district or a municipality. But the state government can operate on a pay-as-you-go basis if we have the courage to do it.

State Treasurer Adlai E. Stevenson III recently issued a report pointing out that Illinois has one of the smallest half billion dollars in indebtedness and on that amount we will pay interest of one billion dollars.

People express a great deal of concern about the federal deficit, and I share much of this concern because it means the nation will go bankrupt, but because it means spending money unnecessarily on interest, and because it could tend to diminish the value of the dollar.

But the indebtedness of state and local governments is growing much more rapidly than is the federal indebtedness. Between the fiscal years 1946 and 1966 the federal indebtedness grew 65%. During the same years the indebtedness of state and local governments in the nation grew by 670%.

This means that a higher and higher percentage of your state and local tax dollars is going for interest, rather than goods and services.

I am not suggesting that a school district should not issue bonds; most school districts are forced to do so.

But it does mean that we must recognize what we are doing to diminish the trend toward unnecessary indebtedness.

School districts, for example, could take advantage of a bill which permits them to accumulate funds on a .06 percent levee. This can only happen after the levy and could save many thousands of dollars in your school district. And most important, in determining state policies we should move toward being fiscally responsible and not the resources. Ordinarily if we are not willing to vote the revenue, we should not vote the appropriations.

## Time to Put Aside Politics, Sit Down Together and Seek Drainage Solutions

The drainage problems explored by the Pontoon Beach water district are serious. The need for Mitchell area sewers also has prompted extensive study by governing districts in Chouteau township. Granite City has met with partial success in solving its stormwater and sanitary sewer problems, but fringe incorporated and unincorporated neighborhoods still await adequate drainage.

These circumstances would appear to dictate joint discussions and sincere efforts to arrive at a remedial program that can muster sufficient support among all citizens and officials. Consultation between areas having differing governing bodies or virtually no government makes sense because they are adjacent geographically.

The terrain and ground level may necessitate cooperative efforts if new drainage lines are to be effective. Horseshoe Lake may exceed its capacity in sewer volume and pollution level; new lines from Chouteau and Nameoki townships through Granite City to the Mississippi River may be required. Tax bases and bonding power also are pertinent considerations.

If all politicians dropped their concern over who will retain control and who will get the praise for achievements, we think Quad-City drainage issues could be settled quickly. It won't be easy, but the precipitation in recent months has just about ebbed residents to the point of demanding action without regard to political aspects.

If a dry spell doesn't arrive too quickly, there could be enough pressure on politicians to get the job done. We hope there is, because drainage is the major albatross that has had to be borne by Quad-Cityans through the years in their efforts to make this the fine community all desire.

\*\*\*\*\*

Remember when you went without things so you could have money, instead of going without money so you can have things?

## The FORUM

HIGHWAY COMMISSIONER DEFENDS HIS RECORD

To the Editor:

In answer to The Forum letter of Feb. 24 concerning the roads in Hills Terrace, it stated that you can never reach the highway commissioner.

My wife and I answer the phone every time until the calls come at 2 a.m. or 11 or 12 p.m. or the people get hostile and threaten to sue me or the township.

It also stated that I never attend any of the meetings "according to other township officials."

The highway commissioner has no say and no vote. The only time they can get together is on a Saturday morning at 9 o'clock.

I have worked more roads last summer than ever have been worked before. But every one who has lived here for a while knows that when there is a hot summer and a very wet winter, these old roads will not hold up.

I think if the township board would have stuck by me and tried to get some of these main drainage ditches cleaned that we do not belong to me, instead of trying to fight me and trying to get the people to sign petitions to get the township would be better off.

I had a call from Hills Terrace last summer where someone had plowed a rut across the road while plowing his garden.

While inquiring around, I talked to a few women and they stated the rut would slow down the speeders. We fixed them anyway.

I am sorry that one family got blocked in for a few days, but, at the time, the quarries were on strike and I had to get the trucks out of the quarry.

I think that the Chouteau township officials running for election should run on their own merits and not on a couple of bad roads that I have in the township.

## New City Precincts Much Better Than None; Uniform City-Town Lines Possible in June

Adoption of precincts for the April 1 Granite City municipal election greatly reduces the potential for improper voting. In the February mayor primary, residents of each ward were free to vote at any one of several polling places, and there was no cross-checking between a ward's several sets of poll judges.

The action taken by councilmen this week establishes 31 municipal precincts with boundaries frequently differing from those of the 32 township precincts. The differences could not be avoided because it was necessary to conform to the new city ward lines. 22 precincts, there is enough similarity to permit use of a single building for both the city and township balloting.

Where a single set of judges is used to supervise both types of voting, differing boundary lines will have to be kept in mind by the judges and voters. Those in fringe areas will have to go to two polling places, as will all persons in the neighborhoods where separate buildings will be designated.

Not all of the 22 joint polls will share the same judges. At some of these locations, there will be two centers of voting. Reasons advanced for the duplication are to avoid confusion and to retain a council vote in selecting poll judges; township poll judges are picked by the Madison county clerk.

The action which has been taken represents a considerable improvement over the vague procedural rules followed in the primary, but it only partially meets the ideal of uniform polls and precincts.

Granite City members of the County Board of Supervisors and city officials and aldermen should cooperate fully this spring to enable simultaneous establishing identical precinct lines. This is the only month the county board can revamp precincts.

## Mighty Mite Miller Latest Warrior Champion

Hats are off to Bob Miller, Granite City high school wrestler who captured the 1969 statewide championship at the 96-to-103-pound level. Small but mighty, and mighty skilled, he never lost a contest in meeting and defeating favored opponents.

He not only achieved high individual honors and enabled the Warrior team to score well in the state tournament, but also fought his way into the Illinois and GCHS record books on the basis of his outstanding achievements throughout the season and in the post-season bouts.

He joins a distinguished group of local athletes who fully meet the definition of "champion."

## Education, Change Becoming Synonymous

Two Granite City school board decisions—to begin computer science classes and to establish a citizen study leading toward greater efficiency in instructional methods and concepts—reflect awareness that the status quo is seldom adequate for long.

Technology is rapidly altering the world, and by its nature education must be in the forefront of such change.

## 50 YEARS AGO

MARCH 6, 1919

A committee representing residents of East Granite City was present at the city council meeting Tuesday evening and presented a petition asking redistricting of the Second Ward to make an additional councilman. Committee members present were Ralph Howe, G. Christy and E. Veihl.

A limited car on the McKinley line hit a box car on the crossing near the barrel works in Venice and caused the death of a Terminal switchman residing in St. Louis. He had been on the rear car of a cut of cars which a switching crew was backing into the Madison yards.

The Three Leaf Clover class of the Niedringhaus Methodist Episcopal Sunday school held its March meeting as a supper given by the Reds in honor of the Blues following efficiency contests between the two halves of the class.

Mrs. Fearing, 1255 Niedringhaus avenue, who spent two days visiting in Decatur, will entertain the Home Guards at her home Saturday afternoon.

BOYD IN HARMONY WITH MOST CITY COUNCILMEN  
To the Editor:

I would like to answer the person who signed himself as a concerned citizen in The Forum, Feb. 27. I am also concerned in behalf of our city and over who becomes mayor.

The people of Granite City are very lucky to have a man in the city who is a citizen. He calls and works in harmony with the majority of the aldermen.

Mr. or Mrs. Concerned citizen should take a little time and think what would have happened if the vast majority of the aldermen had not overruled the line" on things in the past.

Our city would be in a beautiful mess if the majority of the aldermen had not overruled the line" on things in the past.

It is a well known fact that Clyde Boyd has complete harmony with the majority of the aldermen and will keep it something I doubt our present mayor is capable of doing if elected.

There is no doubt in my mind whatsoever that Boyd can and will, if elected mayor, keep the present harmony with the aldermen. Last but not least, I have a lingering suspicion that the people of Granite City are very lucky to have a man in the city who is a citizen. He calls and works in harmony with the majority of the aldermen.

URGES BEAUTIFICATION NEAR AUTO SCRAP YARD  
To the Editor:

This is in protest against a wretched eyesore on Illinois Road Three near the city dog pound. An auto junk yard overflows, using the shoulder of Highway Three for its latest additions.

Here's a place to start city beautification. Where is the enforcement of rules for planting of evergreens between salvage yards and major highways?

Two attractive industrial buildings and the new dog pound building are downgraded by such conditions. This spring's fix-up, paint-up, clean-up program should start here. Citizens, take a look and join this protest.

WEST GRANITE CITIZEN

## 25 YEARS AGO

MARCH 6, 1944

State Treasurer William G. Stratton, Republican candidate for Illinois secretary of state, will be at the Elks club here from 9 to 10 a.m. to meet his friends in the City area.

Most holders of defaulted special improvement district bonds, who face being wiped out or nearly so by the new tax-sale law, will have a chance to recover varying percentages of their investment under a program being considered by a special aldermanic committee and Comptroller Carroll Bright.

The Madison Parent-Teacher Association, headed by Mrs. Harry Schooley, will pay the entire \$1263 cost of a new fire escape at Harris school and will pay \$700 of the cost of fireproofing Harris and Blair schools.

Congressman Calvin D. Johnson believes that "if we can ship under Lend-Lease dispers to Arabians, lipstick and silk under the Lend-Lease act, we can ship the same goods to the Chinese, additional leather to our soldier, and a state ballot is comparable to one additional letter. The total weight of all state ballots, if the ballot plan is adopted, will be 250 tons, or 500 tons from the New York port alone 14,000 tons of Christmas mail."

## Douglas: Society Disintegrating

"In Our Time" by Paul H. Douglas. New York, Harcourt, Brace & World, 222 pages.

Reviewed by Leland G. Stauber, assistant professor, Southern Illinois University Department of Government. (Review published in the Daily Egyptian, SIU Department of Journalism, Carbondale.)

This book by the former U. S. Senator (1948-67, Democrat, Illinois) is based on a series of lectures given recently at the New School for Social Research.

It is addressed to a few of the issues in which he has been personally involved, and with which he believes "the American public should become increasingly concerned in our time."

It focuses on inequities and loopholes in the present American tax system; the fight for national truth-in-lending legislation, which eventually succeeded; and the problem of poverty. Included are data on the extent and types of poverty in the United States, the record of both successes and failures in

## Niedringhaus Rail Overpass Urged

(Excerpts from Granite City Long-Range Plan)

Granite City has an extremely well-developed rail and water transportation network which has been and can continue to be a major asset.

The Interstate highway system (I 270 and I 70) has been completed within the past five years. This network, with its planned improvements, will continue to aid the future development of the area.

There are several improvement programs which are in planning stages and will further improve the transportation network in the area.

Two of these most important projects are the Great River Road (Federal Aid Route 151) and Nameoki road.

The Great River Road is partially constructed in the Alton and Granite City areas. This scenic route is designed to parallel the Mississippi River from Wisconsin to New Orleans, La. It will call for several at-grade intersections along its route.

## State Jobless Pay Not Taxable

(Internal Revenue Service)

Q. I collected state unemployment benefits last year. Do I declare them as income?

A. No, state unemployment benefits are not taxable and do not have to be reported.

Q. I was married last month. Since my name has changed do I have to change my Social Security number?

A. When your name changes, notify your local office of the Social Security Administration as soon as possible. Your number will not be changed, but your record will be corrected to reflect your married name.

Q. Are gifts ever taxable?

A. The recipient has no federal income tax to pay but the giver may be taxed if the gift is sizable. The law generally requires a gift tax return to be filed by the donor when a gift or gifts to any one person during the year exceeds \$3000.

However, income earned on gifts is taxable to the recipient. Q. I sold my house just before my 65th birthday. Does the sale of the house qualify for the special benefits for the elderly on those sales?

A. The law requires you to be 65 or over before the sale of sale or exchange to qualify for these special benefits.

## Key Date for Personal Tax-April 1

(Trl-City and Illinois Bar Associations)

April 1 is a day of reckoning for Illinois taxpayers. Under law, taxpayers must take inventory of their personal possessions as of April 1 of each year and turn that information over to their county tax assessors.

The report is required of every Illinois resident "of full age and sound mind" and must include property purchased or acquired as of April 1.

The taxpayer has until June 1 to file the list of his personal assets located in Illinois.

The April 1 cut-off means the taxpayer may save some money by deferring any major personal property purchase until after that date.

Property acquired April 2 or thereafter does not become taxable until the first day of the following year.

Moreover, any tax on the property would not become due for still another year, since the annual tax bill is based on whatever personal property is owned on April 1 of the preceding year.

Thus, the purchase of a new car on April 2, 1969, would be reflected in the tax bill which becomes payable in 1971, but not in 1970.

In some cases, the tax assess-

## GC Soldier in DMZ Area Misses Hometown News

Despite the occupational hazards and eventual nature of his life as a member of a long range reconnaissance patrol in the DMZ area, most of the time around the city of Hue, the morale here is high as always.

"Well things are picking up—it's time for chow. It sure would be wonderful if there was some way I could get your paper over here. If this is possible let me know. Thank you for your time."

... Ted Tidwell.

Arrangements are being made this week to ensure the soldier gets a subscription to the newspaper.

Friends may write the serviceman at: Pfc Ted D. Tidwell, Co. E, 1502 Inf., 101st Airborne Division, APO San Francisco, Calif. 96383.

### Sailor Norman Cardwell In Mediterranean

Aviation Structural Mechanic First Class Norman C. Cardwell, USN, son of Mr. and Mrs. Anthony B. Cardwell, 1333 Rhodes street, is presently on a deployment with Attack Squadron 172 aboard the attack aircraft carrier USS Shangri-La in the Mediterranean.

During the deployment, the Shangri-La visited Barcelona, Spain. While there, the men of Attack Squadron 172 had the opportunity to take ship-sponsored tours of Madrid, the ski resorts of Nuri and Andorra, as well as several tours of the city of Barcelona itself. In the near future, Shangri-La is scheduled to visit the ports of Cannes, France; Naples, Italy; Valletta, Malta; and Athens, Greece.

### K. of C.'s to Confer Degrees This Month

Tri-City Knights of Columbus Council 1988 will confer the first degree of the order upon candidates in ceremonies on March 13, it was announced today.

The second and third degrees of the order will be conducted on March 16 at the local K. of C. hall. New members from Collinsville, Edwardsville and Highland councils will participate.

Dr. Leo Roman was named chairman of the council's annual spelling bee to be held March 23 for pupils of local parochial schools.

Fred Trittschuh, athletic activities chairman, announced plans to participate in the first annual national K. of C. golf tournament to be held in St. Louis this summer.

Jack Trittschuh, recording secretary, reported that the council will sponsor a benefit basketball game between council members and some of the local Catholic clergy at 7:30 p.m. April 25 in the Nameoki grade school gym. Proceeds will go to Newman foundations at state colleges.

Steve Salich, president of the Columbus Home Association, reported that the council will hold its annual chicken dinner on April 13.

### Assigned in Vietnam

## \$108,828 Balance In Relief Fund

A Feb. 28 balance of \$108,828 in the general assistance fund was reported to Granite City council members, who met at the town board of auditors Monday night.

The monthly financial report by Town Supervisor Nelson Hagmann also showed balances of \$20,857 in the town fund and \$2092 in the employee retirement fund.

In the general assistance fund, February disbursements amounted to \$19,342; while town fund expenditures totaled \$6843 and retirement payments amounted to \$323.

Current disbursements approved by the council-board Monday night were \$211 for the town fund and \$8046 for relief.

## Annual Tea on Sunday At Southern Baptist

The women's group from Southern Baptist Church of Madison will hold a "kick off" program Sunday at 3:30 p.m. at the church for their annual tea.

Featured on the program will be a representative of Herman Beauty Shop discussing the latest hair fashions and a display of new spring hats.

Mrs. Armenta Gregg is serving as chairman for the event; and Rev. A. G. Williams is pastor of the church. The public is invited.

## Nameoki School Pupils Receive Card from Nixon

A flurry of excitement was evident Monday afternoon at Nameoki school when the mail arrived. The students of Mrs. Vera Farrow's upper primary (third grade) received a card from President Richard Nixon in response to themes written by the students on "What the Inaugural Meant to Me," and sent to the White House.

Each student wrote the impressions of the inaugural viewed on television at school. The students have followed the elections, held a mock election, in which Nixon won, and displayed pictures of all the candidates in an attempt to bring the election into closer focus for the children, Mrs. Farrow explained.

The card from President Nixon read, "As I undertake the responsibility of providing new leadership for America in the years ahead, I want you to know how grateful I am for your thoughtful messages."

"The knowledge of your support will be a source of strength and inspiration in years ahead." It was signed, Richard Nixon, and bore the seal of the President's office.

## Elks Lodge to Initiate Nine Members Sunday

The Granite City Elks Lodge 1063 will initiate nine candidates during ceremonies to be conducted Sunday, March 9, at 2 p.m., at the lodge. The ceremonies will be followed by a buffet luncheon and entertainment.

Those to be initiated are Leonard D. Anderson, Ray W. Blackburn, Milton G. Kuzma, Harry L. Bates Jr., Melvin L. Thomas, David Thompson, Lester E. Thompson Sr., William E. Krause and Charles R. Weiss. Conducting the ceremony will be William Russell, A. E. Michel, Robert Crain, Jerry Krus, Robert Warford, Joseph Buscemi and Edw. Reinagel.

The next regular meeting at the Lodge will be held Tuesday, March 11, at 8 p.m. During the meeting nomination of officers of the coming year will be announced. A social hour with refreshments will be served in the Ahlert Room, after the meeting.

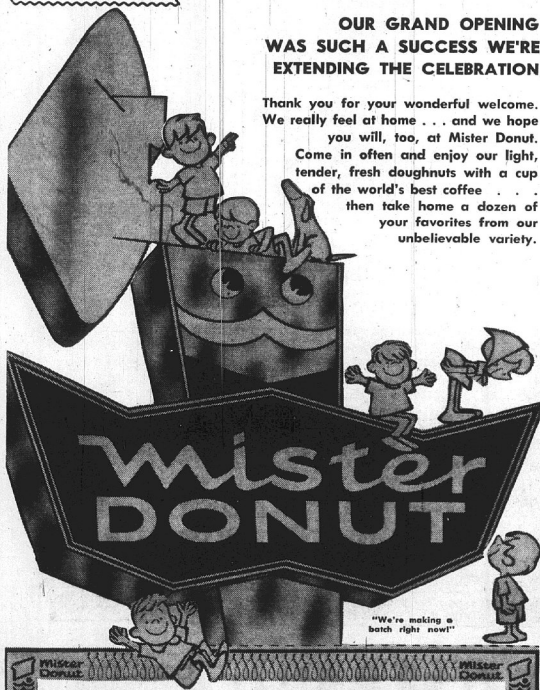

Services Conducted Today For Walter Blythe, 63

Funeral services were held for Walter Blythe, 63, of 2116 Dewey avenue, at 1 p.m. today at Bethel Chapel, West 25th street and Ohio avenue. Interment was at St. John's Cemetery, 2901 Nameoki road. Mr. Blythe died at 1:30 a.m. Monday at St. Elizabeth Hospital.

## Koenig to Attend USCDC Conference Next Week

Vice-President Spiro Agnew is scheduled to greet members of the U. S. Civil Defense Council when they meet in Washington, D. C., next week for the USCDC Mid-Year Conference at the Sheraton Park Hotel. The Vice President is slated for a 9 a.m. appearance on Tuesday.

Taking part in the conference will be Civil Defense Director, Victor H. Koenig of Granite City, who serves as Illinois representative to the USCDC and holds membership on standing committees. The local CD official will depart by plane Sunday for Washington and plans to attend three committee meetings scheduled for the same day.

During the four-day meeting which ends Wednesday, several members of Congress will be featured, according to USCDC President Evar P. Peterson.

Tuesday morning the Hon. Clark MacGregor of Minnesota in charge is Mrs. Irene Hester. The local president is Carl Harrison.

## Maryland Plaza Office Building is Purchased

John Sobol of Sobol Realty is announcing purchase of the Maryland Plaza office building from Jim Green Construction Co. interests. The building is located at 2122-2130 Pontoon road and is being completed now. Exterior is of French Provincial design, with slate mansard roof.

It will contain Sobol Realty's new office, the Edie Adams Cut and Curl beauty salon, a barber shop, a large laundromat and five additional offices. Full occupancy is expected by May 1.

A new office building presently being constructed for Sobol Realty on Highway 111 south of Pontoon road has been sold to Municipal College, an advertising company specializing in slide projection. It will use the building as its Illinois headquarters in the St. Louis metropolitan area.

Sobol said the new Pontoon road realty office will be in full operation by April 1; the present office is at 1206 Niedringhaus avenue.

## Machine Gunner School For Marine Campbell

Marine Pfc George H. Campbell Jr., husband of Mrs. Lenore Campbell of Lee Wright Homes, Venice, has completed a one-week, 50 caliber machine gun course at Marine Corps Base, Twenty Nine Palms, Calif.

At the world's largest Marine Corps Base, Marines enroute overseas are instructed in the principles of operation, maintenance, and firing procedures of the machine gun. The machine guns are used by direct-support units in Vietnam in operations against ground and air targets.

## Kiwanis Club To Erect Flagpole In Civic Park

Ray Feder gave a report on the Kiwanis Club plans for erection of a flag pole in Civic Park during the club's dinner meeting Monday evening at the Rose Bowl.

Feder said the Park District Board has accepted the plans for a 30-foot aluminum pole. Date of installation and dedication will be announced later.

Edward Moore, president, presided at the business session.

Extensive plans were discussed on the Kiwanis-Bow Line Club eighth annual boat races to be held on the Mississippi River, near the Harford canal on July 20.

Sixteen members attended with a guest, Sam Stooky, of the Credit control division at St. Louis department store.

Moore announced the guest speaker for the March 16 meeting will be County School Supt. Wilbur Trimpe.

## Butlers Tour Carpet Mills in Georgia

Mr. and Mrs. Garvin Butler, Five Nassau, of the Butler Floor Co., returned Tuesday from a five-day tour of carpet mills in La Grange, Ga. and spent an extensive amount of time touring Milliken Mills including Callaway Towels.

They were accompanied on the trip by Ken and Noel Lawson, carpet dealers from St. Louis and the group were guests of Callaway Guest House during their stay in Georgia.

## Woman, 67, Sweeping Steps, Falls, Injured

Mrs. Ivy Weldon, 67, of 2021 Washington avenue, was injured about 9 a.m. Tuesday when she apparently lost her balance while sweeping the front porch steps and fell to the sidewalk.

A passing motorist who saw her lying on the walk notified police who found her in the house trying to stop a bleeding nose. She suffered bruises to the left eye, back of the left wrist and on the left leg and was taken to St. Elizabeth Hospital for treatment.
